Lets Get Acquainted

The first social event of the year was the Halloween Party held on October

The Campus Club was decorated very attractively. Pumpkin faces and corn stalks gave the atmosphere of Halloween.

Games and entertainments were enjoyed by everyone.

The afternoon of pleasure was topped with refreshments served by the girls of the class.

Cotton - Did I hear Cotton?

When a call was issued that workers were urgently needed to pick the cotton of Parker Valley, the students of Poston willingly answered. The Sophomores were too active to be left out. In fact were very well represented, almost 70% of us volunteered. It was the first time that most of us were leaving the premises of the Relocation Center. It was quite thrilling and loads of fun for we rode on large trucks.

The Trading Post was what most of us were so anxious to reach. There we purchased eats to go with our

Cotton - Did I Hear Cotton ?

lunches.

Our class was divided into groups and sent to different fields

Many of us had never seen a cotton field before so it was something new. We were all given sacks about 10 feet long and were supposed to fill them. Even before we started we knew we couldn't fill the sacks but there was no harm in trying. We paired off and worked in twos.

Cotton plants grow to about 4' high and are planted in continuous rows.

Cotton is so light we must pick

Cotton - Lisa I Hear Cotton ?

quite a bit before we have even a pound.

From out of approximately 77 people who went Jim Yamaguchi picked the most so he had the honor of riding home on a jeep.

All in all we had a very enjoyable day and earned money for our class treasury besides.

Adobes Must be Made!

Back in California who ever heard of building their own school building? Well, thats exactly what we are doing.

Next year when school is in session again, we will be able to study in a nice cool adobe building. Adobe making is not an easy task so we must aid the workers.

To be able to do our bit the high school students volunteered to work on Saturdays. February 20th was our turn and the Sophomores worked hard to give the Juniors and Seniors some competition

Adobes Must be Made!

Making adobes made us think of our childhood days - playing with mud.

There were different types of work for the boys and girls. No-one is idle.

The girls patted the mud which is mixed with gravel and hay into wooden frames. The boys did manual labor, pushing wheelbarrows and lifting adobe bricks.

It was good experience for all of us and we will be proud to study in buildings which we took part in constructing.

The

May Day Dance

After a month of planning and discussing the Sophmores big day May 8th finally arrived. The weather was not very encouraging for Boston II was the center of a dust storm from early morning to late afternoon. Although we were handicapped the committies worked diligently against dust and Father Time, to get the Campus Club prepare for the evenings gathering. There was a prayer in each heart as the members continued working and encouraging each other to carry on the fight. Every thing seemed against us but yet we could not give up for it would hurt our pride

May Day Dance

to think we couldnat succssed in what we started out to do. Our prayers were answered for by the time the Club House was finished being decorated the dust had died down considerably.

A large crowd attended our may day Hop so we could not help but to feel proud - to think that all our worries had not been in vain.

Doris Lokka very capably handled the position of Master of Ceremonies, introducing our honored guests, the Cabinet Members of Camp I. To our regret the Camp III Cabinet Member could not be present.

May Day Dance

The gala evening was topped with refreshment served by the class members. Due to the school regulation the dance came to an end at 11:25 P.M.

The credit for the success of the May Day Dance goes to Mitsu Ikeda, our president; to the chairmans of various committes their co-workers and to those who gave us helpful advices.

We've Had a Busy Year

Just think the school year is at an end already. We've really had a busy year of both work and pleasure. To give our swell year a happy ending, a party strictly for Sophomores and honored guests was held on June 8th.

The main event of the evening was the Treasure Hunt. Very cleverly prepared clues baffled the searchers.

Following the tempting refreshments door prizes were awarded.

The Fearless Four: Elwood Ito, Jim Yamaguchi, Lefty Hayahara and Goro Kudo favored us with songs.

We've Had a Busy Year

The evening was brought to a close with the group singing Auld Lang Syne.

Honored guest included the following:

SEPTEMBER

ENROLLMENT

September 20, 1943

Yes, its school again and everybody dressed in their old school clothes headed towards school again to enroll for the coming school year and to dust the rooms of dusts that had accumulated during the summer dust storms. Some went grudgingly because it meant no more playing and some were glad to go since it had been so boring for them during the hot summer vacation. Happy or not, all the Juniors went to enroll and to clean the rooms that were assigned to them. Ninty-nine (99) students enrolled as Juniors with Miss Embree and with Miss Smith.

OCTOBER

TULE BOUND

October 4 - 5, 1943

There were many sad and lonely days after the Tule bound people left this camp. We lost eighteen (18) students to Tule of whom we very much regreted to see go.

We, the Junior class, sincerely wish them all the luck and happiness and may we all meet again soon. Those who left are:

Henry Hoshida
Kaneko Ide
Kazuko Imoto
Kimiko Kimura

CONSTRUCTION
of the
ADOBE SCHOOL BUILDING

All the students were asked to help in the construction of our new adobe school and for about three weeks most of all the Juniors were out their doing their bit. Some covered ditches and others painted ceilings and roofs or cleaned windows. The painter got the dirtiest job for there was not one painter that had no blotches of paint on their clothes, face or their hair. What a time they had taking the paint off with gasoline and how they smelled too. As I said before most of the Juniors were out there helping with whatever they could for they were anxious to enter the new school building in a hurry.

NOVEMBER

JUNIOR INSTALLATION

In a candlelight ceremony at the Junior installation the incoming officers of 1943-1944 were installed by the old officers . The incoming officers were installed by the old cabinet as follows:

President by Mitsuo Ikeda

Vice President by Ben Dohi

Secretary by Chizuko Kitamura

Treasurer by Betty Oku

Historian by Janet Yamamoto

Girls Athletic Manager by
Theodora Obana

CLASSMATE LEAVES

George Toguchi one of our Junior classmate left for Denver, Colorado on November 11, 1943. We regreted to see him go but we also were glad for him that he was able to go. Good luck to you George and may we all meet again soon.

DECEMBER

JR. SR. CHRISTMAS
GET-TOGETHER

Defying a threatening rain, approximately 100 juniors and seniors attended anChristmas Get-Together at the 210 dining hall, December 18, 1943.

In the midst of the hilarity, rain did come, but the program did not suffer with entertainments, refreshment, and dancing with pitchers all over the dance floor.

Thanks to the Police Department who kindly furnished transportation, all were able to return home, safe and also dry.

MISS EMBREE'S DEPARTURE

Miss Catherine Embree a popular teacher of the Junior class left us suddenly when her mother was taken ill. All of us regreted very much to see her go.

JUNIOR REPRESENTATIVE for the F.F.A. QUEEN

The F.F.A. sponsered their annual queen contest in which each class were represented. This year the Junior class chose Ritsuye Hatashita to represent our class.

JANUARY

TEACHER SHORTAGE

When Miss Embree suddenly left us in December, the 3rd and 4th period Core class and the 6th and 7th Core class were left without a teacher. It was decided that until the end of the first semester, Miss Smith take over the 3rd and 4th period Core while Mrs. Courage take over the 6th and 7th period Core class. When the new semester started all the Junior Core classes were to be taught by Miss Smith.

LETTER
from
FORMER TEACHER

JAN 14 RECD

NED BY EXAMINED BY

January 7, 1948.

To Last Year's Sophomore Class

Poston Arizona.

My dear Friends: In spite of slow mail service I have recieved from you a very dear reminder of my days with you in our Sophomore year. The letter from Jim saying it was on the way came in time for Christma and the rug got here by New Years. To prolong the pleasure of anticipation I pinched and shook the package speculating on what it could be coming out of Poston. It couldn't be carved wood or paper flowers — so I had to open to find out. And what a lovely surprise!

It now adorns the choice spot in my room in front of the radio, for the colors are just right. My thanks are very feeble when I think of all the works and sacrafice things like that mean in Boston.

The poinsettias around my house were all out for the holliday. We had 2 weeks vacation and I wondered if you and your teachers did too. The weather was lovely and I went to 3 turkey dinners during that time. Real chairs, white table cloths and no rationing. We have plenty of almost everything although the army buys most of the vegetables we raise. I'm planting lima bean vines over my back porch. Would

like some Pastor I chard now and then.

My house was pretty shabby for having been rented for 2 years so I've been busy painting and varnishing about everything inside and out. including the ice-box and the floors. For 2 months I lived alone but felt so selfish that now I have rented two bedrooms and have a school girl helping me keep house. Her name is Mieyo Nakamura, a Sophomore whose home is in Kaalaha, a plantation village about 80-miles over the Volcano Road. She is going to be a very good cook. One roomer is a Junior High girl who lives 60-miles up the coast and the other is a nurse at the Board of Health. So you see we are.

quite a family.

But I do miss you people and think of my Boston days and friends very often. Besides your letters I have heard recently from Eddie, Sanji, Hannah and of Alice who was one of Mrs Burell's girls last year. Eddie seems happier and is busier now going to school and working.

One point your letter have not covered. Who got what Junior office? Who is Vice President - "Lefty" or "Yokka"? Because I learned they were both running! Don't forget to tell me when somebody write. How I would like to see your new buildings. Are they warm for winter and cool for summer? I have not had any popcorn

since leaving Easton! And I remember our jello parties with pleasure. Also I think you are experts at decorations. I'm wondering what you could do with the lovely leaves and flowers we have here.

Are the dust storms so bad? Every morning now I wear my rain coat to school although I carry it home in the afternoon. I get home at 3:00 P.M. after teaching 5 hour periods of World History and one hour for keeping study hall every third week. Even though the work is light my pep is not so great as in the Arizona climate. One teacher tells me the floor cracks in the old buildings grow with age! I hope all the new buildings are finished by this fall.

This island is full of soldiers,

sailors, and marines and Seabees from the Southwest wars. They are a hardy homesick lot, ready for any form of amusement. They even visit school although they probably didn't like it any better than most when they had to go.

I've been triping to get you some Hawaiian dance records. And I may be able to before long. Do not give up looking for them.

Thank you again for your gift. Be good and enjoy a picture show this Wednesday for me.

Your friend,

Ann Hetmore.

CLASSMATE LEAVES

Sumiye Hatano, one of our classmate, left for Toledo, Ohio, March 7, 1944. We regreted to see her go and yet glad for her knowing of her better opportunities there. Good luck to you, Sumiye, and may we all meet again soon.

APRIL

JR.-SR. PLAY "EVER SINCE EVE"

The Juniors and Seniors for the first time presented their play--"Ever Since Eve" to their parents and friends on April 4,5, and 6. "Ever Since Eve", a three-act comedy, was a huge success with each nightdrawing much too large crowd to accommodate seats for.

To the Juniors whose success of the play was due is the Student Director, Norio Kokka, the casts, the production crew, stage crew, constuction crew, prop crew, and also to the untiring efforts of Miss Joan Smith, the cast director.

JR. SR. PROM HUGE SUCCESS

Under the star-spattered ceiling and to the lilting tunes chosen around the theme "Stardust" the Juniors and Seniors made merry at the Jr. Sr. Prom held at the Desert Inn from 8:30 to 11:30 on April 20th.

Emcee, Lefty Kiyohara introduced entertainers during the intermission.

Guests present were Camp I Junior Cabinet members and Mr. and Mrs. Kanagawa and Mr. and Mrs. Wells who were chaperones for the evening.

The credit of the grand Prom goes to all the Juniors who worked so hard and diligently on the Prom to make it the success that it was.
