Dear Mr. Takata:

In 1955 I sent you a "Personal Questionnaire" form and asked you to answer the questions in it to the best of your ability and then return it to me so that I could prepare an adequate affidavit for you and have it processed through the U.S. Attorney's office and the Justice Department in Washington, D.C.

If you will write your answers on the Questionnaire and return it to me promptly, I will prepare the affidavits for administrative processing.

The Justice Department has liberalized its policy toward renunciants provided their affidavits are prepared and processed before the end of 1957. You have an excellent chance of getting administrative clearance and, if so, a judgment will be entered in court cancelling your renunciation and it will declare that you ever have been and still are a native-born U. S. citizen.

Therefore, please answer the Questionnaire promptly and send it back to me in the enclosed envelope. If you have lost the questionnaire, notify me immediately and I shall send you another one.

Very truly yours,

Wm. Collins

Dear Mr. Takata:

If you wish to receive your individual certified copy of the "Final Judgment" of the Court that cancels your wartime renunciation of citizenship and that declares you to be a U.S. citizen, you can obtain it from me by sending to me the \$87.50 balance due on your account. Sometime in the future you may need this document to prove your citizenship, to obtain a passport, to establish your right to vote, in applying for employment, Social Security benefits, various licenses, loyalty checkup, etc. If it presses you too much to pay your balance in a lump sum, you can let me know and arrangements can be made for you to pay the balance by installments. I am enclosing a stamped envelope for your reply.

Very truly yours,

W.M. Collins
