NOTICE OF APPROVAL OF RENUNCIATION OF UNITED STATES NATIONALITY

To: Tsuneko Tatsukawa
(Born October 14, 1915 at Oakland, Calif.)
5206-E
Tule Lake Center
Newell, California

You are hereby notified that, pursuant to Section 401(i) of the Nationality Act of 1940, as Amended, and the regulations issued pursuant thereto, your renunciation of United States nationality has been approved by the Attorney General as not contrary to the interests of national defense. Accordingly you are no longer a citizen of the United States of America nor are you entitled to any of the rights and privileges of such citizenship.

Date: March 22, 1945

Department of Justice

Dear Mr. Ennis:

I now understand that it was a great mistake to renounce my citizenship. Ever since I came to the United States, I had great intentions of staying in the United States in order to raise my two children, Florence 9, and James Z, in a democratic way of living. This I have tried to do in this camp by sending my two children to Caucasian schools, even though the people around me are against American education. I am planning to give them the best so that they can complete their education like any other American children who did not have to spend their grammar school days in a concentration camp.

ORDER

Due to the ~~order~~ evacuating all people of Japanese ancestry and spending these long years in camp with all kinds of rumors of what was going to happen inside this camp as well as on the outsides, I lost all sense of reality and signed for expatriation and also foolishly renounced my citizenship. I am regretting very much for what I have done so lightly and hastily. If I were on the outside, I am sure I would not have been influenced by rumors because I was living in a pleasant community. I have lived in both San Mateo and Palo Alto, California prior to evacuation.

My two married sisters have both relocated, one to Denver and the other to Ogden. I have a brother in this center, but he did not renounce his citizenship. Since my husband renounced, I felt that I will have to follow his steps. He has always been called a "Dog" by the majority of the block residents due to his Democratic ideas. For your information, a "Dog" is a Japanese slang word meaning informer or stool-pigeon.

I am afraid I shall go insane if I am compelled to continue more days in this unhappy environment. Will you please take steps to cancel our application for renunciation if at all possible. I honestly believe that it is very un-American to accept one's application for renunciation after placing a good law-abiding citizen into a wired fence by force, subjecting such citizens to all kinds of threats and rumors. Please understand the situation here and permit us to make up for our grave mistake.

Sincerely,

(Mrs.) Tsuneko Tatsukawa

Dear Mr. and Mrs. Tatsukawa:

I have for reply your letter of August 13, 1945.

With reference to your statement that you desire to withdraw your renunciation of United States nationality, you are advised that no such procedure is possible. Under the law, the Attorney General has no authority whatsoever to permit you to reconsider your action in renouncing United States nationality. Immediately upon the approval by the Attorney General of your renunciation, you ceased to be a United States national.

I regret the hardship to which you may now find yourselves exposed as a legal consequence of your renunciation. It was to prevent such hardship, wherever possible, that a hearing was required prior to the approval of any renunciation application.

Very truly yours,

Dear Mr. Ennis:

Thank you for reply to my previous letter. I am still hoping that you will understand my situation and cancel my renunciation application of my United States Citizenships.

I now understand that it is very difficult to obtain the citizenship of the United States. However I have found that renunciation of the citizenship was made a very simple process. I truly believe that the hearing which was given to me was not enough to find out my loyalty to the United States of America. No recognition was given to the circumstances described above which led to my regretted action.

I bought \$50.00 war bond #17075057E while I was residing at San Mateo and still have it in my possession. I think that it shows part of my loyalty to the United States of America. Don't you think that keeping the war bond instead of selling it long ago is loyalty to the United States?

Enclosed you will find a letter of reference to you, written by Bri. General Horney. It will show that I have not been unfaithful to the United States. I have lost my sense when the hearing was conducted due to pressure and rumours.

I sincerely desire to regain my citizenship, so, will you, please, understand my situation and reconsider my case, and also give me an opportunity to prove that I am not unfaithful to the United States.

I would like to go outside and start a normal, new, and decent life again. I also want my two children, 9 and 7 years old to have a good, democratic education outside. Therefore, if there is no way of cancelling the renunciation of the citizenship, please permit me to leave this center through parole.

Yours Sincerely,

Tsuneko Tatsukawa

Dear Mr. Ennis:

On August 30, 1945, we have written to you requesting that we be permitted to leave this Center through a parole procedure, but to this date we have not received any definite answer from your office.

We would like to know if you could reconsider our case, and permit us to leave this Center.

Enclosed you will find a letter of recommendation from Mrs Oliphant, our former employer, in San Mateo. Will you please give us some consideration on our case and allow us to relocate through parole procedure.

We shall appreciate your kind attention in giving us a response to our request.

Yours truly,

Dear Mr. Ennis:

I am writing you in regard to what I know of the character of John Ichiro Tatsukawa and Tsuneko, his wife, now at Tule Lake, W.R.A.

I have known them since about 1936, having been to their home on several occasions in San Mateo and having talked with two of their children, Florence and James.

John did garden work for me a different times during the year I know him. I found him always conscientious, honest and efficient. He worked hard, and long hours and saved enough money to purchase a lot in San Mateo for a future home.

At one time when we had heavy rains and I needed some special planting, John came in boots and worked through the mud and rain to insure my work being done.

His work was always a credit to our community, in other gardens as well as my own.

John took pride in his family and the schooling of his two children,

When the Japanese were at Tanforan Assembly Center I visited the Tatsukawas on numerous occasions. They conducted themselves in an obedient and orderly manner. I found that John had applied for work in the mess hall as he did not wish to be idle and was willing to co-operate in any available work at no matter what small pay.

When first at the Relocation Center, John wrote me - but until recently I had had no further word from him.

I firmly believe that should John Tatsukawa be allowed to withdraw his renunciation of American Citizenship - and to return to this community that he would continue to live, as he did before the war, a conscientious and hard working citizen.

I hope that any extenuating circumstances possible may be considered by the Department of Justice, in behalf of John Tatsukawa.

Respectfully yours

Dear Mrs. Tatsukawa:

I have for reply your letter of August 30, 1945, replying to mine of August 22, 1945. The letter you enclosed from Brigadier General Odus C. Horney will be made a part of your file and will be considered in the event your case is reexamined.

In my letter of August 22 I endeavored to make it as plain as I could that there is nothing which either I or any other official of this Government can do to help you under the existing law. It is not a matter of my discretion but, on the contrary, I am entirely powerless to take any step toward rectifying your mistake in renouncing your citizenship. The law permits any one who wishes to do so to appear before a Hearing Officer and to renounce his citizenship. If a citizen does appear before a Hearing Officer and does renounce his citizenship, with only one exception the renunciation is final. That one exception is that the Attorney General must approve the renunciation as not contrary to the interests of national defense.

Under the law, once the Attorney General approves the renunciation, loss of citizenship is complete. There is no power possessed by any government official to restore citizenship. Under the existing law citizenship could be regained only through naturalization and since, as a person of the Japanese race, you are not eligible for naturalization, I can perceive no way by which your citizenship can be regained.

Although I do not mean to debate with you the question of whether you were so confused that you did not know what you were doing, it is to be observed that you were given a hearing before a Hearing Officer who endeavored to make sure that you did know what you were doing and that you understood the meaning of renunciation.

With reference to your request for parole, I am sorry to say that no parole is being granted to renunciants of United States nationality at the present time. However, your letter will be made a part of your file for consideration in the event that case is reexamined at a later date.

In closing I can only say once again that if, as you state, you are now loyal to the United States and if you regret your renunciation, I too regret the tragic consequences of your earlier mistake. There is, however, nothing which I can do to relieve you of those consequences.

Sincerely yours,

/s/ Edward J. Ennis

HONORABLE TOM CLARK,
Attorney General of the United States
Department of Justice Building
Washington, D. C.

Dear Sir:

On February, 1945, I signed an application for renunciation of United States nationality form at the W.R.A. Segregation Center situated at Tule Lake, Modoc County, California at a perfunctory appearance before a government official, (and I have received a letter dated March 22, 1945 from Mr. Herbert Wechsler, Assistant Attorney General, approving the same.)

I hereby repudiate, withdraw, retract, and revoke the said renunciation upon the following grounds and for the following reasons:

- (1) The circumstances under which said renunciation form was signed by me did not constitute a fair and impartial hearing and was a denial of my constitutional guaranty of due process of law and of the equal protection of the laws;
- (2) I was not a free agent at the time when and the place where said renunciation form was signed but was then and there held in duress and was the victim of fraud, menace and undue influence and mistake of fact and law;
- (3) I then and there was and continuously from May 9, 1942, had been detained in the said W.R.A. Segregation Center by official authority and was deprived of substantially all my constitutional rights, liberties, privileges and immunities as an American citizen by birth and by choice and was thusly discriminated against solely by reason of the Japanese nationality of my ancestors;
- (4) I was intimidated and compelled to sign the said renunciation form by display of force and intimidations made by the Hoshi Dans (and members of my family), a pressure group of aliens in said camp, and by members thereof, and I was in constant fear, (as was my family) that said

threats would be carried into execution if I refused to sign it. I was acting under the menace and fraud of said group and its members and the undue influence exerted by them upon me and I signed said renunciation form under duress.

Because of the foregoing reasons the said renunciation (and approval thereof) were, and each of them is, invalid, null and void.

I am not a citizen or subject of Japan and I do not and never have owed or given that country or nation any allegiance. I am not an alien enemy. I am a native American by birth and also by choice. I recognize as my sovereign the United States of America and I give and ever have given the United States my undivided loyalty and allegiance. I have no dual citizenship through any act or acceptance upon my individual part.

Therefore I demand that you withdraw and set aside the said renunciation form which is repudiated, withdrawn and revoked by me, and what you recall, withdraw, cancel, and revoke your approval of said renunciation form.

I am ready and willing to have this matter re-opened and a hearing be granted to me in order to prove that said renunciation form was signed when I was not a free agent in any sense of the words but was acting under duress and under menace, fraud and undue influence and mistake of fact and law.

I respectfully request your immediate consideration of this urgent matter.

Very truly yours,

Tsuneko Tatsukawa

Dear Mrs. Tatsukawa:

Recently I sent you certain affidavit forms to be filled out in connection with administrative remedy in an attempt to recover your citizenship.

In the file of your husband I find letters which may assist you in preparing your affidavits. Copies of those letters to Edward J. Ennis are enclosed.

Very truly yours,

Dear Mrs. Tatsukawa:

In 1955 I sent you a "Personal Questionnaire" form and asked you to answer the questions in it to the best of your ability and then return it to me so that I could prepare an adequate affidavit for you and have it processed through the U.S. Attorney's office and the Justice Department in Washington, D.C.

If you will write your answers on the Questionnaire and return it to me promptly, I will prepare the affidavits for administrative processing.

The Justice Department has liberalized its policy toward renunciants provided their affidavits are prepared and processed before the end of 1957. You have an excellent chance of getting administrative clearance and, if so, a judgment will be entered in court cancelling your renunciation and it will declare that you ever have been and still are a native-born U. S. citizen.

Therefore, please answer the Questionnaire promptly and send it back to me in the enclosed envelope. If you have lost the questionnaire, notify me immediately and I shall send you another one.

Very truly yours,

Wm. Collins

Dear Mrs. Tatsukawa:

I am returning herewith the original and copy of the affidavit which I have prepared for you from your answers to my questionnaire. I would thank you to read the answers therein and if you find them to be true, you should take them to a notary public and there sign the original and swear to it. The notary public should stamp in the copy for you. Thereupon you should return the original to me promptly for processing to the Justice Department. You should keep the copy in your possession for future reference.

If you should make any additions or corrections in the affidavit, please inform me of the changes in a letter enclosing the affidavit and those changes will be made in the other copies sent to the Justice Department.

Very truly yours,

Dear Mrs. Tatsukawa:

The affidavit forms you recently returned to me have been examined and compared with the records in my office. The forms appeared to me to be in good order. In consequence, I have delivered them to the U.S. Attorney's office for processing through the Justice Department.

On February 21, 1957, Assistant U.S. Attorney General George C. Doub, assured me that the Department would view renunciants cases with more liberality in granting administrative clearance than heretofore.

Because a fairly large number of affidavits of other renunciants also are being processed it may take several months before a final decision in your case is made by the Justice Department.

Therefore, I suggest that you wait patiently for the decision in your case which I shall relay to you just as soon as I receive information from the Department.

If the Justice Department clears you by this administrative method a judgment cancelling your renunciation and declaring you to be a U.S. citizen will be entered in the mass suits.

If the Justice Department does not clear you by this administrative method, your case then can be set down for an individual court hearing.

Very truly yours,

Wayne M. Collins

Dear Mr. Schnacke:

This is in response to your letter of February 7, 1958

Dear Mr. and Mrs. Tatsukawa:

You have been successful in the administrative remedy pursued in your case. The Justice Department has reached the conclusion that you personally renounced citizenship "because of fear, coercion and duress". Therefore, it is willing to withdraw the offer of proof it made against you in the mass equity suits whereupon a judgment can be entered in your favor in the U.S. District Court cancelling your renunciation on the ground of duress and declaring you to be a citizen of the United States.

As soon as a large enough number of persons have been cleared administratively such a judgment will be entered for you. When the judgment is entered I shall let you know by letter and I shall send you a certified copy of the judgment. However, until you receive such a letter from me you should neither attempt to claim that you are a citizen nor attempt to exercise any of the rights that are peculiar and exclusive to citizens. It may take a month or so before the judgment is entered.

(B) Give reasons for becoming a member:

(C) State nature of your activity and offices you held:

(D) If you voluntarily discontinued membership in any of the aforementioned organizations, give approximate date and reasons for so doing:

6:

We applied for repatriation when we were in the Tule Lake Center and in August of 1945 we cancelled the request for repatriation. We applied because we wanted our family to stay together in the Center and we did not wish to be separated and couldn't think of relocating during the wartime with our children because we had no home to return to and no assets and because the camp people said we must do it for our own good and put pressure on us to apply.

7(A):

When we were in the Relocation Center at Topaz, Utah, I signed No to questions 27 and 28 because I had my children to take care of and I didn't wish to serve as a nurse or WAC and be separated from my young children and also because I didn't wish to be separated from my husband and also because we didn't wish to be sent out of camp with young children during the wartime because we wouldn't have a home or assets and people were hostile to Japanese. We wanted to stay together in camp during the war and be safe.

7(B):

I would have been willing to swear unqualified allegiance if we hadn't been forced to evacuate and lose almost everything. I would have been willing to do it in camp too if we wouldn't have been in danger of having to relocate outside during the wartime while people were hostile to us and provided the children and I wouldn't have to face separation from my husband. I was willing when the war ended and the hostility to Japanese died down and there was a chance given to us to be released from camp.

7(C):

I don't remember if I knew we would be sent to the Tule Lake Segregation Center. But I didn't wish to be separated from my husband and we were in no position financially to relocate and we were afraid to relocate with children during the wartime when people were hostile to Japanese. We wanted to stay together in the safety of a Center during the war.

9(A):

I think it was in December of 1944 or January of 1945. We were living in Block 5206-E in the Tule Lake Center. Our family was one of the two or three families in Block 52 who sent their children to the American School. The rest sent their children to the Hoshi Dan School in our block. Because we were not members of the Dan group and sent our children to the American School, the residents in the block made our lives very miserable. The children of the Hoshi Dan members threw rocks at our children and refused to play with them. The Issei in our Block refused to talk with us and to associate with us because we didn't join their group and they spoke badly about us, calling us names. My husband was called an inu by the residents all the time and the word "inu" means an informer or stool-pigeon and as persons called inu were always in danger of being

9(A) continued:

attacked we lived in fear all the time. Nearly all the neighbors in our block said we must renounce our citizenship because if we didn't do so we would be inu and they told us that we would be forced to leave the Center during the war and have to go out and try to live among Caucasians during the wartime and we would face hostility. We were afraid to be forced out of camp without a home to return to and without assets and we were afraid of the public's hostility to anyone who was Japanese. The pro-Japanese Hoshi Dan group put a lot of pressure on my husband to renounce and they treated us as outcasts and our children as outcasts and inu until we had to decide that we must renounce or be in for serious trouble from them on one side and be facing the danger of relocating on the other side. To avoid trouble from the pro-Japanese Hoshi-Dan group, to avoid being forced to relocate with small children and to avoid my husband and I being separated we had to renounce our citizenship as this was the only way we could live in safety and peace in the Tule Lake Center with our 3 children until the end of the war.

9(B):

I am not certain of just what I said to the officer but I feel certain that I did not tell about the pressure on us from the pro-Japanese Hoshi Dan residents in our block because if I had done so and word of it leaked out to the residents we would be in for serious trouble from them. Neither my husband nor I wished to renounce our citizenship but there was no way out for us to escape from the watchful eyes of the block residents and no way to make sure we wouldn't have to face relocating during the war except by renouncing.

(E) If you claim that your membership in any of the aforementioned organizations, your activities therein, or your acceptance of an office was due to misunderstanding of the purpose or nature of the organization, explain fully:

(F) If you at any time wished to discontinue membership, activity, or office and were prevented from so doing, explain fully:

9. (A) When did you decide to apply for forms upon which to renounce your United States citizenship?
Give reasons for so doing:

See attached sheet

(B) If reasons given in answer to preceding question differ from reasons given to officer who held renunciation hearing, give your explanation for difference:

See attached sheet

(C) If you claim that your renunciation was caused by fear, you should explain fully why such fear extended from the time of the application for renunciation papers until the date of actual renunciation:

Neither my husband nor I wanted to go to our hearings but there wasn't any way to avoid it as the residents pestered us until we had to do it. There was no way for us to live in peace and have any feeling of safety from mistreatment and could make sure we could stay together in the Center except by going to the hearings. We didn't wish to be treated as inu any longer and didn't wish to leave the Center during the war to face community hostility and discrimination and we were without a home to return to and without sufficient assets. Also I did not wish to be separated from my husband.

(D) If the fear did not extend from the date of application to the date of approval by the Attorney General, you should state whether you made any effort to withdraw your application, and if not, explain fully:

(E) If, after approval, you requested the Attorney General to withdraw his approval of your renunciation or to cancel your renunciation, give the reasons for the delay in making such request: I wrote to Mr. Ennis of the Justice Department on August 13, 1945, and so did my husband asking that our renunciations be cancelled. But Mr. Ennis wrote us on August 22, 1945, that no such procedure was possible.

(F) If there are any other facts which influenced your action in renouncing your United States citizenship, state fully below or on a separate sheet if necessary.

64. (a) In what Block did you live in the Tule Lake Center? 52
64. (b) When did you send a letter to the Attorney General or the Justice Department asking for forms upon which to renounce your citizenship?
64. (c) Where did you get the forms? Tule Lake When? _____
64. (d) In what Center were you at that time? Tule Lake Block _____
- Number: 52

(Note: On December 19, 1944, General Pratt removed the ban on the return of Japanese to the West Coast. On December 21, 1944, the Newell Star, the Tule Lake Center newspaper, announced that all the WRA camps would be closed in about one year. Notices of this also may have been posted in the block manager's offices, the mess halls and other places in camp.

Therefore, if you sent a letter to the Attorney General or the Justice Department before December 21, 1944, asking for forms upon which to renounce citizenship you probably were not then in fear of the camp being closed and of being forced to relocate in a hostile area without funds or a home to which you could go. If you sent such a letter between December 21, 1944 and January 29, 1945, you probably were in fear of being relocated in such circumstances. On January 29, 1945, the WRA announced that Tule Lake would be kept open and that there would not be any forced relocations. If you sent your letter after January 29, 1945, the Justice Department will be inclined to believe you were not then in actual fear of being forcibly relocated in a hostile area without funds or a home to which you could go unless you convince it that you did not believe the January 29, 1945, announcement that the Tule Lake Center would be kept open and that no one would be forced to relocate.)

66. Did you send it after the announcement of January 29, 1945, that the Tule Lake Center would be kept open? _____
- If you sent in your letter to the Justice Department after the WRA's announcement of January 29, 1945, that the Tule Lake Center would be kept open and that there would not be any forcible relocations you probably did not send that letter requesting forms upon which to renounce your citizenship by reason of fear that the Tule Lake Center would be closed and that you and your family would be forced to relocate and therefore, you should answer the following questions:
- (a) From what source did you learn about that announcement of January 29,

1945: In the Newell Star? _____; from a notice on a bulletin board? _____; from the Block Manager? _____; from what other persons? _____

(b) Did you believe the announcement? _____. If not, state why you did not believe the announcement. _____

67. If the announcement of December 21, 1944, that all Centers would be closed within a year and the announcement of January 29, 1945, that Tule Lake Center would be kept open and there would not be any forcible relocations did not have anything to do with your decision to renounce your citizenship did you send the letter to the Justice Department asking for forms upon which to renounce citizenship because of any of the following fears, namely: (a) fear of separation from alien members of your family, such as father? _____ mother? _____ father-in-law? _____ mother-in-law? _____ step-father? _____ step-mother? _____ other aliens? _____ who you believed were to be deported to Japan? _____; (b) fear of being separated from citizen members of your family, such as your wife? _____ husband? yes children? _____ who you believed would have to relocate in the U. 1, copy affidavit.

2. (A) ~~■~~ No.

4, Copy affidavit.

5. Gion ~~hanko~~ Jogako 1930 - 1934.

~~hmm~~

Usual grammar school subjects.

6. Yes.

~~hmm~~ We applied for repatriation when we were in the
and in
Tule Lake Center ~~hmm~~ August of 1945 we cancelled the
a request for repatriation. ~~hmm~~ We applied ~~hmm~~ because
we wanted our family to stay together in the Center and we
did not wish to be separated and couldn't think of relocating
during the wartime with our children because we had no home
to return to and no assets ~~and~~ because the camp people said
we must do it for our own good *and put pressure on us
to apply.*

7(A) Yes. ~~1943.~~

When we were in the Relocation Center at Topaz, Utah,
I signed No to questions 27 and 28 because ~~■~~ I had my children
to take care of and I didn't wish to serve as a Nurse or WAC
and be separated from my young children and also because ~~■~~
~~hmm~~

I didn't wish to be separated from my husband and also because
we didn't wish to be sent out of camp with ~~our family~~ of my young
~~hmm~~ young children during the wartime because we wouldn't
have a home or assets and people were hostile to Japanese.

We wanted to stay together in camp during the war and be safe.

7(B) Yes.

I would have been willing to swear unqualified allegiance
if we hadn't been forced to evacuate and lose almost everything.
I would have been willing to do it in camp too if we wouldn't

have been in danger of having to relocate outside during the wartime while people were hostile to us and provided the children and I wouldn't have to face separation from my husband. I was willing when the war ended and the hostility to Japanese ~~m7(2)x~~ died down and there was a chance given to us to be released from camp.

7(C) I don't remember if I knew we would be sent to the Tule Lake Segregation Center. But I didn't wish to be separated from my husband and we were in no position financially to relocate and we were afraid to relocate with children during the wartime when people were hostile to Japanese. We wanted to stay together in the safety of a Center during the war.

8(A) ~~B~~ No to all questions.

9(A) I think it was ~~mm~~ in December of 1944 of January of 1945.

We were living in Block ~~5206-B~~ 5206-E in the Tule Lake Center. Our family was one of the two or three families in Block 52 who sent their children to the American School. The rest sent their children to the Hoshi Dan school in our block. ~~and~~ Because we were not members of the Dan group and sent our children to the American School the residents in the block made our lives very miserable. The children of the Hoshi Dan members threw rocks at our children and refused to play with them. The Issei in our Block refused to talk with us and to associate with us because we didn't join their group and they spoke badly about us, calling us names. My husband was called an inu by the residents ~~all the time~~ all the time and the word "inu" means an informer or stool-pigeon and ~~as persons called inu were always in danger of~~ being attacked we lived in fear all the ~~time~~ time. Nearly all the neighbors in our block said we must renounce our citizenship because if we didn't do so we would be inu and ~~also~~ *told us* that we would be forced to leave the Center during the

war and have to go out and try to live among Caucasians during the wartime and we would face hostility. We were afraid to be forced out of camp without a home to return ~~home~~ to and without assets and we were afraid of the public's hostility to anyone who was Japanese. The pro-Japanese Hoshi Dan group put a lot of pressure on my husband to renounce and they treated us as outcasts and our children as outcasts and inu until we had to decide that we must renounce ~~be~~ be in for serious trouble from them on one side and be facing the danger of relocating on the other side. To avoid trouble from the pro-Japanese Hoshi-Dan group, to avoid being forced to relocate with small children and to avoid ~~being separated~~ my husband and I being separated we had to renounce our citizenship as this was the only way we could live in safety and peace in the Tule Lake Center ^{with our 3 children} until the end of the war.

9(B) I am ^{not} ~~uncertain~~ certain of just what I said to the officer but I feel ~~uncertain~~ that I did not tell about the pressure on us from the pro-Japanese Hoshi Dan residents in our block ~~as~~ because if I had done so and word of it leaked out to the residents we would be in for serious trouble from them. Neither my husband nor I wished to renounce our citizenship but there was no way out for us to escape from the watchful eyes of the block residents and no way to ~~make sure~~ make sure we wouldn't have to face relocating during the war except by renouncing.

9(C) "either my husband nor I wanted to go to our hearings but there wasn't any way to avoid it as the residents pestered us until we had to do it. There was no way for us to live in peace and have any feeling of safety from mistreatment and could make sure we could stay together in the Center except by going to the hearings. ~~and having~~ We didn't wish to be treated as inu any longer and didn't wish to leave the Center during

the war to face community hostility and discrimination and we were without a home to return to and without sufficient assets.

Also I did not wish to be separated from my husband.

9(E) I wrote to Mr. Ennis of the Justice Department ~~in~~
~~August 13, 1945~~ on August 13, 1945, and so did my husband asking that our renunciations be cancelled. But Mr. Ennis wrote us on August 22, 1945, that no such procedure was possible.
