Honorable Thomas C. Clark
Attorney of the United States
Department of Justice Building
Washington 25, D. C.

Dear Sir:

On January, 1945 I signed an application for renunciation of the U. S. nationality at the W. R. A. Segregation Center at Tule Lake, Modoc County, California, at a perfunctory appearance before a government official and I have received a letter dated May 3, 1945, from Mr. Herbert Wechsler, Assistant Attorney General approving this renunciation.

I hereby repudiate, withdraw, retract and revoke the said renunciation upon the following grounds and for the following reasons:

- (1) The circumstances under which said renunciation form was signed by me did not constitute a fair and impartial hearing and was a denial of my constitutional guaranty of due process of law and of the equal protection of the laws;
- (2) I was not a free agent at the time when and the place where said renunciation form was signed but was then and there held in duress and was the victim of fraud, menace and undue influence and mistake of fact and law;
- (3) I then and there was continuously from April 28, 1942, had been detained in the said W. R. A. Segregation Center by official authority and was deprived of substantially all my constitutional rights, liberties, privileges and immunities as an American Citizen by birth and by choice and was thus discriminated against solely by reason of the Japanese nationality of my ancestors;
- (4) I was intimidated and compelled to sign said renunciation form while under pressure and duress.

Because of the foregoing reasons the said renunciation and approval thereof were, and each of them is, invalid, null and void.

I am not a citizen or subject of Japan and I do not and never have owed that country or nation any allegiance. I am a native American by birth and also by choice. I recognize as my sovereign the United States of America and I give the United States my undivided loyalty and allegiance. I have no dual citizenship through an act or acceptance upon my individual part.

I ask therefore that you withdraw and set aside the said renunciation form which is herewith repudiated, withdrawn and revoked by me and that you recall, withdraw, cancel and revoke your approval of said renunciation form as well.

I am ready and willing to have this matter re-opened and a hearing be granted me in order to prove that said renunciation form was signed when I was not a free agent in any sense of the word but was acting under duress and under menace, fraud and undue influence and mistake of fact and law.

I respectfully request your immediate consideration of this urgent matter.

Very truly yours,

James Iwas Imamura
