**Associates of the Brand Library Art Center
and the
City of Glendale Public Library Division**

Brand Twelve, a national exhibition of watercolor paintings, is the twelfth annual open juried competition sponsored by the Library Division, City of Glendale, and the Associates of Brand Library.

The Associates of Brand Library Art Center is a support group whose purpose is to aid and promote the Brand Library Art Galleries and to foster art education in the community. The Associates have allocated \$2,000 for the acquisition of watercolor paintings for Brand's permanent collection.

We are most grateful to all the individual sponsors for their interest in supporting fine art in the community. This support provided the numerous cash, purchase, and merchandise awards for the outstanding work selected by the jurors.

Appreciation is extended to Brand XII committee: Co-chairmen Lynn Fash and Betty Crosby, and to Kay Dorey, Virginia Jackman, Ursula Gleason and Alice Peterson, the docents who were there when we needed them; Mary Alice Haskell for organizing the mailing lists and help with this catalog.

All this could not be possible without the help and guidance of Burdette Peterson. Thanks to Brenda Huffine, who is responsible for the designing and installation of all art in the galleries, and to Jane Hagan and her staff at Brand Library for their kindness and great help.

And last but not least, it would have been impossible to have a show of this caliber without expertise of such knowledgeable jurors as Sylvia Glass and John Brooks Miller.
