minutes of the *those present* *Members of the Council*
Community Council meeting *Friday, August 7, 1942*
9:00 a. m.

Block 28, mess hall
The meeting called to order by Chairman of the council, Dr. P. C. Ishimaru.
Roll call by secretary, Mrs. Tachibana.
Minutes were read and corrected. Hiroshi Amano/ chairman of Community & Enterprises Committee instead of Bill Kasuga.

Several announcements were made by the chairman.
Election in Camps Two and Three and blocks who did not vote at the last election will in newly settled blocks of Camp One will be held on September 1. A special election will be held in Block 4/42/54, as a result of a vacancy following the resignation of Harvey Suzuki, because of his heavy work in his project.

The chairman then mentioned that fact that at the first meeting, he requested a person to leave to the room because he was not a member of the council; that later he learned that that person had asked a councilman one of the permission to come to the meeting. The chairman stated that although these meetings are not public, if any councilman felt that the presence of a non-member was necessary, the councilman should notify the chairman before the meeting. Dr. Ishimaru pointed out that, of course, he would not let the visitor would have no voice.

Dr. Ishimaru suggested that various committees take down notes at these council meetings on subjects relating to their divisions.
Dr. Ishimaru announced that Com. Collier is visiting Camp and will address and deliver an address at a public meeting tomorrow night, August 8, at 8 o'clock on the roof of the Adobe Project.

Andrew Sugimoto/- his attention was called to the item in the Press Bulletin of August 2: "-----"
The cooling system at the present time in the wards and hospital are very poor. So long as we have 70 coolers here, it would be a good idea to make a recommendation to install several coolers in the hospital before installing of coolers in any other building. Mr. Sugimoto asked for ideas on the subject. Opened for discussion.

Mr. Sugimoto suggested well

Chairman: opened for discussion. It is up to the council to make recommendation. It has been brought to the attention of the council that a certain number of coolers have come are here. We should try to install them in places where they will do the most good, at least for the benefit of the patients who are in the hospitals. I shall take up upon myself to send in a memorandum to Mr. Head as a recommendation from the council.

Mr. H. B. 4
Hanamura, Harvey - 4 - would just like to add to Mr. Sugimoto's suggestion. As member of the Public Health Committee, ~~he has been continuing~~ ^{to} investigations and a report is almost through. One of the recommendations is that ~~they~~ additional air coolers be placed in the hospital. ~~As a member of the Public Health Committee, I heartily agree with him and would like to have the council act immediately to have the coolers placed in the hospital before it is placed anywhere else. There have been cases of dehydration; a few deaths have been caused due to it.~~ ^{As a member representing the Committee, I recommend that our Council pass such action.}

and

Saito, Frank - 27 21 - 17/1/44
~~I don't know what the~~ I would like to inject this suggestion that the coolers which came in are of the blower type and ~~in as much as that~~ ^{that} would cause great discomfort if not placed properly. ~~Therefore, with that in mind,~~ ^{my} suggestion is that the coolers be adequately placed in the hospital so that as much comfort can be enjoyed by the majority of the patients. ~~I notice that coolers have been installed in the personnel quarters and also in the mess halls, one on the back along the steps hall, as this must was their idea~~ ^{in placing the coolers so as to cool off the entire building. As you know the plaster boards is} ~~in placing the coolers so as to cool off the entire building. As you know the plaster boards is~~ ^{As the other gentlemen stated, I certainly back up every request to be made to adequately install those coolers. If we don't act first, they are going to go out to the other places.}

Hanamura ~~feels~~ should consider what kind of coolers are in use ~~because he was not a member of the committee~~. Chairman ~~asked for a motion to that effect.~~

Mr. Kuwahara, 39, ~~move~~ ^{that} the chairman be authorized to recommend to Mr. Head that the hospital be adequately equipped with coolers.

~~Moved and seconded~~ ^{was} Motion carried.

Chairman ~~announced~~ ^{that} an adult education meeting will be held next Monday night.

Council meeting with Mr. Head as guest ~~will be~~ ^{will be} held sometime next week. ~~It has been postponed because of intake.~~ ^{as it was}

Meeting ~~was~~ ^{was} turned over to Mr. Seiichi Nomura, chairman of the law and order committee.

We will devote the rest of the time to ~~the~~ ^{the} report of the law and order committee and go through the ordinances and ~~what not~~ ^{what} they have formulated in the past few days.

Mr. Seiichi Nomura was introduced.

Mr. Nomura ~~asked~~ ^{asked} should like to ask the ~~that~~ ^{that} a ~~committee~~ ^{committee} ~~assist~~ ^{assist} me in order that these codes be properly presented.

Mr. Nomura called upon Mr. Tamura of the legal department to read the code of offenses.

Good Dutchman
members of the
Council see that they have brought in three sheets
of different things. The titles of them are: 1. recommendations
of law and order committee. 2. recommendations of equipment for the
Police Department 3. Code of offenses
So far as Boston One is concerned, we have an organized
police force. As long as we are going to be responsible for
these recommendations, I want you people to keep your minds
wide awake. He then mentioned the importance of these
reports and requested the attention of all the members.

Mr. Nomura
called upon
I think first we should like to hear do here is to have the Chief of Police give us a little talk so that the council may be more acquainted with these recommendations, a background of the police dept.

K. Shige-kawa *Chief of Police* stated that he was appointed Chief of Police pro-tem. by Mr. Kimball on the 19th of May. The force was organized on the 195h. We only have 29 men and 2 women on the

The force is composed of only
force; 2 messenger boys, 1 chief, 2 capt. ains, 2 lieutenants, and 3 sergeants, in other words, a force of 26 men. *Have upon* contacted the forces in Santa Anita and have learned that *the Chief* they have 100 to 114 emen on their forces. With a population

of 9,000 some odd *people* people, *considering the* ~~what we look~~ / inadequate ~~and~~ *has* equipment and ~~with~~ men, and everything to be done *the police dept.* ~~to~~ have administered law and order in our community, our record is acceptable to anyone concerned. *after* ~~we~~ have turned in a few residents,

by the ~~we~~ have bluffed ~~our~~ way through without the proper tools, it comes down to a bed of rocks. *it's like kids playing* cops and robbers. *Even if we had a penal eos* ~~we~~ caught several men doing certain things, but all ~~we~~ *they* did could do was give them a good bawling out and let them go.

Chief Shige-kawa concluded his talk with a statement

A man is of no use without tools with which to work.
That is why ~~we~~ are asking for equipment. *I have ~~too~~ too* many men on my force right now if you consider it from the *equipment* angle. *I ~~am~~ am not going to increase the* force until *they* ~~we~~ have more equipment to work with are better equipped, *since ~~it~~ it will not* ~~as a member of the~~ ask one of *his* men to bring in a case of assault without proper equipment because he is endangering himself and ~~I~~ *don't* think it ~~is~~ *was* not fair that he should do this. *He believed the* ~~members of his men should endanger~~ himself.

Mr. Nomura read the items of equipment requested by the Chief of Police. - That is all the request from the chief of police. I want to take up the equipment at this time and see the opinion of the council.

Questions such as, what is the cost? where is the money coming from? were asked.

A suggestion was made. the Council should
We should contact the administration and the community enterprise and borrow some money from the community enterprise to be returned *through the* administration at the next appropriation. *That's* the easiest way and the fastest way. *if we go through the administration, it will be 3 or at least*

In addition to equipment,

Chairman - Number ~~in~~ ~~the~~ ~~force~~ ~~should~~ ~~be~~ ~~left~~ ~~to~~ ~~the~~ ~~commissioner~~ ~~of~~ ~~police~~ ~~and~~ ~~the~~ ~~chief~~ ~~of~~ ~~police.~~

~~It was suggested~~ ~~I~~ ~~wish~~ ~~that~~ ~~the~~ ~~chairman~~ ~~of~~ ~~the~~ ~~council~~ ~~request~~ ~~the~~ ~~community~~ ~~enterprise~~ ~~what~~ ~~they~~ ~~can~~ ~~do~~ ~~about~~ ~~these~~ ~~this.~~ ~~the~~ ~~raising~~ ~~loaning~~ ~~of~~ ~~funds.~~

~~I~~ ~~should~~ ~~like~~ ~~to~~ ~~refer~~ ~~to~~ ~~the~~ ~~equipment.~~ ~~Some~~ ~~of~~ ~~us~~ ~~in~~ ~~back~~ ~~did~~ ~~not~~ ~~quite~~ ~~understand~~ ~~but~~ ~~there~~ ~~seems~~ ~~to~~ ~~be~~ ~~a~~ ~~gun~~ ~~referred~~ ~~to.~~ ~~Is~~ ~~it~~ ~~a~~ ~~firing~~ ~~gun.~~

This was cleared up to mean a fire ~~an~~ ~~extinguisher~~ ~~gun.~~

~~A suggestion was made~~ ~~that~~ ~~service~~ ~~be~~ ~~added~~ ~~to~~ ~~the~~ ~~list~~ ~~was~~ ~~-----~~ ~~I~~ ~~should~~ ~~like~~ ~~to~~ ~~raise~~ ~~a~~ ~~question~~ ~~about~~ ~~communications.~~ ~~The~~ ~~fire~~ ~~department,~~ ~~I~~ ~~believe,~~ ~~has~~ ~~a~~ ~~telephone.~~ ~~The~~ ~~police~~ ~~department~~ ~~should~~ ~~also~~ ~~have~~ ~~telephones,~~ ~~as~~ ~~Radio~~ ~~patrols~~ ~~using~~ ~~telephones~~ ~~is~~ ~~a~~ ~~vital~~ ~~necessity.~~

Chairman ~~Johnson~~ ~~stated~~ ~~that~~ ~~request~~ ~~should~~ ~~be~~ ~~made.~~ ~~Means~~ ~~of~~ ~~transportation~~ ~~and~~ ~~communication~~ ~~should~~ ~~be~~ ~~increased~~ ~~and~~ ~~improved.~~

~~There is another problem; I don't think this~~ ~~matters~~ ~~with~~ ~~the~~ ~~council.~~ ~~The~~ ~~chief~~ ~~In~~ ~~case~~ ~~of~~ ~~any~~ ~~felonies,~~ ~~that~~ ~~we~~ ~~cannot~~ ~~try~~ ~~in~~ ~~our~~ ~~court~~ ~~here,~~ ~~we~~ ~~may~~ ~~have~~ ~~to~~ ~~turn~~ ~~them~~ ~~over~~ ~~to~~ ~~the~~ ~~federal~~ ~~authorities~~ ~~in~~ ~~the~~ ~~state,~~ ~~They~~ ~~can~~ ~~handle~~ ~~those~~ ~~prisoners.~~

 Whether he would be willing we
 wouldn't be sure of, but we can ask the Yuma officials to make
 these appointment. There are three deputy sheriffs in Parker,
 which is a much smaller place than Poston.

In regard to
 Mr. Nomura - In our recommendations, we missed transportation, *Mr. Nomura*

 Mr. Tamura - We know that in view of the fact that we want to
 be able to handle many serious crimes, we are not properly
 equipped. Furthermore serious offenses naturally fall
 within the jurisdiction of the federal and state authorities.
 We have ~~The law and order committee has~~ *The Law & Com. listed*
 We have tried to list ~~Certain~~ *minor* offenses which might
 occur in this community. ~~These sections we have taken from~~
 either the California penal code or the Arizona Code. ~~We~~

 sufficient to start out with. If the council feels that certai
 other offenses are prevalent, they can recommend that ordinances
 be passed to take care of such situations. We want to give, at
 first, with ~~h e~~ *the* assumption as the Chief of police said that
 most Japanese people are law-abiding, start out simply as possible

Tamura - read the code of offenses.

Gambling - a question was raised regarding the scope of
 gambling; whether a friendly game was considered a crime;
 and regarding the phrase, "permits anyone to play in his house."
 Whether such games are crimes will be left ~~to~~ *to the* police

Mr. Haas answered that

Tamura - You might also add that lot of the cases are too serious, ~~and the judge might feel doesn't want to handle it.~~ It is advisable to ~~put in~~ *insert* a provision that the project director shall have the power to determine whether the person shall be tried by the community court or whether he should be turned over to the state or federal authorities. the matter over to the juvenile officer and he will make investigation
and possibly work in connection with the social welfare department
in trying to make recommendations to the judge as to how those matters
will be handled. ~~Now~~ *shall* there is a question of whether you want the
juvenile ~~to~~ be 16 and under or 18 and under. - what ~~the~~ *shall be* age limit

are applicable to under 18 ages. We ~~could~~

~~We could put in a provision that anyone under 21 committing~~ *Mr. Yamamoto suggested*
a crime, the judge shall ~~use~~ *use* his discretion ~~of~~ whether ~~if~~
he is to be treated as an adult or a juvenile.

~~The judge immediately certifies to the juvenile court~~ *suggested* *follow*
~~where he acts as judge in juvenile court; he presides at the session and facts in~~ *in which*
his opinion according to the handle truly a juvenile matters. He makes his *followed*
suit accordingly. ~~On the other~~ *the* offender below the age limit, ~~and~~
minor and his nature is crime same as an adult. He certifies him just ~~like~~ *he*
he would an adult. In the meantime, the juvenile/who makes a thorough

investigation of the family background, environment ~~before they decide.~~ *As my* *believed* *what*
California law has proved to be a success, ~~the committee~~ *be recommended* that the law and order
committee be authorized to incorporate that code. ~~Necessarily~~ *It is* *that* we will have ~~3~~
a very efficient juvenile office ~~with administrative trained/office juvenile~~ *organizing*
workers, ~~because~~ *in my personal opinion,* juvenile delinquency ~~will~~
be a paramount question in this camp. ~~Basic~~ *and the procedure* procedure as laid down by the
California law would be easier to put into effect.

How does the council want to act on the law and order recommendations?
Law and order committee chair met with the project director and make that as law.

Forced labor of aliens and the forced labor of criminals was distinguished.

Following up the question re respect to vagrancy. I don't think we are
considering that question seriously enough. Every time it is brought up we are
byratched. We just determine whether we are going to have this thing or not.
I think it is very important that we discuss it, as it is a vital question.

Chairman: If I may suggest it might be instruct the law and order
committee ~~to make~~ *two announcements* ~~two announcements.~~ *One is Mr. Evans mentioned to me*
address by Commissioner will be at 8:30 instead of at 8.

Change of meeting place. Block 32 was suggested, but a Buddhist School is held there. *requested that* clerk to run the mimeograph machine attached to our dept. *was requested by Mr Y-* prepare more copies. *additional* law dept stenographers *were also by Mr Y-* We have only one boy who is overworked. It is about time we got some help.

adequate copies
Mr Kido - suggest that the penal code be mimeographed and distributed to the various camps, *as he believed* they would like to know what is being done. If not, the psychological reaction will be that after all the code was adopted here and imposed upon them. In Camp 2 they have Police and Mine Committees and they could read this code. If they take the favorable attitude, in camp two it will be made a general law. The same is true of camp 3.

31 Mr. Kurohara - *suggest* it isn't possible to have a meeting at 8 o'clock than then have the peace that we want with the trucks running around and hear people better and get settled down to business.

21 *was suggested by Mr K 39* *might be available was brought up by* *21* I think I will try to get a mess hall. We have an air *21* which will blow in either direction. If it is acceptable to the council, I will get the information to you today.

Sunday nite was suggested as the nite meeting *were necessary*

Chairman *agreed to a few nights* *the* *Mr Haas* *agreed to a couple of meetings based on this law and order subject.* *Mr Haas* *has been suggested for the law and order committee* *to have Mr. Ido, and Mr. Maeno from Camp Two and someone from Camp Three* *at the next meeting.*

Since the law and order codes must be mimeographed and the law and order committee must go over the penal code for corrections. *Chairman* suggested that Wednesday night would be more suitable than Sunday night.

Chairman *was delegated* *to contact Camp Three for representative Mr. Kido and Mr. Maeno to be present.* *for Wednesday night 21 mess hall 8:00 p.m.*

Mr. Haas mentioned that until the penal code is mimeographed, copies will be available for examination at his office.

Meeting adjourned at *10:50 a.m.*
