SENDA, I. (IWAKICHI?)

Rt. 2, Box 3074, Sacramento, California

Jerome Relocation Center

Letter from Artz and Cook, Realtors, Sacramento 7/20/43

Artz and Cook advise evacuee's property, which he used for growing strawberries, is now rented by a cattle man at \$26 per month for pasture purposes. Property required improvements. Cattleman interested in buying property.

5/11/44 Closed. Evacuee refused to take any action on his personal belongings.

Mr. Lowery suggests closing case.

SENDA I

Rt 2 Bx 3074

SENDA, I.

*Jerome Tule Lake (Segregation)*  
Letter to Project Director, Fresno, from Artz & Cook, Inc., July 21, 1943:  
"For your information this property has no income from growing crops as Senda operated the property for the growth of strawberries. Since the time of his evacuation the property has been used by a cattle man for pasture purpose at a rental of \$26.00 per month. Ladino clover should be planted to provide additional feed. This procedure would require levelling, planting and ditching at a considerable cost for the present tenant to stand as a renter. He is interested in purchasing the property and feels that unless arrangements are made so that he could buy the property he will have to vacate. In that event we would find it difficult, no doubt, to secure a like tenant. We believe it would be to the best interest of Senda that the property be sold. We might add that the property is encumbered in the amt. of \$1700."

Memo to Russell T. Robinson from C.W. Hatch, June 3, 1944: Since this case is a bit out of the ordinary we think you should be informed of the facts. On July 21, 1943, we received a copy of a letter addressed to the Project Dir. in the Fresno Assembly Center regarding Mr. Senda's property. His loan was in default and the realtors suggested selling the property which might have made it possible for the evacuee to pay off his loan and perhaps have some left over for his equity. We worked on this case and were notified on Aug. 25, 1943 that a Notice of Breach was filed covering the loan handled by the clients of Artz & Cook. The realtors stated that they did not have the evacuee's correct address and requested that we obtain it for them so that they could send the evacuee a copy of the Notice of Default. We never received any reply to our letters to Mr. Senda and the foreclosure was completed, leaving a balance for the evacuee. Artz & Cook sent a check to Mr. Senda and he sent it back to them with the following letter: "I am enclosing the check that you sent us. I have no reason for receiving this check. I do not understand the foreclosure on the property. Our agreement with you prior to evacuation was that you will take care of the property until such date that we can come back and continue our life there. In our agreement you stated that you will cover the tax and interest from the rent received. At the present time we cannot settle this, but well after the war. Yours, truly, I. Senda-T. Senda." There is no written agreement between the mortgager and mortgagee which Mr. Senda refers to. We received a copy of a letter from Artz & Cook which was sent Feb. 14, 1944 to Mr. Senda indicating that they had considerable personal property on the property which was foreclosed and suggested that it be put into Government storage for safe keeping. On Feb. 28, 1944, Artz & Cook contacted us stating that they had written to Mr. Senda asking that he take care of his personal property which was left on his ranch and asked that we contact him regarding it. We wrote to the project on Mr. 3 and Apr. 19 regarding this situation and again on May 3 we wrote to the project and informed them that unless we heard within the next 15 days, we would consider that Mr. Senda did not wish to have his personal property stored and would close the case. On May 8 we received a letter from J. Sheldon Lowery, Evacuee Property Officer at Tule Lake, stating that he had contacted Mr. Senda in regard to removing his personal property to Government storage and said that the evacuee would take no action in regard to it and said that he believed we should follow our suggestion of May 3 and close the case. On June 2, we received another letter from Artz & Cook stating that the people who had purchased Senda's property were in again and asked that it be removed from the premises. On June 3, we called Artz & Cook and notified them of Mr. Lowery's

SENDA, I.

memorandum of May 8 in which he stated Mr. Senda would do nothing about the property."

Letter from Edgar Bernhard to Mr. Harry Oakley, Oct. 10, 1944: "We believe the only phase of this matter which needs handling now is to confirm in writing to Senda that we have offered to pick up his personal property and remove it to a WRA warehouse and store it for him--all free of charge that he has refused to permit us to do; that his belongings may be put out on the street or otherwise badly dealt with, since we have no way of protecting them in view of his unwillingness to accept our assistance. Perhaps this has already been confirmed, as we are suggesting, but we wanted to make sure, since if any question is ever raised about the matter, WRA should be able to show written confirmation of its offer of assistance and Senda's refusal to accept it."

FARM TAKEN OVER BY: Lester Foster

LEGAL DOCUMENTS INVOLVED:

INFORMATION:

Arranged for definite purchase at a price of \$900.00. On examination for unrecorded title 7 different old liens were found listed against property when owned by Nathaniel Robbins. As this place was advertised for 2 weeks when purchased by Hini Ko Sigimura, these old liens probably are cleaned up but not recorded.

SUGIMURA HIMEKO (Miss)

Yuba City, Calif.

Colorado River 46-52D

4/7/43 7/1/43 Letter from Property Attorney

Farm Security Administration, Yuba City, has mortgage lien on evacuee's property which she wishes to have partially released in order to clear title to property which she has sold. Asks appraisal value of property.

F.S.A. appraisal sent to evacuee.

SUGIMURA, HIMEKO (MISS) #27875  
Sacto. 512 Q Street  
Colo. River Rel. Project

✓ (S-FRB 560)

Memo to Wade Head from R.T. Robinson, Evacuee Property Division: Nov 13 '42: "Thomas Masuda, of Law Dep't Div. 1, Poston, in behalf of Miss Himeko Sugimura request assistance in clearing title of 2 lots sold by her to Lester....indicated title to this property is subject to many defects. Possible some defects can be cleared thru efforts of our field man, but several requirements can be satisfied thru a lawyer...proceedings in bankruptcy & an action to foreclose a lien will have to be dismissed & releases of mortgages & affidavits will have to be drafted. Appears improbable that title could be cleared without resort to a suit to quiet title...this requires a lawyer. As field agent of WCCA suggested, Miss Sugimura could hire a local Att'y for assistance. in order to have her interests best served. ~~Documents from Masuda are returned herewith~~, Documents from Masuda are returned herewith"

Letter to Miss Himeko Sugimura from John Keating, Sutter Co Title Co, Yuba City, Calif. 10/17/42: "It appears that Hewitt nor ourselves will be able to clear up this matter concerning your property title. Several mos after you left an att'y wrote Hewitt saying he didn't think it was the Robbins place to do anything in the matter, that they had no interest in property by reason of sale to the Reclamation District & Bankruptcy proceedings which Robbins filed. They finally agreed to give a Quit Claim Deed to property but Hewitt hasn't received same. We found that Bankruptcy proceedings could be disregarded. The Yuba Resettlement Administration Office said it would be impossible for them to give a release of real property mortgage until such time as total am't due them from the Robbins has been paid. Robbins have paid this...am't due them is greater than am't for which you're selling property...We can do nothing further...advisable for you to take matter up with Legal Dep't & U.S. Dep't of Agric. If Robbins will give a Quit Claim Deed according to their agreement & the U.S. Dep't of Agric. can get release of the 2 mortgages..then close transaction Exceptions 5, 6 & 7 in our report can be taken care of. The address of N. Robbins is 321 Victoria Drive, Modesto, Calif. His Att'y is H.L. Chamberlain, Black Building, Modesto, Calif."

Letter to WRA Colo. River from Oliver Duval, Co. Supervisor, Mar 27 '43: We've found that Miss Sugimura took this place in a deal from Robbins or Robbins' minor children without considering the lien held by U.S. Gov't against property. 2 ways lien can be removed are the receipt by the Gov't of money in am't of approx \$1500, the am't of lien or the receipt of money by the Gov't covering appraisal value of property set by our District Supervisor."

Letter to Resettlement Administration from Thos. Masuda, Poston. Mar 24, '43: "Lots 62 & 63 of Rio Oso Townsite & Garden Farms as said lots are laid down & delineated on the map of the Rio Oso Townsite & Garden Farms, of record in the office of the Co Recorder of Suter Co. Will you administration give Miss Sugimura a partial release releasing only the above described real property from your mortgage so that the proposed sale made by Miss Sugimura can be consummated. this time please reply."

Memo to Wade Head from C.W. Hatch, Evac Prop Sup. Apr 15 '43: "FSA told us recently that their district supervisor will make an appraisal of this property on apr 18 & the only way of clearing title will be to pay the FSA the am't of this appraisal. We'll transmit info to you as soon as we get it"

Letter to WRA S.F. from O.J. Duval, Yuba City, June 7, 1943: "My District Supervisor stated it was necessary to locate Mr. Robbins. We've secured his address as 321 Victoria Drive, Modesto & told him that we can recommend a release of our mortgages on condition the Gov't receive \$900

SUYENAGA SHIGEICHI FRANK

\$100 paid in rent on 12-41; second \$100 due 7-1-42 . Suyenaga subleased to Ray Murray, Yuba City, for \$100 cash collected (4-42) with \$300 due (4-25-42) Murray agreed to operate on advice of Brewer. Suyenaga agreed to continue operations ( for wages 40¢ an hour), & did for 6 days, but Murray notified Suyenaga that he did not intend to put any more money in farm. Suyenaga notified FSA, and he was advised that collection of wages ( 6 days for 3 persons) was not under their jurisdiction. Anderson informed Suyenaga by letter that deal was closed as far as they are concerned, agreed however to act as "middle man if court trial". Murray paid Bill Fuchigami ( laborer), his money for 6 days, but refused to pay wages of ~~XX~~ SUYENAGA and GEORGE SHINGO ( silent partner). Suyenaga went to work for Kenneth Berg and 16 acres of onions are probably beyond saving as weeds are much higher ~~th~~ than onions.

FSA feels SUYENAGA misrepresented place, got \$100 and \$29 labor, should be satisfied . Weather conditions perhaps, lots of rain caused weeds to grow- in that case burden on lessee. Will try to settle labor claim- may sue for \$300 from Murray on percentage basis.

Case handled by Brewer.
