Dear Mrs. Kingman:

I have received from Galen Fisher a copy of the circular from the Circuit Court of Appeals. I should like very much to have twenty-five extra copies if you can spare as many as that.

Thank you very much for your letter of last week regarding your stand on Oriental legislation. You may be hearing from us in regard to this matter a little later on. A group of us in the East are thinking that perhaps we should go ahead, even though California may not be favorable. If anything is ever to be accomplished perhaps now is the time to try.

How thankful I am that a Committee
of such splendid people has been
formed for this purpose and how

my gift to be very small.

Dear Miss Watson:

I am enclosing a copy of the series of four articles on the Japanese Evacuation by Mr. Galen Fisher, that were recently published in the Christian Century.

Our Committee feels that you might be interested in obtaining a number of these for distribution in a pamphlet form that we are having published. The pamphlet is to consist of 24 well printed pages about five inches by eight inches, and will include something about the author and the work of the Committee. The prices for the pamphlet form are listed below.

\$.10 each, if purchased separately
\$ 1.75 for 25 copies
\$ 6.00 per hundred

We will promptly satisfy any orders that are placed through this office.

Since the number printed will depend to some extent on preliminary orders, may we hope to hear from you at an early date?

My dear Mrs. Kingman:

The pamphlet "A Balance Sheet on Japanese Evacuation" by Galen M. Fisher have reached my hand. There are no words appropriate to express our deep appreciation for the humanitarian work that your American Principles on Fair Play are doing for the benefit of the Japanese and Japanese Americans.

It may interest you to know that the whole four articles contained in the pamphlet were explained at the meeting of the 34 Block Managers of the Central Utah Relocation Project. You should be here to appreciate the gratitude with which the Japanese Americans received the fine way in which our problems have been presented in Dr. Fisher's articles. Unanimously it was voted by our organization that 100 copies of this same pamphlet be ordered for distribution among the appointive staff of the Administration here at Topaz.

Please find enclosed a draft for \$6.00 for which please send 100 copies of this excellent pamphlet to this office.

Very truly yours,

James S. Hirano, Chairman
