

24:10 RECEIPTS FOR AFFIDAVITS

1955

Submitted to Justice Dept.

The Affidavit forms you recently sent to me have been examined and compared with the records in my office. The forms appear to me to be in good order. In consequence, I have delivered them to the U.S. Attorney's office for processing through the Justice Department.

As soon as the Justice Department informs me of its decision I shall let you know. Because a fairly large number of affidavits of other renunciants also are being processed it probably will take several months before a final decision in your case is made by the Justice Department.

Therefore, I suggest that you wait patiently for word from the Justice Department which I shall relay to you just as soon as I receive information as to what decision it makes in your case.

If the Justice Department clears you by this administrative method a judgment cancelling your renunciation and declaring you to be a U.S. citizen will be entered in the mass suits.

If the Justice Department does not clear you by this administrative method, your case can be set down for an individual court hearing.

Very truly yours,

Therefore, I suggest that you wait patiently for word from the Justice Department which I shall relay to you just as soon as I receive information as to what decision it makes in your case.

If the Justice Department clears you by this administrative method I shall send you a copy of the letter it transmits to the State Department so that you can file the copy of that letter with the U.S. Consul at the time you make an application to him for a U.S. passport. If the passport then issues you will be able to return to the United States as a U.S. citizen.

If the Justice Department does not clear you for passport purposes you, nevertheless, then can apply to a U.S. Consul in Japan for a "Certificate of Identity" and I will set your trial for hearing in court and send to you or to the Consul a statement from the Clerk of the Court showing that your individual hearing will be held within six months. You then can return to the U.S. on that certificate for your trial.

Very truly yours,
