Dear Ms. Uchida:

Mr. Nitta, a close friend and supporter of the Davis campus, presented to me, with your best wishes, your recent book "Desert Exile" for our Library.

I took the opportunity to read your book over Christmas before taking it to our Library. I found it to be well-written and a gripping story which I was unable to put down once I had started. You are to be congratulated for an extremely well-written book.

I am sure it will be appreciated by the many students who use our Library here at Davis.

Sincerely yours,

  
James H. Meyer

Dear Chancellor Meyer:

Thank you very much for your good letter  
of December 29th.

I appreciated your taking the time to  
read DESERT EXILE and commenting so favorably  
on it.

Your warm response meant a great deal to  
me, and I am delighted to have this special link  
to UC Davis through the kindness of Mitsuo Nitta.

Sincerely,

Yoshiko Uchida
