1/ Please destroy Departure advice of Oct. 16, 1945 for IKEDA, Tosh Jimmy, F.N. 24327. Actually departed Oct. 23, 1945. Therefore, Item III-4 reflects an increase of one and Item V-3 a decrease of one.

2/ On Daily Summary WRA 176 Rev. of Sept. 26, 1945, we stated that the change of status advice for KAMINAKA, Ray, F.N. 4039, would not affect Part V-1a as the departure was not reflected in reconciliation of Short Term leaves on 3/4/45. This, however, was in error because his departure was reflected in Part V-1c and will reflect a decrease of one due to this conversion.

1/ The following departures and admissions for TAIRA, TOM Kazuo, F.N. 33534 have been reported to the Washington office:

7/12/45 Departure on short term  
8/23/45 Involuntary conversion to terminal leave  
9/12/45 Admission from short term  
9/15/45 Terminal departure

On 9/19/45 we requested that the terminal departure advice of 9/15/45 be voided. In reconciling the leaves for this individual we discovered that he received a relocation grant. Therefore, please void the conversion of 8/23/45. We are submitting and including with this report the delayed departure advice of his terminal leave for 9/15/45 which was voided in error.

In admitting him on 9/12/45, we failed to note previous change of status, and, as a result subtracted both the admission and the change of status from Part V-1a. Therefore, this figure shows an increase of one due to correction of this error and Part V-3a will reflect a decrease of one due to cancellation of change of status.
