You are hereby notified that, pursuant to Section 401(i) of the Nationality Act of 1940, as Amended, and the regulations issued pursuant thereto, your renunciation of United States nationality has been approved by the Attorney General as not contrary to the interests of national defense. Attorney General

Dear Sir:

This is an earnest request on my part to have you reconsider my case in regards to renunciation of citizenship. At the time I renounced I was 19 years of age and my parents had decided to return to Japan to make a living as everything we had, had been wiped out due to the evacuation orders. There was nothing I could do except to accompany my parents wherever they wished to go, as we have no relatives in the U.S. that I could have gone to. During the time renunciation was taking place people encouraged me to renounce, saying that if I had my U.S. citizenship I would remain in the U.S. while my parents were repatriated to Japan, thereby causing a separation in our family ties. So not wishing this to happen I hesitantly took this action in spite of the fact that I thought it was drastic.

My parents are aliens and have never had a right to U.S. citizenship because of a certain law passed some years ago.

Checking with the authorities here I was informed that my parents are on the Free list.

As this is the case and because of the fact that they are from Tagoshima - ten near Kanaga Air port where everything tangible was blasted from the earth, my parents believe that there would be no place to go and whether our relatives are dead or alive is another question. Due to these facts, my father & mother are now anticipating to go outside and start all over again.

When I am confronted with this, I too wish to go wherever my parents go. I am now on the Immigration Stop list because I renounced. I however wish to make an earnest request to have you review my case once again. as I wish to ~~be~~ be paralled out from this camp,

when my parents decide to go. I have
lived all my life in U.S and have
never ~~made~~ made a trip to Japan

Sincerely,

Hisako Arimura

(Mr. Ennis)

Dear Sir:

I am writing to you again, to plead for your mercy. As I have already written you before, I am a renouncee, which I regret with all my heart.

I was young in my sense of reasoning and lost control. I was driven in to take such an action, because of the rumors and the atmosphere of this center, at that time. It was like an epidemic, that swept over me, which made me move automatically in taking such a step. Today I realize, I have lost the most precious things I owned and feel the pain of my drastic mistake.

My parents are planning to relocate and I wish to go together with them. I have never been to Japan before and it is a strange country to me.

As I understand, my parents' birthplace

"Kagoshima-ken" was quite damaged by this war, which is one reason, that made my parents to refrain from returning to Japan.

I do not wish to go in a strange war-torn country all by myself.

I am pleading, for your mercy. Please parole me, from deportation and permit me to relocate together with my family.

Would you please, give your kindness consideration to my case and please hear my plea.

Sincerely

Hiako Arimura

(Name)

HONORABLE TOM CLARK,
Attorney General of the United States,
Department of Justice Building,
Washington, D. C.

Dear Sir:

On or about Jan 8, 1945, I signed an application for renunciation of U. S. Nationality at the Tule Lake Center, Newell, Modoc County, California.

I hereby repudiate, withdraw, retract and revoke the said renunciation upon the following grounds and for the following reasons:

(1) The circumstances under which said renunciation form was signed by me did not constitute a fair and impartial hearing and was a denial of my constitutional guaranty of due process of law and of the equal protection of the laws;

(2) I was not a free agent at the time when and the place where said renunciation form was signed but then and there was held in duress and was the victim of fraud, menace, undue influence and mistake of fact and law;

(3) I then and there was and for a period of time prior thereto had been detained in said Tule Lake Center by official authority and was deprived of substantially all my constitutional rights, liberties, privileges and immunities as an American citizen and was treated as though I were an alien enemy and thus was discriminated against solely by reason of the Japanese nationality of my ancestors;

(4) I was intimidated, coerced and compelled to sign said renunciation form by reason of the duress in which I was held by the government and the duress, fraud, menace and undue influence of groups and individuals within said Center, against which the government failed to protect me.

Because of the foregoing reasons the said renunciation was fictitious and is invalid and void.

I am not a citizen or subject of Japan and I do not and never have owed or given that country or nation any allegiance. I am not an alien enemy. I am a native American by birth and by choice. I have no dual citizenship through any act or acceptance upon my individual part.

I demand that you withdraw and set aside the said renunciation form, and the approval thereof if any approval thereof was given.

I am ready and willing to have this matter re-opened and a hearing be granted me in order to prove the said renunciation application was executed under the circumstances above-mentioned when I was not a free agent in any sense of the word but was acting under duress, menace, fraud, undue influence and mistake of fact and law.

I respectfully request your immediate consideration of this urgent matter.

Very truly yours,

Hisako Arimura
