JANUARY 16, 1946

HONORABLE TOM CLARK,
Attorney General of the United States,
Department of Justice Building,
Washington, D. C.

Dear Sir:

On or about JANUARY, 1945, I signed an application for renunciation of U. S. Nationality at the Tule Lake Center, Newell, Modoc County, California.

I hereby repudiate, withdraw, retract and revoke the said renunciation upon the following grounds and for the following reasons:

(1) The circumstances under which said renunciation form was signed by me did not constitute a fair and impartial hearing and was a denial of my constitutional guaranty of due process of law and of the equal protection of the laws;

(2) I was not a free agent at the time when and the place where said renunciation form was signed but then and there was held in duress and was the victim of fraud, menace, undue influence and mistake of fact and law;

(3) I then and there was and for a period of time prior thereto had been detained in said Tule Lake Center by official authority and was deprived of substantially all my constitutional rights, liberties, privileges and immunities as an American citizen and was treated as though I were an alien enemy and thus was discriminated against solely by reason of the Japanese nationality of my ancestors;

(4) I was intimidated, coerced and compelled to sign said renunciation form by reason of the duress in which I was held by the government and the duress, fraud, menace and undue influence of groups and individuals within said Center, against which the government failed to protect me.

Because of the foregoing reasons the said renunciation was fictitious and is invalid and void.

I am not a citizen or subject of Japan and I do not and never have owed or given that country or nation any allegiance. I am not an alien enemy. I am a native American by birth and by choice. I have no dual citizenship through any act or acceptance upon my individual part.

I demand that you withdraw and set aside the said renunciation form, and the approval thereof if any approval thereof was given.

I am ready and willing to have this matter re-opened and a hearing be granted me in order to prove the said renunciation application was executed under the circumstances above-mentioned when I was not a free agent in any sense of the word but was acting under duress, menace, fraud, undue influence and mistake of fact and law.

I respectfully request your immediate consideration of this urgent matter.

Very truly yours,

Alexander R. Iseri

HON. TOM CLARK,
Attorney General of the United States,
Department of Justice Building,
Washington, D.C.

Dear Mr. Attorney General

Without waiving any of my constitutional and legal rights asserted by me in Actions Nos. 25234 to 25297, inclusive, now pending in the U. S. District Court for the Northern District of California, at San Francisco, California, and without this request in anywise operating as a bar to said or any actions or as a waiver thereof, I hereby request that the mitigation hearing or examination heretofore given me at the BISMARCK, N.D. to show cause why I should not be deported to Japan by you be re-opened for the introduction of further evidence or that a re-examination or new examination be given me thereon for the following reasons and upon the following grounds:

1. I was not allowed to be represented at said mitigation hearing by counsel of my own choosing or by any counsel whatever;
2. I was given neither the time nor the opportunity to obtain witnesses to appear at said hearing and to testify on my behalf;
3. I was not given time or the opportunity to obtain evidence on my behalf or to submit the same to the hearing officer at said hearing and I was not allowed to subpoena witnesses to appear and testify on my behalf but was arbitrarily summoned to said hearing or examination without any reasonable period of time or any time whatever having been allowed me to prepare for the same;
4. The hearing officer's recommendation made at said examination and the refusal to release me from detention and to restore me to civilian life in this country was based either in whole or in part upon secret data kept in dossiers and files in the possession of the hearing officer and authorities which was not made known to me or exhibited to me but was kept secret from me;
5. The said examination or hearing was arbitrary, unreasonable and oppressive in its brevity, in the manner in which it was conducted and in the circumstances under which it was held;
6. The said examination was not under oath and no witnesses were sworn, and no witnesses appeared and testified against me;
7. The said examination was neither full, complete nor adequate and was neither fair nor impartial: I was given neither the time nor the opportunity to answer any unjust charges that may have been brought against me or unjust suspicions that may have been entertained against me and, in fact, there neither then nor now exists nor was there introduced at said hearing any competent evidence whatever upon which an unfavorable recommendation ought to have been made against me or upon which a refusal to release me from detention properly and legally could be based.

For the foregoing reasons and grounds I request that the said examination or hearing be re-opened for the introduction of additional evidence or that a re-hearing or new hearing or examination be given me.

Very truly yours,

Alexander Iseri

Dear Mr. Iseri:

If you wish to receive your individual certified copy of the "Final Judgment" of the Court that cancels your wartime renunciation of citizenship and that declares you to be a U.S. citizen, you can obtain it from me by sending to me the \$295.00 balance due on your account. Sometime in the future you may need this document to prove your citizenship, to obtain a passport, to establish your right to vote, in applying for employment, Social Security benefits, various licenses, loyalty checkup, etc. If it presses you too much to pay your balance in a lump sum, you can let me know and arrangements can be made for you to pay the balance by installments. I am enclosing a stamped envelope for your reply.

Very truly yours,
