Dear Mrs. Kingman:

I have glanced over the articles of incorporation and by-laws of the Committee on American Principles and Fair Play, and as far as I can see, our Los Angeles group comes under Article XVII, where the Board of Directors is given the power to appoint such committees as in its judgment may be necessary or convenient to handle and dispose of various matters as they arise, and may delegate to and confer upon such committees such powers as the Board of Directors shall deem proper.

So that we may be sure that we are not getting out of step down here, I would appreciate receiving from you a certified copy of the resolution setting up the Los Angeles Committee and designating its powers.

With kindest regards,

Sincerely yours,

Howe C. Crutcher

Dear Ruth:

Just a note to say that I am finally all right but still getting very tired. Regardless of all our trouble I have had been going full steam ahead. But because I am still so tired, I have gotten several days behind in my work, hence the late reports.

I am enclosing the monthly and bi-weekly reports and also some money. ^{OK} Fifty dollars from P. G. McDonnell and ^{OK} two dollars from a Mrs. Ferris. This with the twenty-five dollars of Mr. Irving Walkers that you took back with you, should bring our balance to \$617.00. Will you please check on this and let me know if it is accurate?

Also I have written two checks, one for \$20 for the rental of Friday Morning Club, and another for Clipping service. These expenses will come above out regular \$25 a month allowance for office stuff, and then of course the printing of the letters ^{check} head comes in on this, so would you please all of this with Mrs. Scott?

I hope you had a decent trip north. I was rather worried about how you would stand the trip and the talk you had to give the next day. Let me know how you are.

Cordially,

Katherine

Dear Ruth:

I had a not too successful conference with Mrs. Chauncey Clarke today. She will give us \$50.00 to help with the Church etc program. She said that she is not in a position at the present time to give more, as she budgets herself very closely on such matters. I hope to make a similar contact with Mr. Russell who has already given \$50, but may give more. I shall see Mr. Silberberg next week, also Mr. James R. Page, and perhaps get a like amount from them. This could mean, if I am lucky, \$200. We have about \$617 to our account at present. Could \$100 of this be taken to make the \$300 that is needed?

As soon as we get the letter-head and the brochures, and I hope to receive them tomorrow or Monday, we will start the membership drive, which may rapidly add to our fund. What do you think of this plan? It seems definite that we can't get the \$300 at one whack, so this seems to be the best solution if it will work. It is so important that this work of Gillett's be gotten underway immediately with the maximum amount of help that we can give, that you should immediately get in touch with him and tell him to go ahead with securing this additional assistance.

Mrs. Clarke wants about 6 more copies of J. Edgar Hoover's statement, and the facts showing that there was no sabotage in Hawaii, Galen Fishers Balance Sheet, and the Voice That Must Be Heard. Would you have these sent to her right away to her office in Santa Fe Springs. The address is just Mrs. Chauncey D. Clarke Telegraph Road, Santa Fe Springs, Calif. She can do more good with material like this than you can imagin.

Katherine

The Andersons where Esther Takei stays say that after our meeting the many protesting telephone calls stopped. I learn that two more ^{husi} students are due soon to reside at home of member of Junior College faculty. Perhaps things will start all over again -

Mrs. Katherine Kaplan
1732 Kelton Avenue
Los Angeles:

Dear Katherine:

You shame me in more ways than one! First of all, you've written twice since I left Los Angeles with shaky knees, and each time in beautiful typing which I cannot possibly hope to emulate. Ah Me!

To come back to the first matter-- do forgive my not having written before, but I have been just too dead on my feet (or otherwise at times) to do more than drag over to S.F. for a meeting with the Junior League and then on last Saturday, a three hour session with Dillon Myer. I should at least have written my very sincere thank yous for your fine care while you were feeling so badly yourself. That was certainly a bug to steer clear of in the future. I am only now beginning to feel like myself, at all, and had my first really solid food today noon, when I got lunch (out in the patio) for Mrs. Myer and Mrs. Cozzens.--I'll hope for the best.

As I wired you this morning, I am considering a grip south again to catch up on Pricilla, Mrs. Thayer, Mr. Crotty, et al, and to do any other things I might be able to help you with. Harry is going to Portland next week, and I'd like, if possible to combine three or four days of work-- or rather follow them, for that matter with a couple of days spent with friends out in Hollywood (Russell what's his name the artist's daughter). The best time for that would be to go down on Thurs. or Friday of this week, and work Friday, Saturday and Monday, then stay over to rest in Hollywood Tuesday and wed, then home.

I haven't nerve enough to bother you again, lest I snatch your electric pad, insist on meals in bed etc, so I suggest that you (solely for your own protection) try to reserve me a hotel room.---Harry had a fuss with the Figeroa on accounta they wont take colored guests, so that's out. I just still feel guilty about all of the trouble I made you.

Too bad that you had to scrape so hard to get that money for the \$300.---I see no reason why you shouldnt use the money in excess of the \$500 sent to this office in any way you wish. It may be that your ex. committee will wish to have some procedure or priority agreed upon. It is entirely up to you people.

---Pardon this over the page business s- we're already having to order more of the new letterhead, to have in sending out the extra Sproul pamphlets etc., and I don't want to run short.

--One of the surest indications that I was decidedly 'punchy' when I left Los Angeles was the blithe way I went off without making any arrangements with you about doctor's bill etc. That middle of the night call was most certainly mine, and I suggest that you give your good friend the M.D. my address, so that he can bill me directly.

Before I go south, I expect to talk with our Treasurer and get his precise idea as how best to keep that L.A. account straight, with the least book-keeping here and there. It won't be hard, but it will be better when the method is standardized, don't you think so.?

Last night Harry and I saw Joe Hodges, the young fellow who works under your Joe. He spoke most admiringly of the Big Boss, not only professionally, but also as a most proficient mixer of elegant Old-fashioned. He knows.

I presume that you will receive the copies of the mimeographed material you wanted-- the stuff we went over with Gillette and Farnam. I sent samples to both of those men, so they will be familiar with the stuff if and when we go over it with them.

I am most eager to meet with Mrs. Thayer and Pricill, to see if they want to take over a lot of the responsibility of getting names in the Welfare and Civic categories for the Note Book files. They are itching for something specific to do, and as we are so terribly rushed with a million other details, I can think of nothing better for them to busy themselves with. If I only had the same kind of workers up here, who had relatively little other business to claim their enthusiastic attention, the Books would be filled in short order.

Incidentally, Mr. Myer feels that it will be of great value for me to take one of those books, when complete, to show to the General, with the idea of giving him some understanding of the scope of the support he can expect if and when.

I continue to feel contrite over the haphazard way I seem to be getting back on the job after that 'debacle' brought on by the enteritis bug, but I'm really feeling quite myself today, and look forward to a gradual, and I hope, speedy return to the form which at least occasionally can approach a job-- even a letter-- with sufficient concentration to keep it 'all of a piece'

Let me know what you think about the southern trip-- if I don't make it now, I'm afraid that I'll get held up until after your return from Colorado, as I rather expect to go to Seattle in a couple of weeks.

Affectionately yours,

Dear Ruth:

I believe Mr. Rundquist is urging that persons of influence on the coast write letters to Gen. Bonesteel saying they will support the Army in any policy it announces as to return. This is just what we did some months ago, though how many actually wrote, we have no means of knowing. But in the present campaign, we have not included this definite type of letter. Chapman tells me that yesterday Rundquist intimated that the General was timid and was waiting for the assurance of leading citizens before going ahead. This may be true, but I do not recall that either Myer or Cozzens so stated, or urged us to do in this campaign. Since Rundquist is going to be seeing all the Church and other leaders in the North as well as in Calif. you will wish to check and then regularize his approach. He seems to think we are not taking the most effective tack along this line, though he did not say it to me directly the other day. I agree that a man like Doubleday may have impressed him as not being aggressive or definite enough, but it may do harm if Rundquist takes it on himself to call the tune or start a parallel movement. I know he wants to cooperate closely, but without wishing it, he may start a cross draft.

Yours

I am quite anxious to hear how Carey McWilliams' new book, Prejudice: Japanese-Americans was received in San Francisco. If you should see a review in any of the local papers, please clip it and send it to me immediately. The San Francisco Chronicle will likely have such a review.

The book is coming out for publication Monday, October 16, and should be reviewed about this time.

Dear Mrs Kingman:

Received your letter and Katherine Kaplan is coming on Thursday to talk over numerous matters including that.

My idea in writing of M.C.A.'s was not just to enlist their support in helping ^{public sentiment} ~~from~~ ^{with} removal of evanees but to ask them to actively support Pacific Coast Com, perhaps taking out some memberships. You see Mr Carris Committee was appealing to them for funds.

Am really writing to send you letter as Chapter is getting out to candidates for Assembly in several districts and Congressmen in two. I was going to send letters to Downey and Houser but some of our members said theirs should come from the Pacific Coast Com as it would mean more. Please let

we know at your earliest convenience
whether your office will wish to get out those two
letters. If not, we will do it on our own.

You note I speak of "reply" or "lack of reply" and we
do mean to publicize one or the other, probably
calling up office or home first to urge a reply.

Mr. Garland made his Fresno speech to the Peace Officers Ass'n on Oct 11 or 10, I believe. (The L.A. Times quoted it on the 11th). Did you see that state senators Seawell, C. Dear Dr. and Mrs. Deutsch:

On Sunday afternoon, October 22, at 2:30 o'clock, several of the sponsors of the Japanese American Citizen's League, together with other friends, are meeting with Mr. Saburo Kido and Miss Teiko Ishida of that organization, for an informal conference and tea, at the International Institute, 1860 Washington St., San Francisco.

Miss Annie Clo Watson, executive secretary of the International Institute and one of the sponsors, has asked me to invite you and to urge that you make every effort to be present.

Mr. Kido and Miss Ishida are to be in San Francisco to confer with General Bonesteel, and wish to talk with some of their old friends prior to the conference, in order that they might be well informed as to existing attitudes.

We hope that you will be there.

~~John~~ 10/23/44

Dear Mrs. Kingman - or Mr. Fisher,

I am addressing the letter thus in case one of you is out of town - as has happened when I wrote for such information before.

I have been asked by the Y. W. C. A. secretary in Fresno to speak before a group of two hundred or so, called to discuss the possibilities of an inter-racial committee for Fresno. My topic is to be the Japanese group - others will speak on the Negro and Mexican. The time is October 31st. I am to cover a bit of the past, which is being done now, and what this group can do in the future. I can manage to put two points (I read extensively and benefited you people for help a year or so ago for a panel discussion on the subject, as you may remember), but I'd like your suggestions as to what to bring out on the last point - which should be the attitudes and actions of the group in the future. I have the "Memo Re Support of War Department of Evacuee Return" which Mr. Fisher gave out to a Congregational Church group recently - is it your suggestion that I use any of that. Also would it be indiscreet to suggest that the return

whenever the military lifts the ban will be controlled and guided as has been done in relocation throughout the rest of the United States. The fact that Dillon Meyer passed through Fresno and that a group of us met him seems to have been kept a close secret and I therefore hesitate to quote anything he said. I shall of course emphasize that it is "up to the military".

Also if you have any material that you can send me which I can distribute at the meeting I should appreciate it.

Thank you for your help

Very truly yours

Following your suggestion, I shall be very glad to send such a letter to Senator Downey, and to Mr. Houser, from the Pacific Coast Committee. I shall use the same form as yours, omitting the reference to the Pasadena Chapter, and inserting "loyal" before the word "citizen's" in (2).

PASADENA CHAPTER

60
Dear Mrs Kingman:

Just a personal line to thank you for your very gracious words as to the conduct of the library meeting. I am very glad if you felt me equal to the occasion. People are still telling me what a thrilling meeting it was and it truly had its dramatic elements. Some who were standing said they would have been satisfied if Dr Melles had read only a part of Dr Cronk's address.

At least there is nothing dull in our line of work - Thank you again -

Yours - Maynard Thayer.

Dear Ruth:

I am in receipt of the list of the Contributions from the Los Angeles District as per Mr. Scott's record. He seems to be lacking \$27.00 that I have record of. Also his books show \$9.00 that I did not know about.

This \$27 gap seems to be in regard to the \$25.00 check that Irving Walker gave you on October 2nd the day of the Crotty luncheon. With all the confusion at the time, I can see how you might have overlooked it, but I distinctly remember your saying that you would take it up with you. . In my letter of Oct 4th, I referred to this check, as you will recall.

The other gap is in regard to the first membership of Dr. Frederick Roman given to me on June 19th, his address is 214 Loma Drive. I do not seem to find any correspondence in which this donation is mentioned, but I know I sent it up to you shortly after that date. It was a \$2.00 membership.

OK I am enclosing a check from Harold Black for \$10.00. This has been delayed in getting to you.

If you can locate the Walker and Roman money, our total to date is \$714.

Let me know what happens on this, as we need every cent we have.

Cordially,

Katherine

Dear Mrs. Kingman:

Your note here this morning and I am glad that you will get out those two letters. Time is very short and so I hope they are already on the way. Kindly let us know air mail of the answers. If none comes from Houser do you think we could quote from a recent speech, part of which I enclose? It seems to give his stand definitely. He finally answered a personal letter of mine I sent him weeks ago but just gave hints of dire results if the Japanese-Americans were to return to Los Angeles.

Katherine Kaplan and I had a good visit last Thursday. She told me she expected to have from you immediately the list of communities south of Bakersfield where you wish work to begin. She told me the communities chosen were to be those which had at least 100 people of Japanese ancestry prior to evacuation. We tried to find some day before election when Pasadena executive committee could meet but several are so busy, it did not seem possible. Therefore I am setting November 8th for the meeting and Mrs. Kaplan will come up. That seems the best way, as we can then go over the communities you have listed and decide upon those where we can help. At present I have no idea how many will be anywhere in our general neighborhood or where we could offer leads. I am sure our members will wish to help on this fine project. I believe we would need considerable of the mimeographed material bearing on this which Mrs. Kaplan showed me.

I note in recent Pacific Citizen that Mr. Gannon is threatening to hold another hearing in the South, probably Pasadena or Los Angeles. His other one did our cause so much good, probably we should urge him to do so.

It seems to me the statement of the District Attorneys in the Korematsu case (from California, Oregon, Washington) is one of the best we have had, that "the restrictions placed upon this group of our citizens must be removed as soon as military authority determines and the national security permits". They seem to agree with us.

Sincerely yours,

Maynard Force Thayer

Dear Mrs. Kaplan:

In regard to your letter of October 21, I have just checked with Miss MacMullen and find that we now all agree. We located the \$2.00 amount of Dr. Frederick Roman. The check in the amount of \$25.00 from Irving Walker was overlooked by Miss MacMullen in her first report to you. She sent a correction letter to you which you have probably received by now.

With the \$10.00 check from Harold Black our records now show \$714.00.

Mrs. Kingman is getting ready to leave for Seattle, and has asked me to make this reply.

Very sincerely yours,

Constance Halliday

Dear Mrs. Thayer:

We have sent letters to Senator Downey and Lt. Governor Houser. As soon as we receive their reply, we shall mimeograph copies to send to our members. Will you want us to send them to the Pasadena members also?

If we do not have a reply by November 1st, I will wire you. And if there is a reply I shall send a copy to you immediately.

Very sincerely yours,

Dear Mrs. Kingman:

Your letter of October 19 addressed to Mrs. Deutsch and myself duly reached us. We were only sorry that we could not be present Sunday afternoon at 2:30 p.m., to meet Mr. Saburo Kido and Miss Teiko Ishida. I am sure that it must have been highly interesting as well as important. I wish we might have been present.
