PRE-SCHOOL DEPARTMENT
TOPAZ, UTAH
October 21, 1943

MEMORANDUM TO: Community Council Labor Board
FROM: Pre-School Department
SUBJECT: Justification of the minimum personnel requested by the Pre-School Department (33)

There are at present under this department four Pre-Schools (for 2 and 3 year olds) and three Pre-Kindergartens (for 4 year olds until enrolled in Kindergarten).

The following is a breakdown of our requested personnel allotment by schools and office:

	Title	Part time	Full Time
Office -	2 Directors of Nursery Schools 1 Typist-clerk		3
Center A -	2 Teachers 3 Assistant Teachers		5
Center B -	2 Teachers 4 Assistant Teachers		6
Center C -	2 Teachers 4 Assistant Teachers		6
Center D -	1 Teacher 4 Assistant Teachers		5
Pre-Kindergarten I -	1 Teacher 1 Assistant Teacher 1 Assistant Teacher	1	2
Pre-Kindergarten II -	1 Teacher 1 Assistant Teacher 1 Assistant Teacher	1	2
Pre-Kindergarten III -	1 Teacher 1 Assistant Teacher	1	1
	TOTAL:	3 Part Time	30 Full Time

We find that in our schools under the limited facilities, it is necessary to have more teachers than one would find in a normal school. The greatest number of teachers are needed during routine, due to the lack of toilet and wash facilities within the building.

During winter the distance to the latrine is especially problematic because of the cold and storms and the necessary additional clothing.

We have attached copies of our job description and duties of each member of our staff.
