**Arthur L. Kaye**, twice past president of the National Watercolor Society, has exhibited his works in twenty-five states of the Union. His paintings were featured on the Watercolor Page of American Artist Magazine in June of 1994, and he also is represented in both Splash I and Splash II of the North Light series of books on watercolor artists. He has won numerous awards nationwide, has juried frequently, and has demonstrated for various groups.

#### JUROR'S STATEMENT

As the juror of an exhibition of art works, one is called upon to exercise one's sensibilities, experience and judgment, and as objectively as possible select those works which manifest originality, emotion and excellence of execution, regardless of style.

My thanks to all the artists who submitted works, whether or not they were ultimately selected to exhibit. To those whose efforts were not accepted, my advice is: by all means, keep trying.

JUROR: ARTHUR L. KAYE

## ACKNOWLEDGMENTS

To this year's participating artists, for the excellent quality of work entered. The juror was challenged by a wide variety of choices of watermedia works.

To all the Patrons of Brand, whose contributions go towards awards.

To the Gallery Director, Jill Conner, for her direction and assistance.

To Luke Hannington, for his tireless work with the computer.

To Thomas Eiden, for the design and layout of the catalog.

To the Library staff, and especially Dick Bellanger, who contributed to the smooth operation of this undertaking.

To the Brand Docents, who assisted with the jury process, delivery of works and reception.

Last but not least, to Arthur L. Kaye, who as juror for Brand XXVIII has given us the benefit of his expertise in selecting this show from almost 500 entries.
