WASHINGTON, D. C.

NOTICE OF APPROVAL OF RENUNCIATION OF UNITED STATES NATIONALITY

To: Matsue Hori
 (born Dec. 5, 1916, Bandini, California)
 2719-F
 Tule Lake Center
 Newell, California

You are hereby notified that, pursuant to Section 401(i) of the Nationality Act of 1940, as Amended, and the regulations issued pursuant thereto, your renunciation of United States nationality has been approved by the Attorney General as not contrary to the interests of national defense. Accordingly you are no longer a citizen of the United States of America nor are you entitled to any of the rights and privileges of such citizenship.

Date: April 26, 1945

Herbert Wechsler
Assistant Attorney General
War Division

Sept. 25, 1945

Dear Tom Clark.

On April, 1945 I renounced my American Citizenship. I wish to cancel the said renunciation upon the following reasons:

I have never been to Japan. Nor do I have any relatives there. My Parents, brothers and sister have relocated. I also have one brother serving in the United States Army. I was forced to renounce my American Citizenship by rumors and fear. If possible I would like to have a hearing and relocate with my family as soon as possible.

Please let me know as to further steps I need to take. I hope I can relocate in the near future with your efforts.

I thank you.

Yours Respectfully,

Natsue Horie

HONORABLE TOM CLARK,
Attorney General of the United States
Department of Justice Building
Washington, D.C.

Dear Sir:

On March, 1945, I signed an application for renunciation of United States nationality form at the W.R.A. Segregation Center situated at Tule Lake, Modoc County, California, at a perfunctory appearance before a government official, and I have received a letter dated April 26, 1945, from Mr. Herbert Wechsler, assistant Attorney General, approving the same.

I hereby repudiate, withdraw, retract, and revoke the said renunciation upon the following grounds and for the following reasons:

(1) The circumstances under which said renunciation form was signed by me did not constitute a fair and impartial hearing and was a denial of my constitutional guaranty of due process of law and of the equal protection of the laws;

(2) I was not a free agent at the time when the place where said renunciation form was signed but was then and there held in duress and was the victim of fraud, menace, and undue influence and mistake of fact and law;

(3) I then and there was and continuously from May 1, 1942, had been detained in the said W.R.A. Segregation Center by official authority and was deprived of substantially all my constitutional rights, liberties, privileges and immunities as an American citizen by birth and by choice and was thusly discriminated against solely by reason of the Japanese nationality of my ancestors;

(4) I was intimidated and compelled to sign the said renunciation form by displays of force and intimidation made by pressure groups in said camp, and by members thereof, and I was in constant fear, as was my family that said threats would be carried into execution if I refused to sign it. I was acting under the menace and fraud of said group and its members and the undue influence exerted by them upon me and I signed said renunciation form under duress.

Because of the foregoing reasons the said renunciation and approval thereof were, and each of them is, invalid, null and void.

I am not a citizen or subject of Japan and I do not and never have owed or given that country or nation any allegiance. I am not an alien enemy. I am a native American by birth and also by choice. I recognize as my sovereign the United States of America and I give and ever have given the United States my undivided loyalty and allegiance. I have no dual citizenship through any act or acceptance upon my individual part.

Therefore I demand that you withdraw and set aside the said renunciation form which is repudiated, withdrawn and revoked by me, and that you recall, withdraw, cancel, and revoke your approval of said renunciation form.

I am ready and willing to have this matter re-opened and a hearing be granted to me in order to prove that said renunciation form was signed when I was not a free agent in any sense of the words but was acting under duress and under menace, fraud and undue influence and mistake of fact and law.

I respectfully request your immediate consideration of this urgent matter.

Yours very truly,

Matsue Hori

Honorable Tom C. Clark
Attorney General of the United States
Department of Justice
Washington, D.C.

Dear Sir:

On Oct-24-1945, I was requested by Mr. Ivan Williams, Officer in Charge, Immigration and Naturalization Service, Department of Justice, to appear before their officer to register under the provisions of the Alien Registration Act.

Although I appeared before your office to comply with the provisions of the Alien Registration Act, I wish to state that said registration form was signed by myself under protest.

I am an American Citizen. Although within the non-repatriation form it indicated in Question No. 2 that my nationality was Japanese, I hereby wish to protest said designation as I am not a citizen or a national of Japan, but a citizen and a national of the United States.

Therefore I shall appreciate your accepting this letter as a documentary evidence that my signature affixed on said Alien Registration form and information furnished in Question No. 2 of the non-repatriation form was done so under protest, as I am an American Citizen.

Yours very truly,
