- 1) Three barber shops and two beauty shops were opened during the month. Single receipts were issued to residents who brought in their accumulated cash register receipts for which patronage refunds are to be declared. A comprehensive mimeographed circular on the proposed Co-operative Association was distributed to every camp unit. Lack of store space and lack of transportation facilities are still confronting this division. Patronage refunds in the form of scrip books will be issued beginning April.

Amount declared by merchandise departments this month -----

For period from January to March, 1943 (First Quarter)

Dividends declared by service departments this month (name departments, dividend amount, and period covered.)

Total of community enterprise dividends paid this year \$16,405.67

GENERAL COMMENT: (Discuss briefly (1) major activity and developments in community enterprise field this month, and (2) plans, problems, expected developments in the near future with suggestions and recommendations.)

- 1) No new developments were reported by the Cooperative Committee. No definite date has been set for the vote on the proposed Cooperative Association by the residents. Patronage refunds were distributed to the residents for the period from January to March. A mammoth month-end sale was held in the drygoods store, with merchandise marked down 15 to 50 per cent.
- 2) Lack of store space and lack of transportation facilities are still the major problems in this division.
