Mortgaged ranch rented for \$180⁰⁰ per year.

Holder of mortgage: M.T. Dillman Jr.

% Pacific Fruit Exchange
Consumer's Ice Building
Sacramento.

After 1942 crop season evauee's ranch showed profit of
\$64⁸⁴/₁₀₀ 50% of which was to be paid to Delicious Farm
Land, Inc. & 50% to Mrs Dillman to apply against tax
mortgage & insurance - Mr. Dillman sent check to evauee
of \$109⁸⁸/₁₀₀. Evauuee should have returned check, signed, to
apply on balance due in principal in order to forestall foreclosure
proceedings (\$197⁰⁰ due on principal).

Closed case. Notified evauee of pending foreclosure
but No reply.

HISAMOTO, H.

Letter from M. J. Dillman, Jr. to Project Dir. Denson, Ark., June 8, 1943:

"As the representative of the Pac. Fruit Ex. I have handled Hisamoto's crops of grapes or a considerable portion of them for a good many years. When these people were removed from the Florin District we took over the operation of their property. After the 1942 season was over we mailed a statement of operations showing a net profit of \$64.84. from their vineyard and explained that this profit was disposed according to the terms of the lease. On May 13, 1943, I wrote to the Hisamoto family and in that letter sent them a check for \$109.98. explaining what that money was for. In addition to this business relationship with the Hisamoto family there exists a personal relationship because of the fact that Mrs. Dillman and I hold a First Deed of Trust on their Twenty acres of vineyard. In sending them this check as the agent of the Pac. Fruit Ex. I also explained to them that there is due at the present time taxes in the amount of about \$75. Fire Ins. in the amount of \$40. and one year's interest amounting to \$82. I suggested to them that we previously received from the Company 50% of the \$64.84. to apply against these items. They undoubtedly have my letter and I would suggest that you ask them to let you see it as it is self-explanatory. I have asked them for a reply which I have not received. Frankly it is becoming quite common for our letters to be apparently ignored by the relocation occupants. In addition to the \$1200. First Deed of Trust which I personally hold and these additional expenses that have accrued, a Mr. George Zorn holds a second lien of over \$2500. The house on the property is quite small and the barn is pretty old. I would estimate that the property could not be sold for more than \$3000.. Therefore, the Hisamoto's actually have no equity in the property/ What is going to happen to these Japanese growers is extremely problematical. Whether or not they will ever return to their homes, I do not know. If the Hisamotos are not going to send me any money to help defray the accruing expenses it is only right that they should send me a letter to that effect. I will then foreclose on the property and dispose of it as best I can to protect all concerned. My personal relations with this family were very friendly over a long period of years and I want to do only what is just and only after getting a proper expression from them."

Letter from M. J. Dillman, Jr. to WRA, June 21, 1943: "These letters are both self-explanatory and you will see the whole situation; We have received no answer from either one. Two previous letters on other subjects written to the Project Dir. at Jerome have been answered by one Rene Miyake of the Project Atty's Office. Both answers were extremely unsatisfactory. In writing to the Project Dir. we had hoped to get our matters into the hands of a write man instead of dealing further with a Jap. We were getting Jap treatment already."

Wire from C.W. Hatch to Paul A. Taylor, Denson, Ark., Aug. 31, 1943: "Regarding H. Hisamoto have had no reply to our letter of June 24 and special delivery letter of July 30 regarding mortgage on Mr. Hisamoto's property. Please contact evacuee to see what he intends to do about his property. Please reply immediately."

Letter to C.W. Hatch from Project Dir. Sept. 10, 1943: "Mr. H. Hisamoto was interviewed in regard to the amount due on the mortgage of M. J. Dillman, Jr. Hisamoto states that his son, Fred Hisamoto, who now lives in Crowley, Colo., P.O. Bx 170, will handle this matter for him and he

requests Mr. Dillman to contact his son at the above address."

Letter from Wayne L. Phelps to Mr. Fred Hisamoto, Dec. 1, 1943: "Mr. Dillman contemplated foreclosure on this property but was willing to forestall such proceedings if your account could have been brought current. We are writing now as it has come to our attention that Mr. Zorn, who holds the second mortgage on your property, has started foreclosure proceedings to protect his equity in the property. We will be glad to aid in any way possible, but it appears at this time that the only way your delinquent payments could be brought current and leave you some equity, would be sale of the property. However, that is a supposition on our part, as we do not know just what your property is worth at the present time. If there is anything you wish us to do on this matter, or any further suggestions you would like to make, contact us, giving full details on exactly what you wish to have us try to do."

Letter to Mr. Kimiye Hisamoto from Artz & Cook, Feb. 15, 1944: "Some time ago a Notice of Default was mailed you concerning the above described property. Would you be willing to accept a small sum of money in lieu of foreclosure? Following is the condition of the existing loans against this property:

Balance due Mrs. M. H. Dillman	\$1200.00

REMARKS: owns house on 3 Acres Mr. Franklin Driver att'y
sacramento has charge of property

5/26. Helen Hoshino returned & stated land & crop to be returned to landlord. All chattels have been sold but the atty for the estate M^r Driver was insisting on the rent payment of \$25⁰⁰ before the chattels could be removed. As the owners of the land live in Texas it was necessary for M^r Driver to get their consent to not demand the rent payment. It was agreed that Helen would leave \$25⁰⁰ with M^r Driver & if the landlord consented this would later be sent to her at Marysville. Such agreement permitted the removal of a motor, buildings & other equipment on 5/26/42

Hoshino Helen - Lessee

Driver Franklin - atty for landowners

Aldrette Jess - purchased chattels \$150

Rt 8 Bx 1698 Sacto Tx. Courtland 3191

M^r Driver would not accept crop as payment on rent. Phelps reported talking to Driver who insisted on cash payment or he would take over Hoshino's equip in bldgs & other chattels
