FORM LETTERS ... ATTORNEY GENERAL

C

Tule Lake Center,
 Howell, Modoc County, Calif.
 February _____, 1946

HON. TOM CLARK,

Attorney General of the United States,
 Department of Justice Building,
 Washington, D.C.

Dear Mr. Attorney General:

Without waiving any of my constitutional and legal rights asserted by me in Actions Nos. 25294 to 25297, inclusive, now pending in the U.S. District Court for the Northern District of California, at San Francisco, California, and without this request in anywise operating as a bar to said or any actions or as a waiver thereof, I hereby request that the mitigation hearing or examination heretofore given me at the Tule Lake Center to show cause why I should not be deported to Japan by you be re-opened for the introduction of further evidence or that a re-examination or new examination be given me thereon for the following reasons and upon the following grounds:

1. I was not allowed to be represented at said mitigation hearing by counsel of my own choosing or by any counsel whatever;

2. I was given neither the time nor the opportunity to obtain witnesses to appear at said hearing and to testify on my behalf;

3. I was not given time or the opportunity to obtain evidence on my behalf or to submit the same to the hearing officer at said hearing and I was not allowed to subpoena witnesses to appear and testify on my behalf but was arbitrarily summoned to said hearing or examination without any reasonable period of time or any time whatever having been allowed me to prepare for the same;

4. The hearing officer's recommendation made at said examination and the refusal to release me from detention and to restore me to civilian life in this country was based either in whole or in part upon secret data kept in dossiers and files in the possession of the hearing officer and authorities which was not made known to me or exhibited to me but was kept secret from me;

5. The said examination or hearing was arbitrary, unreasonable and oppressive in its brevity, in the manner in which it was conducted and in the circumstances under which it was held;

6. The said examination was not under oath and no witnesses were sworn, and no witnesses appeared and testified against me;

7. The said examination was neither full, complete nor adequate and was neither fair nor impartial; I was given neither the time nor the opportunity to answer any unjust charges that may have been entertained against me and, in fact, there neither then nor now exists nor was there introduced at said hearing any competent evidence whatever upon which an unfavorable recommendation ought to have been made against me or upon which a refusal to release me from detention properly and legally could be based.

For the foregoing reasons and grounds I request that the said examination or hearing be re-opened for the introduction of additional evidence or that a re-hearing or new hearing or examination be given me.

Very truly yours,

Attorney General of the United States,

Dear Mr. Attorney General:

Without waiving any of my constitutional and legal rights asserted by me in Actions Nos. 25294 to 25297, inclusive, now pending in the U.S. District Court for the Northern District of California, at San Francisco, California, and without this request in anywise operating as a bar to said or any actions or as a waiver thereof, I hereby request that the mitigation hearing or examination heretofore given me at the Tule Lake Center to show cause why I should not be deported to Japan by you be re-opened for the introduction of further evidence or that a re-examination or new examination be given me thereon for the following reasons and upon the following grounds:

1. I was not allowed to be represented at said mitigation hearing by counsel of my own choosing or by any counsel whatever;

2. I was given neither the time nor the opportunity to obtain witnesses to appear at said hearing and to testify on my behalf;

3. I was not given time or the opportunity to obtain evidence on my behalf or to submit the same to the hearing officer at said hearing and I was not allowed to subpoena witnesses to appear and testify on my behalf but was arbitrarily summoned to said hearing or examination without any reasonable period of time or any time whatever having been allowed me to prepare for the same;

4. The hearing officer's recommendation made at said examination and the refusal to release me from detention and to restore me to civilian life in this country was based either in whole or in part upon secret data kept in dossiers and files in the possession of the hearing officer and authorities which was not made known to me or exhibited to me but was kept secret from me;

5. The said examination or hearing was arbitrary, unreasonable and oppressive in its brevity, in the manner in which it was conducted and in the circumstances under which it was held;

6. The said examination was not under oath and no witnesses were sworn, and no witnesses appeared and testified against me;

7. The said examination was neither full, complete nor adequate and was neither fair nor impartial; I was given neither the time nor the opportunity to answer any unjust charges that may have been entertained against me and, in fact, there neither then nor now exists nor was there introduced at said hearing any competent evidence whatever upon which an unfavorable recommendation ought to have been made against me or upon which a refusal to release me from detention properly and legally could be based.

For the foregoing reasons and grounds I request that the said examination or hearing be re-opened for the introduction of additional evidence or that a re-hearing or new hearing or examination be given me.

HON. TOM CLARK,

Attorney General of the United States,
Department of Justice Building,
Washington, D.C.

Dear Mr. Attorney General:

Without waiving any of my constitutional and legal rights asserted by me in Actions Nos. 25294 to 25297, inclusive, now pending in the U.S. District Court for the Northern District of California, at San Francisco, California, and without this request in anywise operating as a bar to said or any actions or as a waiver thereof, I hereby request that the mitigation hearing or examination heretofore given me at the Tule Lake Center to show cause why I should not be deported to Japan by you be re-opened for the introduction of further evidence or that a re-examination or new examination be given me thereon for the following reasons and upon the following grounds:

1. I was not allowed to be represented at said mitigation hearing by counsel of my own choosing or by any counsel whatever;

2. I was given neither the time nor the opportunity to obtain witnesses to appear at said hearing and to testify on my behalf;

3. I was not given time or the opportunity to obtain evidence on my behalf or to submit the same to the hearing officer at said hearing and I was not allowed to subpoena witnesses to appear and testify on my behalf but was arbitrarily summoned to said hearing or examination without any reasonable period of time or any time whatever having been allowed me to prepare for the same;

4. The hearing officer's recommendation made at said examination and the refusal to release me from detention and to restore me to civilian life in this country was based either in whole or in part upon secret data kept in dossiers and files in the possession of the hearing officer and authorities which was not made known to me or exhibited to me but was kept secret from me;

5. The said examination or hearing was arbitrary, unreasonable and oppressive in its brevity, in the manner in which it was conducted and in the circumstances under which it was held;

6. The said examination was not under oath and no witnesses were sworn, and no witnesses appeared and testified against me;

7. The said examination was neither full, complete nor adequate and was neither fair nor impartial; I was given neither the time nor the opportunity to answer any unjust charges that may have been entertained against me and, in fact, there neither then nor now exists nor was there introduced at said hearing any competent evidence whatever upon which an unfavorable recommendation ought to have been made against me or upon which a refusal to release me from detention properly and legally could be based.

For the foregoing reasons and grounds I request that the said examination or hearing be re-opened for the introduction of additional evidence or that a re-hearing or new hearing or examination be given me.

Very truly yours,

HON. TOM CLARK,

Attorney General of the United States,
Department of Justice Building,
Washington, D.C.

Dear Mr. Attorney General:

Without waiving any of my constitutional and legal rights asserted by me in Actions Nos. 25294 to 25297, inclusive, now pending in the U.S. District Court for the Northern District of California, at San Francisco, California, and without this request in anywise operating as a bar to said or any actions or as a waiver thereof, I hereby request that the mitigation hearing or examination heretofore given me at the Tule Lake Center to show cause why I should not be deported to Japan by you be re-opened for the introduction of further evidence or that a re-examination or new examination be given me thereon for the following reasons and upon the following grounds:

1. I was not allowed to be represented at said mitigation hearing by counsel of my own choosing or by any counsel whatever;

2. I was given neither the time nor the opportunity to obtain witnesses to appear at said hearing and to testify on my behalf;

3. I was not given time or the opportunity to obtain evidence on my behalf or to submit the same to the hearing officer at said hearing and I was not allowed to subpoena witnesses to appear and testify on my behalf but was arbitrarily summoned to said hearing or examination without any reasonable period of time or any time whatever having been allowed me to prepare for the same;

4. The hearing officer's recommendation made at said examination and the refusal to release me from detention and to restore me to civilian life in this country was based either in whole or in part upon secret data kept in dossiers and files in the possession of the hearing officer and authorities which was not made known to me or exhibited to me but was kept secret from me;

5. The said examination or hearing was arbitrary, unreasonable and oppressive in its brevity, in the manner in which it was conducted and in the circumstances under which it was held;

6. The said examination was not under oath and no witnesses were sworn, and no witnesses appeared and testified against me;

7. The said examination was neither full, complete nor adequate and was neither fair nor impartial; I was given neither the time nor the opportunity to answer any unjust charges that may have been entertained against me and, in fact, there neither then nor now exists nor was there introduced at said hearing any competent evidence whatever upon which an unfavorable recommendation ought to have been made against me or upon which a refusal to release me from detention properly and legally could be based.

For the foregoing reasons and grounds I request that the said examination or hearing be re-opened for the introduction of additional evidence or that a re-hearing or new hearing or examination be given me.

HON. TOM CLARK;

Attorney General of the United States,
Department of Justice Building,
Washington, D.C.

Dear Mr. Attorney General:

Without waiving any of my constitutional and legal rights asserted by me in Actions Nos. 25294 to 25297, inclusive, now pending in the U.S. District Court for the Northern District of California, at San Francisco, California, and without this request in anywise operating as a bar to said or any actions or as a waiver thereof, I hereby request that the mitigation hearing or examination heretofore given me at the Tule Lake Center to show cause why I should not be deported to Japan by you be re-opened for the introduction of further evidence or that a re-examination or new examination be given me thereon for the following reasons and upon the following grounds:

1. I was not allowed to be represented at said mitigation hearing by counsel of my own choosing or by any counsel whatever;

2. I was given neither the time nor the opportunity to obtain witnesses to appear at said hearing and to testify on my behalf;

3. I was not given time or the opportunity to obtain evidence on my behalf or to submit the same to the hearing officer at said hearing and I was not allowed to subpoena witnesses to appear and testify on my behalf but was arbitrarily summoned to said hearing or examination without any reasonable period of time or any time whatever having been allowed me to prepare for the same;

4. The hearing officer's recommendation made at said examination and the refusal to release me from detention and to restore me to civilian life in this country was based either in whole or in part upon secret data kept in dossiers and files in the possession of the hearing officer and authorities which was not made known to me or exhibited to me but was kept secret from me;

5. The said examination or hearing was arbitrary, unreasonable and oppressive in its brevity, in the manner in which it was conducted and in the circumstances under which it was held;

6. The said examination was not under oath and no witnesses were sworn, and no witnesses appeared and testified against me;

7. The said examination was neither full, complete nor adequate and was neither fair nor impartial; I was given neither the time nor the opportunity to answer any unjust charges that may have been entertained against me and, in fact, there neither then nor now exists nor was there introduced at said hearing any competent evidence whatever upon which an unfavorable recommendation ought to have been made against me or upon which a refusal to release me from detention properly and legally could be based.

For the foregoing reasons and grounds I request that the said examination or hearing be re-opened for the introduction of additional evidence or that a re-hearing or new hearing or examination be given me.

Very truly yours,

7. The said examination was neither full, complete nor adequate and was neither fair nor impartial: I was given neither the time nor the opportunity to answer any unjust charges that may have been brought against me or unjust suspicions that may have been entertained against me and, in fact, there neither then nor now exists nor was there introduced at said hearing any competent evidence whatever upon which an unfavorable recommendation ought to have been made against me or upon which a refusal to release me from detention properly and legally could be based.

For the foregoing reasons and grounds I request that the said examination or hearing be re-opened for the introduction of additional evidence or that a re-hearing or new hearing or examination be given me.

HON. E. A. CLARK,
Attorney General of the United States,
Department of Justice Building,
Washington, D.C.

Dear Mr. Attorney General:

Without waiving any of my constitutional and legal rights asserted by me in Actions Nos. 25294 to 25297, inclusive, now pending in the U.S. District Court for the Northern District of California, at San Francisco, California, and without this request in anywise operating as a bar to said or any actions or as a waiver thereof, I hereby request that the mitigation hearing or examination heretofore given me at the Tule Lake Center to show cause why I should not be deported to Japan by you be re-opened for the introduction of further evidence or that a re-examination or new examination be given me thereon for the following reasons and upon the following grounds:

1. I was not allowed to be represented at said mitigation hearing by counsel of my own choosing or by any counsel whatever;

2. I was given neither the time nor the opportunity to obtain witnesses to appear at said hearing and to testify on my behalf;

3. I was not given time or the opportunity to obtain evidence on my behalf or to submit the same to the hearing officer at said hearing and I was not allowed to subpoena witnesses to appear and testify on my behalf but was arbitrarily summoned to said hearing or examination without any reasonable period of time or any time whatever having been allowed me to prepare for the same;

4. The hearing officer's recommendation made at said examination and the refusal to release me from detention and to restore me to civilian life in this country was based either in whole or in part upon secret data kept in dossiers and files in the possession of the hearing officer and authorities which was not made known to me or exhibited to me but was kept secret from me;

5. The said examination or hearing was arbitrary, unreasonable and oppressive in its brevity, in the manner in which it was conducted and in the circumstances under which it was held;

6. The said examination was not under oath and no witnesses were sworn, and no witnesses appeared and testified against me;

7. The said examination was neither full, complete nor adequate and was neither fair nor impartial: I was given neither the time nor the opportunity to answer any unjust charges that may have been brought against me or unjust suspicions that may have been entertained against me and, in fact, there neither then nor now exists nor was there introduced at said hearing any competent evidence whatever upon which an unfavorable recommendation ought to have been made against me or upon which a refusal to release me from detention properly and legally could be based.

For the foregoing reasons and grounds I request that the said examination or hearing be re-opened for the introduction of additional evidence or that a re-hearing or new hearing or examination be given me.
