# OUR POLICY

The "Evacuazette" is under the direct supervision of Carl Trowbridge, director of the service department. The "Evacuazette" is an independent free press -- for, to, and by the people.

This publication has but one aim, that aim is to serve the public faithfully and continuously during its existence. It may be a day, a week, or a month, the length of time will have no bearing on the "Evacuazette" to achieve its aim.

The "Evacuazette" shall with-hold personalities from its policy, realizing that this is a community of three thousand people and not a community of just a few....A community made up of people from all walks of life and all sections of the state. A community where self-interest has no part; but unfortunately has already gained strong footing. No community is all good, it must have its bad.

Realizing this, the "Evacuazette" shall maintain its pledge as an independent free press; for, to, and by the people. A press free from all ---- a people's publication, "Evacuazette".

# YOUR JOB

Whenever you're working--in office or shop,  
And however far you may be from the top--  
And though you may think you're just treading the mill  
Don't ever belittle the job that you fill;  
For however little your job may appear--  
You're just as important as some little gear  
That meshes with others in some big machine,  
That helps keep it going--though never is seen.

They could do without--we'll have to admit--  
But business keeps on, when the big fellows quit!  
And always remember, my lad, if you can,  
The job's more important--(oh yes)--than the man!  
So if it's your hope to stay off the shelf  
Think more of your job than you do of yourself.

Your job is important--don't think it is not--  
So try hard to give it the best that you've got!  
And don't think ever you're of little account--  
And remember, you're part of the total amount.  
If they didn't need you, you wouldn't be there--  
So, always, my lad, keep your chin in the air.  
A digger of ditches, mechanic, or clerk--  
Think well of your company,yourself,and your work!

# HEALTH

Little things like these influence everybody and it does go a long way in keeping our community healthy:

1. Don't spit on the floor
2. Don't scatter garbage; put it in the garbage can
3. Wash basin should be cleaned after use
4. Don't cough in other people's face
5. Wash your toes carefully to avoid getting athlete's foot

\*\*\*\*\*

# HOSPITAL

In order that the hospital and the medical staff can serve more people in an efficient manner Doctors Shiomi and Kinoshita will be permanent residents in the hospital and Dr.E.C.Dresher of the Public Health Service will be the nominal head.

\*\*\*\*\*

# FIRST LOVE

Love's sweet awaking  
Call of a lonely heart  
Answer my tender yearning  
That we shall never part--  
Though the years may come  
and go  
First love will always be  
true  
For dreams have built unending  
A castle of love for two--  
A cozy nest of happiness  
Just like a bluebirds song  
A melody to haunt you  
An eternity is not too  
long.....

## STAFF HOLDS WEINER FEED

The Hospital Staff had a refreshing pause in a form of a weiner roast, May 22, Friday night, at 8:30 P.M. in the Henry Thiele balcony.

Approximately 64 Hospital Staff members, namely doctors, nurses, nurses' aids orderlies, and janitors, helped to make this party one of the most successful events thus far given in this center.

With Mori Saito and John Tanaka in charge, the gathering played various interesting games to start the ball rolling. Next the staff was introduced and then everyone proceeded to partake of the hot dogs, marshmallows, potato chips Coca Colas, and the ice-cream, which was donated by Dr. Shiomi. All those present had plenty to eat and had a very enjoyable time.

Nellie Arai and Alice Toyota made the general arrangements while the foods were in charge of Alice Kawasaki.

## LADIES' RENDEZVOUS

Now boys, reading this article wouldn't do you any good because this event which is to be held in the Arena next Friday evening (May 29) from eight to ten o'clock is strictly a feminine affair. No boys are allowed--not even Scoop--- or any other snooping male.

All girls from highschool age and over, do come for this is an opportune time to get to know each other.

It's been suggested that girls come in couples--- one dressed in slacks, and the other in a dress. There won't be any boys so who cares about the poem recently printed about girls in slacks.

Miss Harue Okazaki is the general chairman. The various committees have been put in charge of several girls' clubs representing girls of all ages.

\*\*\*\*\*

all!. Today as I hung my head out of the window, my secretary comes walking down and what do I see? Well men, you can't say that I didn't try! ---- I am writing this tid-bit as a sort of farewell to a wonderful secretary that has helped me through a lot of articles. I guess I am going to write my own articles now as I have no secretaries--mistake--secretary. So 'til we meet again down in Tule Lake, here's wishing you a happy and pleasant trip and stuff.

## HIT PARADE

1. Don't Sit Under The Apple Tree
2. Somebody Else is Taking My Place
3. Tangerine
4. Sleepy Lagoon
5. Skylark
6. Moonlite Cocktail
7. Johnny Doughboy
8. Jersey Bounce
9. Miss You
10. She'll Always Remember (From the Lucky Strike Hit Parade, Saturday, May 23, 1942)

\*\*\*\*\*

I consulted my secretary about "slacks" and she agreed with me that they were a horrible thing. In fact she said that she did not wear such unveilers.

But, oh, the misery of it

Say, now, gals, have you heard the latest dope? Nope? The bright day has arrived when our women suffrage act has actually been put into effect. Don't get excited! Beautiful gold and silver, shimmering trophies will be given to the winners of the softball league and also to girls participating in individual tournaments.

Now doesn't that sound exciting? In the meanwhile 'tis said that a certain white sheet of paper is just dying to get your "John Henry" on it! Nope, 'tisn't that wolfs' little black book, but the table tennis tournament list is still in a sad state. You needn't have a bachelor's degree in this popular sport so hustle, chilluns!

Maybe those swings will more than impress that favorite of yours, -- and it will be mighty handy in the future, eh?

You gals may know your sports, but why not polish up a bit and attend the beginners' classes in badminton, tennis, volley ball, softball, and basket ball.

Due to circumstances beyond our control, the softball opener scheduled for Monday eve was canceled til (you know when)! Therefore, the fracas between these two mighty teams, the Girl Reserves and the Live Stock Goons will be held in the softball ring later on.

Now it doesn't mean that hostility has not yet begun cuz they sho have. The softball game between the Risshos and the Sumanas Tuesday afternoon at 2:30 resulted in a 24 to 5 victory for the Sumana gals. Congrats to you gals and more power to you Risshos!

Goodbye for now, Gals!!!! (Ed's note: May Abe, writer of this column is going to Tule Lake tonite. Words alone cannot express how much we'll miss her, so we say, -- be seeing you soon May).

## COUSINS WIN ONE, LOSE ONE TEN TO TWO

Paced by pitcher Dyke Takeoka's steaming spinner and combined with costly Gresham errors Manager Kay Takeoka manipulated his Country Cousins to a 10-2 victory over the Gresham Gophers on the men's softball diamond Saturday nite. The "Cousins" were the first to dent the plate when they scored the 4-0 lead in the initial frame on the walk, two hits, and two errors and continued to score 3 more markers in the next stanza to take an early 7-0 lead during the early part of the contest.

The Gresham Gophers were only able to score in the 6th inning on four walks and an infield out which gave them their two lone scores.

The "Big Stars" for the Country Cousins were Dyke Takeoka for his masterful pitching, Joe Kato for his slugging, and Pete Yoshitomi for fielding which stopped many of the opponent's hits. The "Bigs" for Gresham was Kazuo Yamaguchi for his steady pitching.

## YOGS TURNS IN UPSET—4-2!

Behind the steady 2-hit hurling of Tom Sakamoto, an underdog Yogeles ten scored a stunning 4 to 2 victory over the highly touted Country Cousins last Sunday evening.

Dyke Takeoka, Cousin pitcher, who turned in a no-hit performance against the Gresham Gophers last Saturday, proved to be a real "cousin" to Yogeles batters in the initial canto. After lead-off men Easaku Hiromura and Fuzzy Fujiyama had drawn walks, George Hijiya and George Muramatsu both tripled to right field to score the inning's three runs.

The Yogeles added another run in the second inning on a pair of walks and a hit.

The Cousins also collected all their runs in the first two cantos, one in the first and one in the second.

The Yogeles were a completely different team from the sloppy fielding squad that opposed the S.P. Tens in the opener last week.

# -KOBAYASHI HONORED-

Honored at an informal "coffee and sinkers" party Monday evening, was Miss Kiyo Kobayashi, R.N., veteran member of the Centers Hospital staff who is leaving in the contingent to Tule Lake Tuesday night.

The occasion which was held in Henry Thiele's was in the form of a surprise farewell party for Miss Kobayashi and was sponsored by the Hospital staff. A toast to Miss Kobayashi was proposed by her former co-workers. Impromptu speeches were given by R. Kinoshita, Miss Alice Nakano head nurse, Mr. Tosh Kuge, and Mae Konno, R.N. Miss Kobayashi graciously responded to the gift presented to her by the entire staff.

The singing of Auld Lang Syne brought finale to the gathering.

The purpose of the teletype is to send out messages direct from the offices here, instead of relaying it to a Portland telegraph office. This service is restricted to W.C.C.A. officials.

# WE'RE IN THE MOVIES !!

Parris Emery of the Universal Newsreel was here today to take moving pictures of the evacuees of this center for his studio.

Emery brought along various movie equipment which included his movie camera and films. His first comment was that he hoped that his work would somehow help the evacuees here.

He took the first picture in front of the information bureau of the volunteer group who are leaving for the sugar beet fields in Idaho, tomorrow. He also took pictures of the baggages of the evacuees going to Tule Lake and of the people eating in the mess hall.

# BIG GAMES SLATED

If you think that there are lots and lots of pretty girls that are lonesome you're crazy; I know, as I made a survey which was strictly on the up and up.

For instance....Do you think that a certain football player from O.S.C. has been letting a certain comely miss wear his letter man sweater because it's cold?????.....The men in the timekeeper's office sure seem to like their work, don't they? Now fellas!....Oooooh's and Ahh's have been heard from girls when a certain fellow paces up and down the C. section tables every morning first shift. Sorry girls, but it has been heard that he's going steady....Two drips on the news staff have pleaded with the Astoria twins to be their secretaries, it is rumored from a reliable source. Boys, do your "wolfing" after office hours, will ya?

## TRAVELER'S CHECKS

Those who have surplus funds may have some form of protection by obtaining travelers checks in denominations of \$10, \$20, \$50, and \$100.

The cost of the checks is 3/4 of one per cent. These checks can be cashed at the canteen.

In making deposits, this is the more economical way rather than by registering by mail. These checks can be issued without a blocking order. The information is furnished by Mr. Oswald of the U. S. National Bank

There are many thefts being committed and those desiring a safe way of keeping money should ask at the information desk where forms for travelers checks can be obtained.

Here's what every one has been waiting for. Yes, tomorrow night at eight o'clock, there will be shown a full-length feature movie, here in the main reception hall. Young children with their parents are requested to attend the first show so that they may get to bed at an early hour and also because there is a limited seating capacity. The second show is slated to start at about nine o'clock.
