Reurtel 29 the employment quota determined for Manzanar is intended to include all evacuees employed on the project by WRA. It does not include employees of community enterprises paid by the cooperative. We have considered your suggestion for exempting certain categories but believe policy will not be workable unless applied uniformly to all units. Part time workers and others needed for temporary or exceptional demands can be provided for under ten percent overage clause. There is no intent to curtail project operations but only to secure greater efficiency and improved labor management. Every project unit should be allotted such workers as it needs but no more. Within next few days will send you schedules of suggested uniform job descriptions and detailed allocation of employees.

HOWEVER, P-2 RATING WOULD PROBABLY BE GRANTED BY CIVIL SERVICE AS IT WAS IN CASE OF ROBERTA SOLOMON AT TULE LAKE WITH EXACTLY SIMILAR QUALIFICATION. WE PREFER WORKER WITH EXPERIENCE BUT ALMOST IMPOSSIBLE TO SECURE MEDICAL SOCIAL WORKERS FOR TEMPORARY APPOINTMENTS NOW. HAVE NO OTHER PROSPECTS AT PRESENT. BELIEVE OKURA MIGHT DO ACCEPTABLE JOB IF SHE COULD HAVE TWO MONTHS WITH CRAM. APPRECIATE RECONSIDERATION AND DISCUSSION WITH NATIONAL CIVIL SERVICE.
