Mixed marriage, F  
married to Filipino

Exceptional Case - Prouest Marshall  
Fresno.

Wife of a Judge here has been  
taking care of Amy for years.  
Amy has a very bad heart &  
has not be able to go to  
school because of this -  
altho' she is 19 (very pretty)  
The woman has since Curfew  
law been writing S. F. P-M  
in order to get permission to  
send the girl to her lone  
father who is east. She has  
received no answer. The  
girls father wants the woman  
to adopt the girl & it is  
agreeable to the Judge & wife.  
However, now they want to  
send her to her father so

she will not have to go alone to  
a camp. The woman says the  
girl couldn't stand it.

Decision was to register the girl  
tomorrow if no word has not  
arrived as to her removal.
