Dear Mr. Takanori:

I have for reply your letter of August 27, 1945.

With reference to your statement that you desire to withdraw your renunciation of United States nationality, you are advised that no such procedure is possible. Under the law, neither the Attorney General nor any other official of this Government has any authority whatsoever to permit you to reconsider your action in renouncing United States nationality. Immediately upon the approval of your renunciation by the Attorney General you ceased to be a United States national.

I regret the hardship to which you may now find yourself exposed as a legal consequence of your renunciation. It was to prevent such hardship, wherever possible, that a hearing was required prior to the approval of any renunciation application.

Sincerely,

Edward J. Ennis
Director, Alien Enemy Control Unit

NOTICE OF APPROVAL OF RENUNCIATION OF UNITED STATES NATIONALITY

To: Takemori Thomas Amemiya
(born August 17, 1920, Gardener, California)
6917-F
Tule Lake Center
Newell, California

You are hereby notified that, pursuant to Section 401(i) of the Nationality Act of 1940, as Amended, and the regulations issued pursuant thereto, your renunciation of United States nationality has been approved by the Attorney General as not contrary to the interests of national defense. Accordingly you are no longer a citizen of the United States of America nor are you entitled to any of the rights and privileges of such citizenship.

Date: April 17, 1945

Assistant Attorney General

October 24, 1945

HONORABLE TOM C. CLARK
Attorney General of the United States
Department of Justice Building
Washington, D.C.

Sir:

On about March, 1945, I signed an application for renunciation of United States nationality form at the WRA Segregation Center situated at Tule Lake, Modoc County, California, at a perfunctory appearance before a government official, and I have received a letter dated April 17, 1945 from Mr. Herbert Wechsler, Assistant Attorney General, approving the same.

I hereby repudiate, withdraw, retract, and revoke the said renunciation upon the following grounds and for the following reasons:

- (1) The circumstances under which said renunciation form was signed by me did not constitute a fair and impartial hearing and was a denial of my constitutional guaranty of due process of law and of the equal protection of the laws;
- (2) I was not a free agent at the time when and the place where said renunciation form was signed but was then and there held in duress and was the victim of fraud, menace and undue influence and mistake of law;
- (3) I then and there was and continuously from April 29, 1942 had been detained in the said WRA Segregation Center by official authority and was deprived of substantially all my constitutional rights, liberties, privileges and immunities as an American citizen by birth and by choice and was thusly discriminated against solely by reason of the Japanese nationality of my ancestors;
- (4) I was intimidated, coerced, and compelled to sign the said renunciation form by threats of physical violence to myself made by a pressure group in said camp, and by members thereof, and I was in constant fear, that said threats would be carried into execution if I refused to sign it. I was acting under the menace and fraud of said group and its members and the undue influence exerted by them upon me and I signed said renunciation form under duress.

Because of the foregoing reasons the said renunciation and approval thereof were, and each of them is, invalid, null and void.

I am not a citizen or subject of Japan and I do not and never have owed or given that country or nation any allegiance. I am not an alien enemy. I am a native American by birth and also by choice. I recognize as my sovereign the United States of America and I give and ever have given the United States my undivided loyalty and allegiance. I have no dual citizenship through any act or acceptance upon my individual part.

Therefore I demand that you withdraw, recall, cancel, and refoke your approval of said renunciation form.

I am ready and willing to have this matter re-opened and a hearing be granted to me inorder to prove that said renunciation form was signed when I was not a free agent in any sense of the words but was acting under duress and under menace, fraud and undue influence and mistake of law.

I respectfully request your immediate consideration of this urgent matter.

Very truly yours,

Dear Mr. Amemiya:

In reply to your letter of December 19th, the Tule Lake Defense Committee which represents the interests of the renunciant-plaintiffs in the mass class suits has been reluctant to assist those who have not cooperated with the Committee by arranging to make their contributions, as fixed by the Committee, to the defense fund to defray the costs, expenses and attorney fees involved in the lawsuits.

I suggest you immediately begin making your contributions made payable in my name. In due course the certified copy of the judgment declaring you to be a U.S. citizen will be sent to you.
