Honorable George W. Mordecai
District Attorney of Madera County
Madera, California

Dear Sir:

I desire to acknowledge receipt of the four pages of the four-page map of your County which was sent to you in connection with the Alien Land Law survey being made by this office, together with maps of the cities of Madera and Chowchilla, in your County. Your courtesy and cooperation in connection with the completion and return of these maps are greatly appreciated. We are finding these maps generally useful in the National Defense work which is being carried on by this office.

I presume that there will probably be material changes in connection with the maps of your County which are designed to reflect the location of Japanese thereon. If, at any time in the future, any changes seem sufficiently important, I would appreciate it very much if you would advise me of these changes so that I can make the proper notations on the maps of your County which I have here in this office. If you should deem it advisable, I will be very glad to return to you all or a part of the maps which you have previously sent in to me, and thus give you an opportunity to make any changes, corrections or additions which may be necessary.

Very truly yours,

EARL WARREN, Attorney General
