STUDENT COUNCIL MEETING
Postn III High School

January 11, 1943

Present at the meeting were: Tots Ishida, Terry Nishida, Grace Kushino, Shinobu Kodama, Miyoko Mikasa, Kazuko Nakamich, Violet Takeda, Masato Asakawa, Toyoko Hattori and William Fujino.

Tots Ishida called the meeting to order and asked if the Council was ready to vote on whether or not the group would disband as a leadership class. After discussion, the group decided that it would postpone any action of disbanding until the work which has been "put on the table" was completed. A motion was made, seconded and passed unanimously to elect a faculty adviser for the class. The following were nominated: Jimmy Urata, Miss Gilchrist, Miss Atkinson and Miss McNulty and George Takaoka. Jimmy Urata received the majority votes, so he will be asked if he would accept the position.

Mr. Tashiro stepped in and inquired if the Leadership Class knew about the flag being donated by Mr. Ted Hiramoto to the school. He explained that Mr. Hiramoto is sending for his flag at home and will donate it to the school if the express charge is taken care of. In the meantime, Miss Warvorovsky's Core class had taken it upon themselves to launch a campaign to collect contributions from the core classes in order to purchase a flag. The boys in the class even went so far as to go out into the woods to chop down a ~~large~~ tree for a flag pole. Mr. Tashiro suggested that the money already collected could be used to pay express charges on Mr. Hiramoto's donated flag. A council member said that the classes had decided to return the contributions and that the Senior ~~Class~~ Core Classes will pay for the express.

Since Mr. Jimmy Urata who was elected faculty adviser of the Leadership Class is not a high school teacher, the group decided to reconsider the election. A motion was made, seconded and passed to hold re-nominations. Mr. Take Taniguchi was nominated. The nominations were closed, automatically electing Mr. Taniguchi. The council will ask Mr. Taniguchi if he will be willing to accept the position.

Toyoko Hattori presented a bill from Industry for \$1.00 charged to Mr. Potts. The purchase was crepe paper for the Assembly of January 8, 1943. Tots Ishida is drafting up a letter to withdraw \$1.00 from the Student Funds in the Community Enterprise.

The leadership class will make dittoed ballots for the school colors. These ballots will be distributed to the Core Classes. The meeting was adjourned.

January 26th, 1943

The meeting was called to order by Itsumi Oita. Minutes of the previous Student Body Council meeting were dispensed with due to the absence of the secretary.

The purpose of this meeting, as stated by Itsumi Oita, was to discuss the proposed constitution for our student body. The Constitution committee had scheduled to submit the constitution to the core classes Monday for ratification, but prior to this, Itsumi Oita stated, that he had a talk with Mr. McLaren, and the principal suggested that a meeting should be called for core representatives to discuss the constitution before ratifications since there were many problems involved.

The following members of the constitution committee were introduced to the group, who have been working very hard during the past two month to complete the proposed constitution. These are:

Benny Masatani
Jeannette Ito
Jim Taniguchi
Ted Kato
George Obana

George Yamanaka
Yasuo Abe
Itsumi Oita
Dorothy Sakasegawa

At this time, Mr. McLaren addressed the students stressing the following points:

1. This Body should meet until the business of ratifying the constitution is completed.
2. That the students, as well as teachers and administration heads, should work in unity in forming our new school to have a cooperative government.
3. That it will be a slow process in organizing this school, and it is the wish of all to have it done as quickly as possible, but we must all remember that it is a hard task and in order to have a democratic government we need the backing of the majority of the students.
4. He reminded us that the present Student Body Cabinet was not legally our officers since we are just in a developing stage and we must get a fine start.

00514
Edm.

January 26th, 1943

Mr. McLaren also suggested:

1. That the quickest way of ratifying the proposed constitution is to submit it to each core to study it, discuss it, and that as a student we should request time from Core Class to discuss the constitution.
2. That three representatives be the leaders in their respective core during discussion and exchange the various points brought up during the discussion at the following meeting.

Then Mr. McLaren asked if he should ask the cooperation of all Core teachers to give up Core time to discuss the constitution.

After a bit of discussion on this matter by several students from the floor, it seemed that the majority of the body wanted part of the Core time to study the constitution.

It was announced by Itsumi Oita that the following meeting will be held at Mrs deSylva's Room, during activity, Wednesday, January 27th, 1943. He also asked the full cooperation of all the students to be on time. He urged those present today to notify those who were not present. The matter will be continued exactly where we left off today, the main issue being, "How We Should Carry the Discussion of the Constitution in the Core Classes.

Since time was getting short, the meeting was adjourned by Itsumi Oita.

Vote taken on constitution by Rep. Council and ratified by two-thirds vote of 15. The chairman asked why some of the classes voted against it. Some of the classes did not vote. The Rep. from the Jr. class of Bk. 59 period 1 and 2 said that their class wanted the program chairman to be one of the officers, because they thought the Vice President had enough work to do and would be overburdened.

S.C.—Petitions for candidates for offices to be started immediately and petitions are to be handed in to the core class rep. by Monday, March 1 by 5:00 P.M. The Rep. Present at the meeting to organize an all-Poston Schools softball league were four representatives from Unit II, four from Unit III, namely Nobuo Honda, Leo Minami, Jiro Kodama, and Tots Ishida, and also Mr. DeSilva, head of the Physical Education Department for boys in Poston. Unit I failed to be represented.

Harry Menda, athletic manager of Poston II High School, acted as chairman of the meeting.

"A" and "B" leagues were suggested with athletes being classified as to ability. A "C" league was also brought up but the idea of having too many leagues would probably run into transportation difficulties therefore the probability of having a "C" league is very vague.

All students participating in this league must be bonifide high school students. Post graduate students are ineligible for participation.

Suggestions for names for the league were PISL (Poston Interscholastic Softball League) and PIAL (Poston Interscholastic Athletic League).

Dates for the games would be on week days, sometime in the afternoon because school time cannot be utilized for athletic contests and also because trucks would not be available after supper.

Mr. DESilva then brought up the fact that WRA had recently passed a new ruling stating that no more trucks should be used for athletics, socials, and recreational gatherings, but how much effect this would have on the formation of this league he did not know. He added that transportation was the greatest drawback to the development of this softball circuit.

Rules and regulations to be followed are those in the National Softball Rulebook, with the exception of the 10 men team. The team, instead of 10 men, will consist of 9 men to liven up the sport.

The length of a game is to be 7 innings with no tie games except when circumstances prevent further playing.

Only softball spikes are to be used.

A softball squad will be limited to 15 players.

The home team will be required to furnish the softballs.

No school students are to be used as umpires.

A copy of the minutes of this meeting will be sent to Camp I for its approval. In case Unit I fails to enter the league, both A and B teams of Unit II and III would engage in a 4 out of 7 series.

The initial inter-school game in Poston has been tentatively set for April 30th in Unit II between Camps II and III.
