R.T. Brahm. Manager of the Pacific Telephone and Telegraph Co. ~~and~~ San Francisco, and his sisters have a ranch in Loomis which was under purchase contract by Sasaki; they complain that Sasaki had not kept up payments prior to ~~XXXX~~ evacuation:

Letter from Brahm to Hatch, March 27 1943: "The interest was due last Dec. 1 1942.. the insurance was to be renewed in Feb. 1943.. the first installment of taxes were not paid last Dec. 1942 Nothing has been done on the ranch and I have a mna up there, Mr. George Walters to whom I was going to lease the place. The last time I talked to Mr. Taylor of the ~~A~~ American Fruit Co., he told me they were not going to bother with the jap ranches...

Letter from Hatch to Project Director, Tule Lake March 20 1943

"Mr. Brahm states that he is selling this property to Mr. Sasaki under contract of sale and that he has written Mr. Sasaki on 2 occasions ~~and~~ but has received no reply..... He is anxious to get a reply..Get matters cleared before ~~letter from~~ end of crop year so as to avoid losses.

Letter from Project Director to Hatch April 21 1943:

"Mr. Sasaki has informed us he will be unable to make any further payments to Mr. Brahm and that he will have to let the property go..

Mr. Sasaki owns a 27 acres orchard improved with 2 homes (5 rooms and 4 rooms). Owns his furniture, equipment etc..and a 1934 Chev. coupe. Car for sale but not ranch. Is contemplating turning over the ranch to the

Frank Murphy - Attorney 1/12/44 - 3/1/44

Amt. of principal - \$3250.00. Walker sisters hold not secured by Sasano's Deed of Trust and have had notice of Default filed. Atty. publishing notice of sale.

We attempted to aid evacuees in forestalling foreclosure on their farm but were unable to do so and project notified us that evacuees agreed nothing could be done and project closed case on their files.

SASANO, KATSUKAZO

Memo to Ray Best from Hatch, Jan 13, 1944: " Walker sisters hold note secured by Deed of Trust on property which Sasano purchased from Walkers in 1938. They stated Notice of Default had been filed and 90 day period elapsed and their atty. is publishing Notice of Sale. Evacuees have not made any principal payments, and are in default for approx. 2 years int. also. Property cannot be sold for much more than principal payments. If evacuee wishes us to aid him we will be glad to. However, unless they can make up delinquent int. and a substantial payment on the princ. it is doubtful that Walkers would be interested in postponing Notice of Sale.

Letter from John Clear to Hatch, Feb. 11, '44: Sasano know nothing about this matter and states he rec'd Xmas card from one of the Walker sisters on which she stated Mr. Roy Vance might be interestee in purchasing the property, but that there was no hint of foreclosure. Sasano Bros. say they agreed to pay \$5625. for this prop. on Dec. 10, 1938. Is a princ. balance of \$3250. due. Sasano Bros. showed us statement from Deciduous Farm Lands, inc. dated Feb. 23, 1943 that first and second installment of taxes amounting to \$60.49 paid and balance of \$210.41. to Mabel Walker of Florin. Atty. Murphy collected \$109.25 from Artz & Cook which they in turn have collected from the rental from Jan 6. '43 to Feb. 6. '44. Insurance of \$28.20 was paid and a P.G.&E. power bill of \$53.00 was paid. In view of this info. we wonder how Atty. Murphy made his estimate of delinquent taxes int. and so forth to amt. of \$800. As there are only 10 days before sale, we see very little hope of salvaging any equity for Sasano; We believe that as long as the Notice of Default had been published prior to the time the \$109.25 was collected from Artz & Cook they had no business in turning it over to Atty. Murphy, and should be returned to Sasano.

Memo to Ray Best from Hatch, Feb. 14, 1944: No one has been willing to bid an amount greater than the note and delinquent taxes against the property. Walker sisters sold the Deed of Trust with all their rights to Roy Vance Jan 8. '44. We discussed the \$800. with Mr. Murphy who explained that there are pruning charges included in this amt. It appears to us that it is still out of line. Artz & Cook state that the \$109.50 should not have been turned over to the Atty. and wrote to him requesting that he send it back. He stated that he did not intend to do this because of provision in Deed of Trust stating that the trustee, without notice or demand has right to collect rentals and apply them to any delinquency.

Letter from John Clear to Hatch, Feb. 28 '44: Sasano Bros. agree that there appears to be nothing that can be done before the foreclosure of the Deed of Trust. We are therefore closing case.
