Miss Yoshi Uchida
30 Belmont Avenue
Northampton, Mass .

My dear Miss Uchida:

While in Springfield I heard glowing accounts from Miss Marks, Miss Bauker and from Roma herself. They certainly enjoyed their work with you.

I shall keep your name on file with the hope of helping you find something for next fall. Incidentally I am urging Springfield to find a place for you, and I do hope you arrange for a part time position with us next fall (if nothing else develops). It will surely lead to a teaching position in the future.

Sincerely yours,

Lora Gaus
