Honorable Tom Clark
Attorney General of the United States
Department of Justice Building
Washington, D. C.

Dear Sir:

On or about April, 1945, I signed an application for renunciation of U. S. Nationality at the Tule Lake Center, Newell Modoc County, California.

I hereby repudiate, withdraw, retract and revoke the said renunciation form upon the the following grounds and for the following reasons:

(1) The circumstances under which said renunciation form was signed by me did not constitute a fair and impartial hearing and was a denial of my constitutional guaranty of due process of law and of the equal protection of the laws:

(2) I was not a free agent at the time when and the place where said renunciation form was signed but then and there was held in duress and was the victim of fraud, menace, undue influence and mistake of fact and law;

(3) I then and there was and for a period of time prior thereto had been detained in said Tule Lake Center by official authority and was deprived of substantially of my constitutional rights, liberties, privileges and immunities as an American Citizen and was treated as though I were an Alien enemy and thus was discriminated against solely by reason of the Japanese nationality of my ancestors

(4) I was intimidated, coerced and compelled to sign said renunciation form by reason of the duress in which I was held by the government and the duress, fraud, menace and undue influence of groups and individuals within said Center, against which the government failed to protect me.

Because of the foregoing reasons the said renunciation was fictitious and is invalid and void.

I am not a citizen or subject of Japan and I do not and never have owed or given that country or nation any allegiance. I am not an alien enemy. I am a native American by birth and by choice. I have no dual citizenship through any act or acceptance upon my individual part.

I demand that you withdraw and set aside the said renunciation form, and the approval thereof if any approval thereof was given.

I am ready and willing to have this matter re-opened and a hearing be granted me in order to prove the said renunciation application was executed under the circumstances above-mentioned when I was not a free agent in any sense of the word but was acting under duress, menace, fraud, undue influence and mistake of fact and law.

I respectfully request your immediate consideration of this urgent matter.

Very Truly yours,

Kazumasa Honda
