REMARKS 5 acres in peas. Balance (123 acres) not prepared for crop.  
Mr. AGAWA called again 4/28 - still unable to peel peas. Smith referred this case to the  
WFA-30 CONTROL STATION RECORDED (Rev. 4-13-42) field agent 4/25/42 - on 4/28 he reports he has tried to make some  
disposition of the crop for Agawa but unable to do so. Eventually crop has gone too far  
to salvage. Agent says peas are wilted.

Attention Mr. J. Henry Smith,

Dear Sir:

Nimasho Oishi and myself have completed arrangements for the handling of his affairs. I have purchased all his growing crops and papers for same will be completed tomorrow morning. His leases have all been cancelled and his chattels sold. The transfers on his cars have been held up in Sacramento but they are sold subject to legal transfer so that they are giving me a power of attorney in order that I may help this transfer and credit amounts received to them. There seems therefore nothing to prevent their being evacuated after tomorrow.

Very truly yours,

John W. Law
