1/ Includes a few qualified yes answers.

2/ These figures are obtained from tallies made in the Washington Office.

3/ Includes approximately 380 male citizens from Hawaii; a tally of 105 Hawaiians made in Washington indicated 33 yes answers (31.47%); if we estimate that the same percentage of the entire group answered yes, then approximately 250 of the non-affirmative and no reply responses are found in the small Hawaiian group of 380.

4/ Of this total, 1263 were tallied at the center and the results received in a letter; 147 were tallied in the Washington Office.

5/ This total was obtained from a report on the Tule Lake registration by John D. Cooke, Reports Officer.

- 1/ Estimated by multiplying col. 5 by 36.47% (36.47% = total child. under 17 repatriates ÷ total repatriates over 17)
- 2/ Taken from Jero repatriation report, May 22 - 280 persons answered non-affirmatively and didn't repatriate - hence 1227 - 280 = 947.
- 3/ Taken from registration tables - does not include male & female aliens.
- 4/ Actually 3058 refused to register; however, the 387 repatriates are in this group, hence 387 are deducted from 3058 leaving 2671 ref. to register.
