TUESDAY - May 1, 1945

1) MEMO:

Prepared the bi-monthly report covering April 16, 1945 to April 30, 1945 inclusive which consists of 19 pages.

2) INTERVIEW:

Mr. Nakata-----Consultation.

3) INTERVIEW:

Mr. M. Inukai, relative to relocation.

VISIT TO HOOD RIVER: Mr. M. Inukai recently went along with the "Kusachis" and "Satos", who had returned to Hood River, Oregon. He reports, that the boycott meeting against the local stores now catering to persons of Japanese extraction has "failed"; that the Standard Oil Company has commenced delivering oil to the evacuee farmers; that the mill workers at Dee have not caused any trouble to date as they are apparently not concerned with the boycott; that 15 families have returned to Hood River; that he knows of 4 more families that will be returning shortly; and that he himself will leave in a few days for Hood River.

4) INTERVIEW:

Mr. M. Sugawara, relative to his file.

FILE: Since Mr. Sugawara is going to relocate shortly, I today returned to him all of the original papers belonging to him on file in this office.

Prepared a receipt covering same which was signed by Mr. Sugawara.

5) INTERVIEW:

Mr. T. Yamada-----Consultation.
This matter was referred over to the Welfare Section.

6) LETTER:

To Fred M. Terao, regarding a collection on a note.

COLLECTION: Mr. L. V. Ray, an attorney at Seward, Alaska is handling the collection on a note executed by Miss G. Bradshaw in favor of Mr. Terao in the sum of \$325.00. Mr. Terao has now relocated to Burley, Idaho.

Under date of March 14, 1945 Mr. Ray advised us to the following effect:

"Your letter of February 23, 1945 was just received. No collection has been made upon the note due Mr. Fred M. Terao from Mrs. Axel Peterson, formerly Geneva Bradshaw. About the last of February I met Mrs. Peterson on the street in Anchorage, Alaska. She informed me she had some physical disability, was separated from her husband, was not then earning any money, but expected to work in an Anchorage laundry soon.

She said that just as soon as she returned to work she would begin weekly payments, keep the payments up, even in small amounts until the debt is paid. I am convinced as to her good intentions but have some doubt of her ability to carry them out.

If Terao prefers to have this note sent to Anchorage to an attorney there, I will be glad to send it to anyone he may select. I am satisfied that at no time has the woman been able to make payment since Terao was in my office about April 10, 1942."

Under date of March 30, 1945 this office transmitted a copy of this letter to Mr. Terao.

Prepared a letter to Mr. Terao wherein the office stated:

"In view of the foregoing situation, we have no other alternative, except that you must select an attorney at Anchorage, Alaska by directly writing to Mr. L. V. Ray.

Therefore, since this letter is self-explanatory and no further assistance can be rendered to you against said Ray, we are forced to close your case.

It is suggested, however, that you should notify Mr. L. V. Ray at once as to whom you prefer to handle your collection on this note against said Peterson at Anchorage, Alaska."

In this letter we returned the papers he had on file with this office.

7) LETTER:

To Koto Takeuchi wherein the office enclosed a copy of a Quit Claim Deed, which was left by her or her son at this office. Mrs. Takeuchi has now relocated to White Oak, Georgia. This was sent "Registered Mail-Return Receipt Requested".

WEDNESDAY - May 2, 1945

8) INTERVIEW:

Mr. Frank U. Hashimoto, relative to relocation.

RELOCATION: Mr. Frank U. Hashimoto is returning to Seattle on the 10th to take possession of the Hansen Hotel at 517 Washington Street, Seattle, Washington. The Property Officer at Seattle is now assisting Mr. Hashimoto in effecting the termination of the lease as of June 1, 1945 against Larry Rapatato, the present tenant.

Therefore, prepared the following:

1. A letter of introduction to Mr. Charles W. Gilbreath, the Property Officer at Seattle, for Mr. Hashimoto.
2. A letter to the Property Officer at Seattle, wherein we advised him of Mr. Hashimoto's return to Seattle, and informed him, that the case will be closed as far as this office is concerned, as he will be then taking the matter up directly with Mr. Hashimoto.

9) INTERVIEW:

Mrs. Shigeno Iida, relative to her store fixtures and equipment.

EVACUEE PROPERTY: These store fixtures and equipment are now on display at Seattle, Washington to be sold in her behalf by the Seattle Property Officer.

Under date of April 20, 1945 the Seattle Property Officer advised us, that they have failed to receive any offers except for one bid for the refrigerator and cash register in the sum of \$50.00; that it would be advisable to sell the same by auction rather than the overall lot-bid method; and that unless Mrs. Iida is willing to accept one of the two methods of sale he will be compelled to move the equipment from the sales floor to storage.

Prepared a letter to the Property Officer, wherein the office advised him, that Mrs. Iida now declines to sell the same; and that there is no other alternative but to place the same in storage.

10)n LETTER:

To Mrs. Mary Jane Watanabe, relative to the request she made concerning a certain instrument now on file at this office.

A copy of this letter was forwarded to Mr. Kay Okuda.

13) LETTER:

To Mr. Kay Okuda relative to his file.

FILE: Prepared a letter to Mr. Kay Okuda, wherein the office returned to him an original letter which he had left in our file. This letter was sent "Registered Mail-Return Receipt Requested".

A copy of this letter was forwarded to our Seattle Office.

- 14) INTERVIEW by my secretary:

The case was then closed.

THURSDAY - May 3, 1945

- 15) INTERVIEW:
Mr. Smith, the Community Analyst of this center-----
Consultation.

- 16) FEDERAL RESERVE:

Mr. Nishikawa is the holder of a certificate issued by the "Committee of Depositors of the Pacific Commercial Bank", in the sum of \$370.00. The Seattle First National Bank (Main Office) is acting as the trustee for said committee. The committee is now issuing their fourth dividend on their certificates. Mr. Nishikawa in addition failed to receive the third dividend check. He is a "Blocked Japanese National".

Under date of April 23, 1945 this office wrote a letter to said bank, wherein the office made an inquiry as to the total amount on each of the dividends so that an appropriate Federal Reserve License can be prepared for Mr. Nishikawa.

Under date of April 30, 1945 the bank replied to the following effect:

"We have your letter of April 23 asking for information regarding distribution to Tsuneichiro Nishikawa from assets of the old Pacific Commercial Bank.

We are paying, as of March 10, 1945, a dividend of 20% of the original face amount of the certificates, which in his case is \$74. As of November 15, 1940, dividend No. 3 amounting to 10% of the face value of the certificates was paid so that he is entitled to receive \$37 from that distribution; in other words, he is entitled to receive a total of \$111.

These payments are made by Seattle-First National Bank as Trustee and the license should be directed to us. Before payment can be made however, it will be necessary to forward his certificate to us for the purpose of endorsing these payments thereon."

Therefore, prepared the following:

1. A Federal Reserve License application, which in part provided:

"1. Authorize the payment of the following dividends on certificate No. 277, dated December 10, 1932, in the original face amount of \$370, issued by the "Committee of Depositors of the Pacific Commercial Bank":

Third dividend as of November 15, 1940, being 10% of the original face amount of said certificate or the sum of \$37.00

and

Fourth dividend, as of March 10, 1945, being 20% of the original face amount of said certificate or the sum of \$74.00,

by the Seattle-First National Bank as Trustee for the Committee of Depositors of the Pacific Commercial Bank to Tsuneichiro Nishikawa, the owner of said certificate.

2. Authorize the deposit of the aforesaid dividends, or the total sum of approximately \$111.00 to the credit of the blocked account in the names of "O. or T. Nishikawa" in the Fidelity National Bank of Twin Falls, 105 Main Street East, Twin Falls, Idaho.

O. Nishikawa as named in the aforesaid blocked account is the wife of the applicant and a blocked Japanese national as a result of failure to reside only in the continental United States at all times on or since June 17, 1940. T. Nishikawa as named in said blocked account is the present applicant of this license.

The aforesaid certificate represents an interest in the assets of the old Pacific Commercial Bank, which was liquidated when it was forced to close its doors."

2. Prepared a letter to the Federal Reserve Bank of San Francisco, wherein the aforesaid license application was transmitted.
3. Prepared a letter to the Seattle First National Bank, wherein the aforesaid certificate was transmitted so that the bank can enter the necessary endorsements when the payment is made upon issuance of the license.

17) INTERVIEW:

Kiyotaka Nagatani, relative to his will.

WILL: Kiyotaka Nagatani of Port Blakely, County of Kitsap, State of Washington and now an evacuee of this center is desirous of having a will made, wherein he will bequeath all of his property to his brother, Ichiro Nagatani, and his sister, Kimiko Nagatani, to be equally divided between them, share and share alike.

Accordingly, I prepared this will.

- 25) INTERVIEW:
G. K. Yama, relative to his Federal Reserve License

FEDERAL RESERVE: Mr. G. K. Yama whose full and true name is Kuai Yamauchi at the time of the outbreak of war lived at Cordova, Alaska. He was picked up by the governmental authorities and was interned. He is now paroled from the internment camp to this center.

Through this office he negotiated for the services of Dr. W. H. Chase at Cordova, Alaska, to handle his affairs as his attorney-in-fact. In due course Dr. Chase received authority from the Governor's Office of Alaska to wind up Mr. Yama's affairs.

Under date of July 26th and August 28th Mr. Yama received from Dr. Chase two checks in the sum of \$1000.00 and \$400.00, respectively. These checks were deposited to his credit in the Fidelity National Bank in Twin Falls.

Upon advice received from the Office of the Secretary for the Territory of Alaska under date of March 16, 1945 this office prepared and forwarded Mr. Yama's license application for living expenses to the Secretary.

Under date of April 25, 1945 the Acting Governor of the Territory of Alaska issued License No. NY, dated April 25, 1945, which in part provided:

"To withdraw from the blocked account in the name of G. K. Yama (also known as George Yama and George Yama-uchi) in the Fidelity National Bank of Twin Falls, Twin Falls, Idaho, not to exceed the sum of Two Hundred (\$200.00) Dollars for the living expenses of said G. K. Yama.

The desired amount of funds, not exceeding \$200.00 may be withdrawn from said bank, and payment may be effected in the form of checks to said G. K. Yama.

The said G. K. Yama is required to file reports on Form TFER-1 upon consummation of the transactions."

Therefore, prepared the following:

1. A copy of said license for our file.

FEDERAL RESERVE (Continued from Item 25): I accompanied Mr. G. K. Mr. R. Nitta, relative to his case now pending in the District Court.

TELEPHONE: Mr. Wayne Barclay is now acting as the attorney for Mr. Nitta. After considerable delay due to the illness of the District Judge the new term of court was to open today. I called Mr. Wayne Barclay for the purpose of

ascertaining the trial date. He wasn't in his office; so, I called up Mr. Richard Seeley, the Prosecuting Attorney, a close friend of Mr. Barclay, to find out whether or not he is at the Court House. The secretary informed me, that Mr. Wayne Barclay suffered a heart attack this morning.

This information was conveyed to Mr. Nitta.

35) INTERVIEW:
Mrs. Kiwa Nagatani-----Consultation.

36) TRIP TO TWIN FALLS:

I went to the Office of the Bureau of Internal Revenue to pick up 1945 Declaration of Estimated Tax forms.

I also went to the Fidelity National Bank of Twin Falls and secured copies of the bank's Joint and Survivorship Agreement forms.

TUESDAY - May 8, 1945

37) INTERVIEW:
R. Nitta-----Consultation.

38) LETTER:

To Mr. Frank Toyota.

DAMAGE SUIT: Mr. Frank Toyota has commenced an action for damages against J. L. Schwinn doing business as Sun Valley Stages, et al. Mr. Toyota is asking for the sum \$4474.00 in damages to him as a result of his injuries suffered while a passenger on the Sun Valley Stages. The attorney for the defendants has entered a demurrer against the plaintiff's complaint. The hearing on the demurrer was to have been held yesterday morning.

On the morning of the hearing Mr. Wayne Barclay, Mr. Toyota's attorney, took suddenly ill due to a heart attack. So, the hearing was held over.

Mr. Toyota is now visiting Portland, Oregon. Under date of May 4, 1945 his son advised us, that his father's

short term pass has been extended for three weeks; and that he would appreciate if we will advise him as to when his father must appear in court.

Prepared a letter to Mr. Toyota, wherein the office answered this inquiry.

39) TRIP TO JEROME:

I went to Jerome with Mr. Cox, our Evacuee Property Officer, to contact Mr. Richard Seeley, prosecuting attorney at Jerome, who is a close friend of Mr. Wayne Barclay. I was anxious to hear about Mr. Wayne Barclay's condition, since he has several cases coming up for trial this term of court. Mr. Seeley informed me, that he saw Mr. Wayne Barclay a few minutes ago; that he is now coming along nicely; and that he will return to his office in a few days.

He also told me, that the District Judge will come back around the 14th; and that the cases will be tried during the latter part of the month.

WEDNESDAY - May 9, 1945

40) INTERVIEW:

Mr. R. Teraoka, relative to a Special Power of Attorney.

SPECIAL POWER OF ATTORNEY: Mr. R. Teraoka is about to relocate to Spokane, Washington. At the time of his evacuation from Seattle, Washington he left a 1937 Dodge sedan in storage at the "Kono Garage". He is now desirous of having Jimmy Uyeda pick up the aforesaid car for delivery to him at his new home in Spokane, Washington.

Therefore, prepared a Special Power of Attorney which in part provided:

"1. To take possession of that certain motor vehicle, to-wit:

1937 Dodge sedan, bearing Motor No. D5-251346,
Serial No. 4750614, State of Washington
Certificate of Title No. A924492,

which is now kept in storage at the "Kono Garage",
located at 317-12th Avenue, Seattle, Washington

for the special purpose of delivering the same to me at Spokane, Washington;

2. To drive the aforesaid vehicle from said garage to my home at Route 1, Box 345, Spokane, Washington;
3. To apply and secure from the "Office of the Price Administration" the necessary gasoline ration to make the aforesaid trip from Seattle to Spokane, Washington;
4. To give effectual receipt and discharge for the same; and to do all acts requisite for effecting these premises hereby ratifying and confirming all that the said attorney shall do therein by virtue of these presents."

41) INTERVIEW:

Mrs. Kura Hidaka, relative to a letter.

INTERPRETATION: Under date of May 1, 1945 George H. Lafabregue, Relocation Adjustment Advisor at Seattle, Washington wrote to the Counselor of the Project relative to the divorce action brought by Kura Hidaka against Edward S. Hidaka in the District Court at Jerome.

A copy of this letter was transmitted to this office by Mrs. Kimmerling, the Counselor.

I interpreted the contents of this letter to Mrs. Hidaka.

42) INTERVIEW:

Mr. T. Nakao-----Consultation.

43) INTERVIEW:

Mr. Isetaro Kasahara, relative to his son's claim against the Sears, Roebuck and Company.

CLAIM: George S. Kasahara, the son, has a claim against the Sears, Roebuck and Co. in the sum of \$39.15. This office has been negotiating with said company in the settlement of this claim for some time.

Under date of March 26, 1945 the Sears, Roebuck and Co. advised us to the following effect:

"Enclosed is a photostatic copy of the cancelled check which was issued to Geo. S. Kasahara on September 29, 1943.

If you will please examine this copy closely we are sure that you will find that this check was cashed at Sears Roebuck and Co., Spokane, Washington. Consequently we fail to understand why you state that this check was enclosed with an order that was sent directly to us in which case, had this happened, the check would have been cashed by us.

Please contact Mr. Kasahara in regard to this and when we hear from you again the matter will receive our further attention."

Under date of April 17, 1945 this office wrote to the Sears, Roebuck and Company, wherein we advised them, that our client insists, that the refund check was mailed to Seattle, Washington along with a new order; that, since he had mailed the same from the Snake River Post Office, a railroad station between Spokane and Pasco, the refund check in question may have been misdirected to the branch store at Spokane, Washington; and that, therefore, in the event there is an order on file with the Spokane Office, the cashing of the check at the Spokane Branch can be easily explained.

Under date of April 26, 1945 the Sears, Roebuck and Company remitted to us their check in the sum of \$39.15.

Since Mr. Kasahara is confined at McNeil Island, Washington, I prepared the following:

1. A receipt by George S. Kasahara covering the aforesaid check.
2. The affidavit as to the status of George S. Kasahara.
3. An authorization to be signed by George S. Kasahara authorizing the delivery of the check to his father, Isetaro Kasahara.
4. A letter to Mr. Kasahara, wherein the aforesaid papers were transmitted for execution, and the office requested the return of the same to this office at once. This letter was countersigned by Isetaro Kasahara.

44) INTERVIEW:

Mr. Takeshi Minagawa, relative to a Power of Attorney.

POWER OF ATTORNEY: Takeshi Minagawa is on his last furlough and is about to go overseas. He is desirous of having a General Power of Attorney made in favor of his wife, Kiyoko.

To accommodate the soldier, I prepared this Power of Attorney.

THURSDAY - May 10, 1945

FILE: Mr. Dengo Kusakabe has relocated to Seattle. Upon checking his file we found several original letters addressed to him kept in our file.

FRIDAY - May 11, 1945

47) INTERVIEW by my secretary:

Mrs. Katsuno Mihara, relative to her accounts in the Seattle First National Bank.

FEDERAL RESERVE: Mrs. Katsuno Mihara's former name was Katsuno Kushi. She had a savings account, a checking account, and a safe deposit box in the International Branch of the said bank either under the name of "T. N. Kushi or Katsuno Kushi". Mrs. Mihara was desirous of ascertaining the status of her accounts.

Under date of April 29, 1945 this office wrote to the Federal Reserve Bank of San Francisco regarding same.

Under date of May 5, 1945 the Federal Reserve Bank of San Francisco replied to the following effect:

"Reference is made to your letter, dated April 28, 1945 wherein you wish to be informed as to the status under Executive Order No. 8389, as amended of Mrs. Katsuno Mihara, formerly Katsuno Kushi, and of T. N. Kushi.

A review of our records indicates that Mrs. Katsuno Mihara, formerly Katsuno Kushi, has not been designated as a specifically blocked national by the Treasury Department. It would, therefore, appear that if she is able to qualify under the provisions of General License No. 68A, her status would be that of a "generally licensed national". In such event, there would appear to be no reason why the accounts of Katsuno Mihara, formerly Katsuno Kushi should be blocked, provided, of course, that there is no interest whatsoever of a blocked national, direct or indirect, in such accounts.

We do not appear to have any information regarding Mr. T. N. Kushi."

Prepared a certified copy of the aforesaid letter, which was delivered to Mrs. Mihara.

SATURDAY - May 12, 1945

48) INTERVIEW:

Goroku Baba-----Consultation.

51) LETTER:

To the Sr. Property Officer at Seattle, wherein the office advised him, that Henry and/or Tom Shigeo have relocated, and that he should in the future correspond with them at their new address instead of writing to us.

52) LETTER:

To Henry Shigeo, wherein we advised him that he should in the future write directly to our Seattle Office concerning his and his brother's case due to their relocation.

MONDAY - May 14, 1945

53) LETTER:

56) INTERVIEW:

Mrs. Shigeno Kusaka, relative to her deceased husband's dividend check and certificate.

ESTATE: Suyejiro Kusaka, the husband, died at this center on October 26, 1943. The only other heir, that he left, was Teruko Dobashi, nee Teruko Kusaka, an American born citizen, age approximately 24 years.

At the time of his death Mr. Kusaka left a savings account in the Seattle First National Bank (International Branch) in the sum of \$472.50. After negotiating with the attorneys of the bank, Falknor, Emory and Howe, we had successfully set aside this savings account to Shigeno Kusaka by affidavit and indemnity agreement in lieu of probate.

Mrs. Kusaka later brought in the certificate issued by the "Depositors Committee of the Pacific Commercial Bank" in the sum of \$700.00, upon which dividends are now being issued. Mrs. Kusaka informed me, that she was unaware of the existence of this certificate at the time when the savings account was set aside.

Under the laws of the State of Washington Mrs. Kusaka will be entitled to said certificate and dividends by virtue of being the surviving spouse, since all of the expenses of the last sickness, funeral and burial expenses have been paid.

This office wrote to the Seattle First National Bank (Main Office) under date of April 24, 1945 and inquired as to whether or not it would be possible to have the dividends paid to the widow upon furnishing to the bank an affidavit and indemnity agreement covering same.

Under date of May 8, 1945 the attorneys for the bank, Falknor, Emory and Howe, replied to the following effect:

"Your letter of April 24th regarding the Pacific Commercial Bank Certificate standing in the name of Suyejiro Kusaka has been referred to us.

If you will send us affidavits signed by the surviving spouse and by Teruko Kusaka Dobashi covering the certificate directing that payment should be made to the widow and agreeing to indemnify the bank in case of loss, we shall see that the new dividend check is payable to Mrs. Kusaka. We suggest that the affidavit be so worded as to cover the entire face value of the certificate so that in case of future dividends, no new affidavits will be required.

We enclose Affidavit for Release of Property without

Probate to be filled in and signed by Mrs. Kusaka.
Please return two copies to this office."

Therefore, prepared the following:

1. The affidavit and indemnity agreement, which is to be offered to the bank in lieu of probate.
2. Affidavit for transfer for release of property for determination of inheritance tax without probate.

Immediately after the outbreak of the war he was picked up by the governmental authorities and later interned at Santa Fe Internment Camp. Sometime ago he was released to this center on parole. Recently he had his financial affairs liquidated by Dr. W. H. Chase of Cordova, Alaska under license issued by the Office of the Secretary for the Territory of Alaska. Mr. Yama has an application now pending with the Office of the Secretary for the Territory of Alaska to expend the sum of not more than \$200.00 per month from his account in the Fidelity National Bank of Twin Falls for living expenses. All monies realized as a result of the liquidation are now deposited at said bank.

In order to facilitate matters this office wrote a letter to the Federal Reserve Bank of San Francisco, wherein the office made inquiry as to whether or not the application to unblock Mr. Yama's account can be made directly with them, instead of sending it to the Office of the Secretary for the Territory of Alaska.

Under date of May 5, 1945 the Federal Reserve Bank of San Francisco replied to the following effect:

"Receipt is acknowledged of your letter of April 30,

1945 in which you inquire if it would be in order for the subject individual who formerly resided in Alaska to file an application with this bank for the unblocking of his accounts or other property.

We have been informed that the Treasury Department has inaugurated a program through the War Relocation Authority whereby Project Directors of Relocation Centers are authorized to receive questionnaires and to submit to this bank group applications for the restoration or granting of the privileges of General License No. 68A, to nationals of Japan whose accounts and other property have been blocked pursuant to the provisions of Executive Order No. 8389, as amended.

It is our understanding that such instructions were forwarded to the War Relocation Authorities about a week ago, and it is therefore suggested that you hold this matter in abeyance pending the inauguration of this program."

Since this office has already received a copy of the Administrative Notice No. 248, I have this date interrogated Mr. Yama and filled out his application on WRA Form 389 which was accordingly signed by him.

For the purpose of making the aforesaid deposit authorize the said Seimi Kuribayashi to endorse the said check "Hikogoro Kuribayashi by Seimi Kuribayashi", as Hikogoro Kuribayashi as named in said check and H. Kuribayashi, the owner of said blocked account, are the same and one person.

This application is based upon the following facts and information:

"That prior to the outbreak of war the said H. Kuribayashi whose full name is Hikogoro Kuribayashi, left for Japan leaving the following vehicles in care, custody and control of his son, Kiyokazu Kuribayashi at Milwaukie, Clackamas County, State of Oregon:

- 1) 1934 V-8 Ford truck, bearing Motor No. 18-1184129.
- 2) 1936 Dodge sedan bearing Motor No. D2-120015.

That said H. Kuribayashi is now isolated in Japan, and hence is a "Blocked Japanese National".

That to comply with the war effort of our country the said Kiyokazu Kuribayashi for and on behalf of his father, H. Kuribayashi, sold the 1934 V-8 Ford truck to Alvin Bischoff of Route 1, Box 258, Clackamas County, Oregon for the sum of \$155.00 pursuant to Federal

That the aforesaid 1936 Dodge sedan was requisitioned by the Army, while Kiyokazu Kuribayashi was at the Portland Assembly Center, Portland, Oregon. Check No. 5,477.988 has therefore been issued and is inclosed for deposit to Mr. Kuribayashi's account.

Since signature of Mr. Kuribayashi cannot be obtained to the necessary forms, it is requested that an officer of your bank acknowledge receipt of the check by signature on attached forms; or, if this procedure is not in accordance with the policy of your bank, it is requested that a copy of deposit slip be attached to each form and returned to this office.

Further request is made that a copy of the deposit slip be furnished the son of Mr. Kuribayashi if his address is available."

That said Kiyokazu Kuribayashi is now dead--having died at the Minidoka WRA Center Hospital, Hunt, Idaho on the 2nd day of February, 1945.

FEDERAL RESERVE: Mrs. Fusa Kunitsugu is owner of a certificate issued by the Committee of Depositors of the Pacific Commercial Bank of Seattle, being No. 205, in the original face amount of \$27.19. The Seattle-

First National Bank, as trustee for said committee, has declared a 20% dividend on the certificate. The certificate represents an interest in the assets of the old Pacific Commercial Bank, which had failed some 14 years ago.

Mrs. Kunitsugu is a "blocked Japanese national" by virtue of her failure to reside continuously within the continental limits of the United States on or since June 17, 1940.

All of the estate was set aside to Fusa Kunitsugu as the surviving spouse, by order of court in the Superior Court of King County (Washington) on July 6, 1939 in lieu of homestead.

Fusa Kunitsugu is now desirous of securing the divi-

dends on said certificates. She is a "Blocked Japanese National".

SOLDIER'S DEPENDENCY ALLOTMENT: Mr. Murahashi today brought in a note from Mrs. Kleinkopf of the Counselor's Office requesting that I plan out for a soldier's dependency allotment from his brother.

I advised Mrs. Kleinkopf over the phone that the application for soldier's dependency allotment is the function of the Counselor's Office and not of the Legal Aid; and furthermore that I doubt that he is entitled to any benefits as the soldier's wife is probably securing the allotment at the present time and Murahashi is not a dependent of the soldier.

SUBJECT: Bi-monthly report - June 16, 1945 to June 30, 1945
inclusive.

The undersigned submits herewith the following report:

SATURDAY - June 16, 1945

- 1) MEMO: Prepared the bi-monthly report covering June 1, 1945 to June 15, 1945 inclusive which consists of 13 pages.
- 2) LETTER: To Mr. Thomas C. Boyle with reference to his request of June 12, 1945 in regard to Dengo Kusakabe, who has recently relocated back to Seattle.

MONDAY - June 18, 1945

- 3) INTERVIEW: Mr. T. Murahashi-----Consultation.
- 4) INTERVIEW: Mrs. Shigeno Kusaka, relative to her deceased husband's dividend check and certificate.

ESTATE: Suyejiro Kusaka, the husband, died at this center on October 26, 1943. The only other heir, that he left, was Teruko Dobashi, nee Teruko Kusaka, an American born citizen, age approximately 24 years.

At the time of his death Mr. Kusaka left a savings account in the Seattle-First National Bank (International Branch) in the sum of \$472.50. After negotiating with the attorneys of the bank, Falknor, Emory and Howe, we had successfully set aside this savings account to Shigeno Kusaka by affidavit and indemnity agreement in lieu of probate.

Mrs. Kusaka later brought in the certificate issued by the "Depositors Committee of the Pacific Commercial Bank" in the sum of \$700, upon which dividends are now being issued. Mrs. Kusaka informed me, that she was unaware of the existence of this certificate at the time when the savings account was set aside.

Under the laws of the State of Washington Mrs. Kusaka will be entitled to said certificate and dividends by virtue of being the surviving spouse, since all of the expenses of the last sickness, funeral and burial expenses have been paid.

This office wrote to the Seattle-First National Bank (Main Office) under date of April 24, 1945 and inquired as to whether or not it would be possible to have the dividends paid to the widow upon furnishing to the bank an affidavit and indemnity agreement covering same.

Under date of May 8, 1945 the attorneys for the bank, Falknow, Emory and Howe, replied to the following effect:

"Your letter of April 24th regarding the Pacific Commercial Bank Certificate standing in the name of Suyejiro Kusaka has been referred to us.

If you will send us affidavits signed by the surviving spouse and by Teruko Kusaka Dobashi covering the certificate directing that payment should be made to the widow and agreeing to indemnify the bank in case of loss, we shall see that the new dividend check is payable to Mrs. Kusaka. We suggest that the affidavit be so worded as to cover the entire face value of the certificate so that in case of future dividends, no new affidavits will be required.

We enclose Affidavit for Release of Property without Probate to be filled in and signed by Mrs. Kusaka. Please return two copies to this office."

This office then prepared the affidavit and indemnity claim, which was signed by Shigeno Kusaka, Teruko Dobashi and Chiyono Yasunobu and the "affidavit for transfer for release of property for determination of inheritance tax without probate" by Shigeno Kusaka, and the same was forwarded to the Trust Department of the Seattle-First National Bank.

Under registered mail dated June 12, 1945 the Seattle-First National Bank transmitted to Mrs. Shigeno Kusaka in care of this office the following:

1. Cashier's check No. 86568 issued by the Trust Department, Seattle-First National Bank, dated June 11, 1945 payable to the order of Shigeno Kusaka in the sum of \$140.
2. Certificate No. 215 dated December 10, 1932 issued by the Committee of Depositors of the Pacific Commercial Bank in the face amount of \$700 in the name of Suyejiro Kusaka.

Prepared the following:

1. A copy of the letter of transmittal for our file.
2. The receipt covering the aforesaid enclosures signed by Mrs. Shigeno Kusaka.
3. A letter to the Trust Department of the Seattle-First National Bank, wherein the aforesaid receipt was enclosed, and the office thanked the bank for the courtesy that they had extended to us and Mrs. Shigeno Kusaka.

The case was then closed.

- 5) LETTER:

- 6) INTERVIEW:
Mrs. Michiko Tsutakawa-----Consultation.
- 7) INTERVIEW:
J. K. and I. Watanabe, relative to their savings account.

BANKING: Mrs. I. Watanabe is the owner of a savings account in The First National Bank of Portland, Astoria Branch, balance as of August 30, 1941 being in the sum of \$426.95. Mrs. Watanabe was desirous of closing this account by withdrawing the entire balance.

Under date of May 28, 1945 the bank advised us to the following effect:

"This is to acknowledge receipt of your letter of May 24, enclosing savings pass book #2136 in the name of I. Watanabe, a signed withdrawal receipt and affidavit for #154.

In comparing the signature on the withdrawal receipt and affidavit with our signature card form, we find that there is quite a difference in the hand writing. It may be that the withdrawal and affidavit were signed by Mrs. Watanabe, whereas, the signature card may be signed by and the account should be in the name of Mr. Watanabe.

We believe that we should have information from you to the effect that either the account is in the name of Mrs. Watanabe, or we should have a signed withdrawal and affidavit from Mr. Watanabe.

We will hold the pass book and various papers until you advise us."

This office then forwarded a new withdrawal receipt signed by both the husband and wife, together with the affidavit as to the status of J. K. Watanabe to the bank, and requested, that a cashier's check be executed in favor of "J. K. and I. Watanabe" for the entire balance of the account.

Under date of June 13, 1945 the bank enclosed a cashier's check in the sum of \$445.91, representing the balance of the account, and the cancelled passbook, and advised us to the following effect:

"Please note that, in accordance with instructions we have made the draft payable to J. K. Watanabe and I. Watanabe. This means that both parties, not just J. K. Watanabe also known as I. Watanabe, must endorse. We must have both Mr. and Mrs. Watanabe's signatures on the reverse of the check as the endorsers. Would you kindly follow this through for us."

Therefore, prepared the following:

1. A receipt by J. K. and I. Watanabe covering the aforesaid enclosure.
2. A letter to the bank, wherein the office transmitted the aforesaid receipt, and thanked the bank for the courtesy so extended.

3. A pass request to take Mr. Watanabe out to Twin Falls for the purpose of depositing said check in the Twin Falls Fidelity National Bank.

FEDERAL RESERVE: Under date of April 25, 1945 the Fidelity National Bank of Twin Falls received the following letter from the Army Service Forces at San Francisco, California:

"This office has been authorized under Award of Fair and Just Compensation, signed by the Under Secretary of War on 29 March 1945, to pay \$182.00 to the blocked account of Hikogoro Kuribayashi in the Fidelity National Bank of Twin Falls. Check No. 5,477.988 has therefore been issued and is enclosed for deposit to Mr. Kuribayashi's account.

Since signature of Mr. Kuribayashi cannot be obtained to the necessary forms, it is requested that an officer of your bank acknowledge receipt of the check by signature on attached forms; or, if this procedure is not in accordance with the policy of your bank, it is requested that a copy of deposit slip be attached to each form and returned to this office.

Further request is made that a copy of the deposit slip be furnished the son of Mr. Kuribayashi if his address is available.

Thank you for your cooperation in this matter."

Hikogoro Kuribayashi is a "blocked Japanese national" and is now residing in Japan.

Kiyokazu Kuribayashi, the son, had sold a certain car belonging to Hikogoro Kuribayashi and the proceeds of which were deposited to the credit of "Hikogoro Kuribayashi by Kiyokazu Kuribayashi" in the Fidelity National Bank of Twin Falls, pursuant to a Federal Reserve License issued therein. Another car belonging to Hikogoro Kuribayashi was requisitioned by the Army while Kiyokazu Kuribayashi was at the Portland Assembly Center. The present check involves the payment for this car to be made to this blocked account. Kiyokazu Kuribayashi is now dead; so, this office had prepared the Federal

Reserve License for Seimi Kuribayashi, the younger brother, so that the deposit can be made by Seimi Kuribayashi and the blocked account can be changed to the name of "Hikogoro Kuribayashi by Seimi Kuribayashi".

This license application in part provided:

"Authorize the change or transfer of the blocked account in the name of "H. Kuribayashi by Kiyokazu Kuribayashi" in the Fidelity National Bank of Twin Falls, Idaho to a new blocked account in the name of "H. Kuribayashi by Seimi Kuribayashi" in said bank,--the present balance being in the sum of \$155.00.

Authorize the execution of an affidavit and indemnity agreement by Seimi Kuribayashi, a copy of which is hereto attached.

Authorize the deposit of the sum of \$182.00 to this new blocked account representing payment under an Award of Fair and Just Compensation signed by the Undersecretary of War on March 29, 1945, in form of check No. 5,477.988 made payable to Hikogoro Kuribayashi.

For the purpose of making the aforesaid deposit authorize the said Seimi Kuribayashi to endorse the said check "Hikogoro Kuribayashi by Seimi Kuribayashi", as Hikogoro Kuribayashi as named in said check and H. Kuribayashi, the owner of said blocked account, are the same and one person.

This application is based upon the following facts and information:

"That prior to the outbreak of war the said H. Kuribayashi whose full name is Hikogoro Kuribayashi, left for Japan leaving the following vehicles in care, custody and control of his son, Kiyokazu Kuribayashi at Milwaukie, Clackamas County, State of Oregon:

- 1) 1934 V-8 Ford truck, bearing Motor No. 18-1184129.
- 2) 1936 Dodge sedan bearing Motor No. D2-120015.

That said H. Kuribayashi is now isolated in Japan, and hence is a "Blocked Japanese National".

That to comply with the war effort of our country the said Kiyokazu Kuribayashi for and on behalf of his father, H. Kuribayashi, sold the 1934 V-8 Ford truck to Alvin Bischoff of Route 1, Box 258, Clackamas County, Oregon for the sum of \$155.00 pursuant to Federal Reserve License issued under date of July 13, 1943, being No. SF 36684. That said Kiyokazu Kuribayashi in order to make the deposit as directed in said license endorsed the check in the sum of \$155.00 and opened a blocked account in the Fidelity National Bank of Twin Falls, Idaho in the name of "H. Kuribayashi by Kiyokazu Kuribayashi".

That the aforesaid 1936 Dodge sedan was requisitioned by the Army, while Kiyokazu Kuribayashi was at the Portland Assembly Center, Portland, Oregon. That in connection with said vehicle the Army Service Forces, 9th Service Command, Finance Office U. S. Army, 450 Mission Street, San Francisco 5, California under date of April 25, 1945 advised the Fidelity National Bank of Twin Falls, Idaho to the following effect:

(copy of said)

That said Kiyokazu Kuribayashi is now dead--having died at the Minidoka WRA Center Hospital, Hunt, Idaho on the 2nd day of February, 1945.

In view of the foregoing situation the said Seimi Kuribayashi, the brother of Kiyokazu Kuribayashi, requested, that this license be granted in order to deposit the aforesaid sum of \$182.00 to the new blocked account in the name of "H. Kuribayashi by Seimi Kuribayashi" in the Fidelity National Bank of Twin Falls, Idaho."

Under date of June 11, 1945 the Federal Reserve Bank of San Francisco issued License S.F. 46827, which in part provided:

"Withdrawal by check of not to exceed in the aggregate the sum of \$155.00 from a blocked account in the name of H. Kuribayashi by Kiyokazu Kuribayashi maintained with the Fidelity National Bank, Twin Falls, Idaho and the transfer of a like amount to a blocked account in the name of H. Kuribayashi by Seimi Kuribayashi in the said bank.

Collection of \$182.00 from the Finance Officer, U.S. Army, San Francisco, California, representing payment for a 1936 Dodge sedan belonging to said H. Kuribayashi requisitioned by the U.S. Army and the deposit of said funds in a blocked account in the name of H. Kuribayashi by Seimi Kuribayashi in the Fidelity National Bank, Twin Falls, Idaho.

This license is authorized provided payment is made to a blocked account in the name of H. Kuribayashi by Seimi Kuribayashi, as a national of Japan in the Fidelity National Bank, Twin Falls, Idaho."

In addition, the bank issued License No. S.F. 46827-A bearing the same date, which in part provided:

"All transactions ordinarily incident to the execution of an Affidavit and Indemnity Agreement in favor of the Fidelity National Bank, Twin Falls, Idaho as per copy attached to your application protecting the said bank against any claim or damage or otherwise on the part of any creditor or creditors of the decedent Kiyokazu Kuribayashi or any other party growing out of or resulting from the transfer of funds from a blocked account in the name of H. Kuribayashi by Kiyokazu Kuribayashi to a blocked account in the name of H. Kuribayashi by Seimi Kuribayashi in the said bank."

Prepared the following:

1. A signature card for the bank to open up the new blocked account.
2. A pass request so that I can take Mr. Seimi Kuribayashi to the bank for the purpose of depositing the check to the credit of the new blocked account and transferring the balance in the old blocked account to the new blocked account.

Fusa Kunitsugu, relative to her Federal Reserve Licenses.

DIVIDENDS: Mrs. Fusa Kunitsugu is owner of a certificate issued by the Committee of Depositors of the Pacific Commercial Bank of Seattle, being No. 205, in the original face amount of \$27.19. The Seattle-First National Bank, as trustee for said committee, has declared a 20% dividend on the certificate. The certificate represents an interest in the assets of the old Pacific Commercial Bank, which had failed some 14 years ago.

Mrs. Kunitsugu is a "blocked Japanese national" by virtue of her failure to reside continuously within the continental limits of the United States on or since June 17, 1940.

Accordingly, under date of June 21, 1945 the Federal Reserve Bank of San Francisco issued License SF 47181 authorizing the payment of the dividend to her; but it was necessary to apply for a new license since her name in the license was spelled incorrectly.

Under date of July 6, 1945 the Federal Reserve Bank of San Francisco issued a new license, being No. SF 47473, which in part provided:

This license amends and supersedes License No. SF 47181 which is hereby cancelled."

21) ESTATE WITHOUT PROBATE:

1. Certificate No. 206 in the original face amount of \$203.80.
2. Certificate No. 207 in the original face amount of \$698.22.

All of the estate was set aside to Fusa Kunitsugu as the surviving spouse by order of court in the Superior Court of King County (Washington) on July 6, 1939, in lieu of homestead.

This office corresponded with the Seattle-First National Bank, the trustee for said committee, relative to having the dividends on the certificates paid directly to her upon issuance of a Federal Reserve License covering the transaction.

Under date of June 19, 1945 the bank replied as follows:

"This will acknowledge receipt of your letter of June 13, enclosing Certificate No. 206 and 207 of the Committee of Depositors of Pacific Commercial bank, together with Order to Set Aside Property in Lieu of Homestead in re T. Kunitsugu estate.

The enclosed order is satisfactory evidence to us that the widow is entitled to receive proceeds of the dividend and upon receipt of a copy of the

Federal Reserve License authorizing payment, we will proceed to complete the transaction."

Accordingly, this office prepared an application for a Federal Reserve License on Form TFE-1 and the same was forwarded to the Federal Reserve Bank of San Francisco.

In the meantime, Mrs. Kunitsugu had requested for the unblocking of her account by filing WRA Form 389. Under date of July 5, 1945 the Federal Reserve Bank of San Francisco advised Mrs. Kunitsugu to the following effect:

The undersigned submits herewith the following report:

MONDAY - July 16, 1945

- 1) MEMO: Prepared the bi-monthly report covering July 2, 1945 to July 14, 1945 inclusive which consists of 11 pages.
- 2) INTERVIEW: Mr. G. K. Yama, whose full and true name is Kuai Yamauchi, relative to his application for a discharge from his parolee status.

DISCHARGE FROM PAROLEE STATUS: Mr. G. K. Yama at the outbreak of war resided at Cordova, Alaska, where he owned and operated the "Star Cafe". He was picked up by the governmental authorities and was later interned at Santa Fe Internment Camp. He lived in the Territory of Alaska from the year 1916 and up to the time of his removal. He was married to a person of caucasian decent, who died after his internment. He had an adopted son of caucasian and native decent who is now staying at Portland, Oregon with his natural father's brother. Mr. Yama is about to relocate to Spokane, Washington where he intends to make a home for his adopted son.

He is desirous of filing his application with Honorable Edward J. Ennis, Enemy Alien Control Unit, Department of Justice, Washington, D. C. in order to be discharged from his parolee status.

Mr. Yama is in possession of a letter from the Mayor

of Cordova. Since it may be of special interest to you I am now submitting a copy thereof:

"Your communication dated New York early August reached me today - August 26th-1943.

Your request for recommendation is granted without reservation.

This to whom it might interest -

I have known Mr. Yamauchi for a great many years - at least twenty five. He has always been industrious, in fact he worked to many hours to preserve his health. He was always respected in this community - In personal talks with me after the attack on Pearl Harbor - he expressed himself very strongly against the Japanese actions.

Mr. Yamauchi conducted a good Restaurant here in Cordova - previous to that time he served many years as cook for the Copper River Railroad out of Cordova.

He also adopted a half breed - White et Native Boy - gave him a good home - Had him join the boy scouts - and send him a great distance to a Boy Scout summer outing.

I feel that every consideration should be given Mr. Yamauchi. I wish some of the Germans in this vicinity were interned in place of some Japanese I have known.

Trusting this may help Kuai in his endeavors whatever they may be as I consider him loyal to our country."

Prepared the following:

1. A certified copy of the aforesaid letter.
2. A letter to the Honorable Edward J. Ennis wherein Mr. Yama requests for the discharge and submits in support thereof the aforesaid certified copy of the letter from the mayor.

The letter was then turned over to our Project Attorney.

LETTER: Mr. C. T. Takahashi is on the stop order and was granted permission to visit Seattle under escort. He is unable to secure reservations to make the trip as under the permit he must make the trip between the period July 11 to August 11, 1945. Mr. Takahashi took this matter up with Mr. McLaughlin.

Mr. J. Hayashi, relative to a letter.

CUSTOMS: Sometime prior to the outbreak of war Mr. Hayashi had sent for a package of medicine from Dairibu,

Japan. This medicine is known as "Furu-chi-jio" and helps one's blood circulation. Mr. Hayashi found this medicine very helpful to his ailment. Under date of November 21, 1941 Mr. Hayashi was advised by the Collector's office, United States Customs Service, Seattle, Washington, that it would be necessary for him to secure a license from the Federal Reserve Bank of San Francisco before they will be able to turn the package over to him. Accordingly, Mr. Hayashi applied for the license on November 26, 1941. However, under letter dated December 9, 1941 from the Federal Reserve Bank of San Francisco his application was denied.

Mr. J. Hayashi is now desirous of re-applying with the Federal Reserve Bank of San Francisco for permission to secure this package from the Collector's office.

Therefore, prepared an inquiry, wherein the office inquired as to whether or not the Collector's office still has the package on hand so that Mr. Hayashi will be able to re-apply for a license with the Federal Reserve Bank of San Francisco concerning same.

8) TRIP TO JEROME:

I accompanied Tamae Kogita to Jerome to contact Mr. Wayne Barclay, her attorney.

Mr. Barclay prepared a Summons and Complaint against Yasusuke Kogita, wherein Tamae Kogita commences an action for divorce against Yasusuke Kogita and requests for the care, custody and control of Dorothy Masae Kogita, age fifteen years. It seems, that Yasusuke Kogita has been associating with another woman and a result of this liaison two boys were born. It is contended, that Tamae Kogita was registered at the time of the birth as the two boys' mother. However, since these two boys are not the issues of the marriage their names were left out from the complaint. Yasusuke Kogita is now taking care of these two children and the real mother is residing at another center.

As grounds for the divorce the complaint stated as follows:

"5. That for more than five years last past defendant has been guilty of extreme cruelty toward plaintiff and has inflicted greivous mental suffering upon her by his acts and conduct toward her and has treated plaintiff in a cruel and inhuman manner which has caused plaintiff

much physical and mental suffering, in this, that at many and various times during the last mentioned period of time, defendant has frequently and repeatedly informed plaintiff that he did not and does not love her and did not and does not desire to remain married to her or to live with her as husband and wife and further that she should and must live separate and apart from defendant and that he did and does not desire to resume or continue the relationship of husband and wife with plaintiff in the future."

Mr. Fistere is going to contact Mr. Williams to send a wire to the Western Defense Command, wherein the attorney will put in the request for Mr. Okiyama's presence at the trial. In the event the permit is not granted on time by the Command Mr. Williams is to take steps to have the trial continued.

19) INTERVIEW:

Mrs. Fusa Kunitsugu, relative to her Federal Reserve license.

DIVIDENDS: Mrs. Fusa Kunitsugu is owner of a certificate issued by The Committee of Depositors of Pacific Commercial Bank of Seattle, being No. 205, in the original face amount of \$27.19. The Seattle-First National Bank, as trustee for said committee, has declared a 20% dividend on the certificate. The certificate represents an interest in the assets of the old Pacific Commercial Bank, which had failed some 14 years ago.

Mrs. Kunitsugu is a "blocked Japanese national" by virtue of her failure to reside continuously within the continental limits of the United States on or since June 17, 1940.

Accordingly, under date of June 21, 1945 the Federal Reserve Bank of San Francisco issued License SF 47181 authorizing the payment of the dividend to her; but it was necessary to apply for a new license since her name in the license was spelled incorrectly.

Under date of July 6, 1945 the Federal Reserve Bank of San Francisco issued a new license, being No. SF 47473, which in part provided:

"The Seattle-First National Bank, Seattle, Washington as trustee for The Committee of Depositors of the Pacific Commercial Bank, Seattle, Washington is authorized to pay the sum of \$5.43 to Fusa Kunitsugu, Hunt, Idaho, for her disposition, which funds represent dividend No. 4 of 20% of the original face amount of Certificate of Deposit No. 205 in the sum of \$27.19 issued in the name of Fusa

Kunitsugu by Committee of Depositors of the Pacific Commercial Bank covering amount of funds on deposit with the said Pacific Commercial Bank at the time of its liquidation.

This license amends and supersedes License No. SF 47181 which is hereby cancelled."

ESTATE WITHOUT PROBATE: Tajiro Kunitsugu, the deceased husband of Fusa Kunitsugu, died on April 14, 1939. In addition to certain other property he left as part of his estate the following certificates issued by The Committee of Depositors of Pacific Commercial Bank:

1. Certificate No. 206 in the original face amount of \$203.80.
2. Certificate No. 207 in the original face amount of \$698.22.

All of the estate was set aside to Fusa Kunitsugu as the surviving spouse by order of court in the Superior Court of King County (Washington) on July 6, 1939, in lieu of homestead.

This office corresponded with the Seattle-First National Bank, the trustee for said committee, relative to having the dividends on the certificates paid directly to her upon issuance of a Federal Reserve license covering the transaction.

Under date of June 19, 1945 the bank replied as follows:

"This will acknowledge receipt of your letter of June 13, enclosing Certificate No. 206 and 207 of The Committee of Depositors of Pacific Commercial Bank, together with Order to Set Aside Property in Lieu of Homestead in re T. Kunitsugu's estate.

The enclosed order is satisfactory evidence to us that the widow is entitled to receive proceeds of the dividend and upon receipt of a copy of the Federal Reserve license authorizing payment, we will proceed to complete the transaction."

Accordingly, this office prepared an application for a Federal Reserve license on Form TFE-1 and the same was forwarded to the Federal Reserve Bank of San Francisco.

In the meantime, Mrs. Kunitsugu had requested for the

unblocking of her account by filing WRA Form 389. Under date of July 5, 1945 the Federal Reserve Bank of San Francisco advised Mrs. Kunitsugu to the following effect:

"Reference is made to the above-mentioned application in which you requested a Treasury Department license in order to authorize the Seattle-First National Bank, as trustee for The Committee of Depositors of Pacific Commercial Bank, to pay liquidating dividend No. 4 to you as surviving spouse of Tajiro Kunitsugu, on certificates Nos. 206 and 207, issued by The Committee of Depositors of Pacific Commercial Bank.

We are taking no action with regard to this application in view of the issuance of license No. SF 47331 under date of June 29, 1945, which license granted to you the privileges of General License No. 68-A, as amended. Therefore, we are considering application No. SF 47420 as having been withdrawn, and are marking our records accordingly."

The Federal Reserve License granting the privileges of General License 68A to Mrs. Kunitsugu was issued under date of June 29, 1945, being No. SF 47331, which in part provided:

"You are hereby granted the privileges of General License No. 68A, as amended."

This office then forwarded the following documents:

1. A copy of Federal Reserve License No. SF 47331, wherein she was granted the privileges of General License No. 68-A,
2. Copies of the letter from the Federal Reserve Bank of San Francisco dated July 5, 1945 relative to the application of Mrs. Kunitsugu covering the payment of the dividends on the certificates in the name of her deceased husband,
3. The affidavit as to the status of Mrs. Kunitsugu on Form WRA 154 which affidavit in addition recited the granting of the privileges of General License No. 68-A to her,

to the Seattle-First National Bank; and the office requested

the payment of the dividends on the certificates by sending the same to her in care of this office.

Under date of July 16, 1945 the Seattle-First National Bank wrote to Mrs. Fusa Kunitsugu by registered mail in care of this office to the following effect:

"We enclose by registered mail Certificate No. 205 of the Committee of Depositors of Pacific Commercial Bank registered in your name and No. 206 registered in the name of T. Kunitsugu and No. 207 registered in the name of Tajiro Kunitsugu.

We have endorsed dividend payment of 20% thereon and enclose our check in the amount of \$185.84 in payment thereof."

Therefore, prepared the following:

1. Receipt by Fusa Kunitsugu covering the aforesaid registered mail, which noted the contents therein.
2. A letter to the Seattle-First National Bank, wherein the office transmitted the aforesaid receipt, and thanked the bank for the courtesy that they had extended to us in the case.

Mrs. Taki Sonoda relative to her deceased husband's estate.

ESTATE WITHOUT PROBATE: Yaoju Sonoda died at Seattle, Washington on July 28, 1940. At the time of his death he left a certificate issued by the Committee of Depositors of the Pacific Commercial Bank in the sum of \$400. The Seattle-First National Bank is now acting as trustee for the committee. A 20% dividend has been declared on the outstanding certificate. Yaoju Sonoda left surviving him beside his widow, 5 children, one being still a minor.

This office wrote to the Seattle-First National Bank to find out whether or not it would be possible to set over the dividends in favor of the widow upon execution of proper papers.

Under date of July 19, 1945 the Seattle-First National Bank advised us to the following affect:

"Your letter of July 2nd addressed to the Seattle-First National Bank has been referred to us for reply. The bank states that it is holding

Certificate No. 526 of the Committee of Depositors of Pacific Commercial Bank in the name of Yaoju Sonoda in the original amount of \$400.00 on which a dividend of \$80.00 is now payable.

Although the widow is entitled to have an estate of this size set over to her in lieu of homestead to the exclusion of the children, it is necessary to start probate proceedings in order to make such an award. However, in view of the fact that the amount involved is so small and the interest of the one minor child is only one-tenth of the total, we shall recommend to the bank that in this case it make payment of the dividend to Mrs. Sonoda upon receipt of an affidavit and indemnity agreement signed by her and the four children who are adults. We believe that you are familiar with the form of affidavit and indemnity agreement which we require. If you prefer, we shall be glad to prepare the form. We also enclose the affidavit for transfer of property without probate. Please return it to us after it is completed so that we may obtain a clearance from the Inheritance Tax Division."

Therefore, prepared the following:
