Thank you for your letter of May 24 with reference to the activities of the Committee on American Principles and Fair Play. I am enclosing my check for \$10.00 to assist in the activities of this committee which is all I shall be in position to contribute to this work. It would appear that the activity is becoming a rather expensive one though, as you say, it will take a certain amount of money to make the committee a worthwhile one. I hope the work goes forward satisfactorily.

Let me know if I can help further. You know very well my sentiments in this cause. Anything that I can do is a step against the war of 1960.
