WAR RELOCATION AUTHORITY  
CENTRAL UTAH PROJECT

December 19, 1942.

FROM: HISTORICAL SECTION

SUBJECT: WEEKLY REPORT

1. NUMBER OF PERSONNEL EMPLOYED:

- (a) 3
- (b) The personnel is adequate at present.

2. PROGRESS OF CURRENT WORK:

Day to day compilation of the center life is progressing in addition to the daily log. Several sketches for the story of Topaz were written by the staff members. Research work in the adult educational program was submitted for the historical files.

Four sketches of Topaz life were submitted to Common Ground during the week by the section.

Preparation and first draft of an article to be reviewed and used by Mr. Ernst occupied much of the week's time.

~~Articles on evacuee Christmas spirit were written for Mr. Twohey.~~

(No comments on other problems and suggestions.)

WAR RELOCATION AUTHORITY

CENTRAL UTAH PROJECT

From: Historical Section

Subject: Weekly Report of December 24, 1942

1. Number of personnel employed:

- a. 3
- b. The personnel is adequate at present.

2. Progress of Current Work:

Toshio Mori and Henri Takahashi participated in the search for the missing man on Dec. 21 to compile a report for the section.

Bob Tsuda will undertake the indexing of the reports by divisions.

Duplicate copies of historical reports are now being made for John C. Baker, chief, Office of Reports.

In addition, work is progressing daily on the log as well as sketches of the City.

January 7, 1943

FROM: Historical Section

SUBJECT: Weekly Report

1. NUMBER OF PERSONNEL EMPLOYED:

(a) 3

(b) The personnel is adequate at present. However, in view of the future program, a larger personnel will become necessary.

2. Progress of Current Work:

A number of copies of articles pertaining to evacuation, appearing in periodicals and other sources, was made to augment the file now available.

At the request of the Project Director, two articles will be digested.

Daily progress is reported in the cataloguing of the reports by divisions, the day-to-day log and narratives.

SUBJECT: Weekly Report

1. NUMBER OF PERSONNEL EMPLOYED:

(a) 3

2. PROGRESS OF CURRENT WORKS:

Compilation of beet workers' sketches was made by a staff member, and duplicates were also being made available for Washington.

Preliminary cataloguing of the source book for the month of September was completed.

Compositions submitted to Basic English class of the Adult Education Program were collected for documentation.

Letters from various sources were collected for the section. Daily log was brought up-to-date, and 3 permanent copies of September entries were made. One copy was to be available for Mr. Ernst.

Articles for Mr. Ernst's use is almost completed.

6. FORECAST OF PROJECTED ACTIVITIES:

In conjunction with the documentation program, and for more comprehensive survey on resident reactions and impressions, the section has outlined an essay contest of center-wide proportions.

FROM: Historical Section

SUBJECT: Weekly Report

1. NUMBER OF PERSONNEL EMPLOYED:

- (a) 3
- (b) The personnel is adequate at present.

2. PROGRESS OF CURRENT WORK:

Indexing of October Source Book is now in progress.

\* - Completed for Mr. Ernst, a 31-page manuscript on "Relocation Program".

Materials pertaining to Governor Maw's visit collected for historical reference.

Participated in the clerical work of the questionnaire to outside workers from Topaz.

Daily log and narratives on City of Topaz continually written and ready for filing.

Participated in field work for the Spanish Consul report.

Talk given on Cooperatives attended last Tuesday nite.

Three members of staff attended JACL meeting (lecture by Mike Masaoka).

Topaz recipes gathered for historical data.

\* - Personal assistance by Toshio Mori, not to be included in weekly narrative report of the division.

WAR RELOCATION AUTHORITY  
CENTRAL UTAH PROJECT

January 28, 1943

FROM: Historical Section

SUBJECT: Weekly Report

1. NUMBER OF PERSONNEL EMPLOYED:

(a) 3

(b) The personnel is inadequate. We are greatly in need of an experienced typist.

2. PROGRESS OF CURRENT WORK:

Indexing of October Source Book is still in progress.

Documentation was begun on sugar beet work.

Questionnaires returned by privately-employed workers were sorted for proper compilation.

The staff assisted in re-copying of individual records at the request of the Leave Officer.

Formulated definite plans for essay contest and historical division publication.

Meetings attended: Dr. Gordon K. Chapman, speaking on resettlement.

Daily work advanced on the log and historical sketches.

3. ADEQUACY OF SUPPLIES AND MATERIALS:

NEED OF FILING CARDS: Filing cannot be completed until the cards arrive. At present, cataloguing is being completed on a temporary basis.

NEED OF SPACE: As the hiring of more needed workers is dependent on office space, the necessity arises for larger quarters.

February 4, 1943.

FROM: HISTORICAL AND DOCUMENTATION SECTION

SUBJECT: Weekly Report

1. NUMBER OF PERSONNEL EMPLOYED:

(a) 3

(b) An experienced typist with her own typewriter would alleviate the secretarial work which has been accumulating lately.

2. PROGRESS OF CURRENT WORK:

Much of the office hours were occupied in re-copying the Individual Record Survey.

A staff member submitted a short story to Common Ground.

Meetings attended: Community Forum and F.O.R.

A report on the public attitude concerning Stimson's statement on nisei voluntary enlistment was made.

Work on the daily log, indexing of October Source Book, sketches on Topaz life, and essay contest plans was continued, however handicapped with copying work on the Individual Record Survey Records.

A story was written for the magazine Trek.

3. FORECAST OF PROJECTED ACTIVITIES:

The duties and life of a Topaz worker in every representative work division will be recorded by the personnel for the historical files.

WAR RELOCATION AUTHORITY  
CENTRAL UTAH PROJECT

February 25, 1943

FROM: HISTORICAL SECTION

SUBJECT: WEEKLY REPORT

1. NUMBER OF PERSONNEL EMPLOYED:

(a) Five.

(b) The personnel is inadequate due to the need for a typist (two typists really necessary but space at present does not permit too many additions).

2. PROGRESS OF CURRENT WORK

(a) Second assortment of materials sent to Washington included:

1. Compilation of events in Topaz, including winning compositions from senior high school social studies' class, five compositions from the Basic English classes under the sponsorship of the Adult Education program, and nine student letters.
2. Nineteen sketches by Evelyn Kirimura.
3. Forty sketches by Toshio Mori.
4. A 69-page article on "Lives and Problems of the Sugar Beet Workers" by Henry Ebihara.

- (b) Summary of work questionnaire begun by George Sugihara.
- (c) Materials completed on voluntary enlistment and registration.
- (d) Daily log continued.
- (e) Work progressed on survey for Community Activities section.
- (f) Two contributions made to "Trek."
- (g) Complete file on Topaz Times brought up-to-date.
- (h) One member of staff aided in registration.

WAR RELOCATION AUTHORITY  
CENTRAL UTAH PROJECT

March 4, 1943.

FROM: HISTORICAL SECTION

SUBJECT: WEEKLY REPORT

1. NUMBER OF PERSONNEL EMPLOYED:

(a) Five

(b) The personnel is inadequate; a typist is needed immediately for copy work and general office duties.

2. PROGRESS OF CURRENT WORK:

(a) A new work added to the section: bringing the Center Directory up-to-date.

(b) Race Consciousness survey by George Sugihara completed.

(c) Supplement to beet work survey in progress.

(d) Over-all study on nisei problems by Henry Ebihara submitted for the files.

(e) Sketches written by staff members.

(f) Routine duties proceeded: filing of Topaz Times, center papers; daily log; etc.

(g) WAAC volunteer program studied for documentation.

(h) Major activity: copy work on materials submitted by the staff and outside source.

(i) Workers' Directory almost completed.

WAR RELOCATION AUTHORITY  
CENTRAL UTAH PROJECT

March 11, 1943

FROM: HISTORICAL SECTION

SUBJECT: WEEKLY REPORT

1. NUMBER OF PERSONNEL EMPLOYED:

- (a) Six
- (b) The personnel is adequate at present.

2. PROGRESS OF CURRENT WORK:

- (a) Topaz Times and other center papers were filed.
- (b) Daily Log was brought up to date.
- (c) Workers' Directory completed.
- (d) Henry Ebihara participated in the Volunteer For Victory Program.
- (e) Work on Topaz Directory proceeded.
- (f) Major activity: Copy work of the Inter-Faith, Communities Activities, Block Managers' minutes, October Source Book, articles from periodicals, and the J.A.C.L. Supplement. More copy work can be undertaken with the acquisition of a typist.

3. CURRENT PROBLEMS:

- (a) Inadequate space, typewriters, and tables.

4. A FORECAST OF PROJECTED ACTIVITIES:

- (a) Compilation of a Rumor Log.
- (b) A study of the delinquent problems existing in Topaz is to be undertaken.

WAR RELOCATION AUTHORITY  
CENTRAL UTAH PROJECT  
TOPAZ, UTAH

March 18, 1943

FROM: HISTORICAL SECTION

SUBJECT: WEEKLY REPORT

1. NUMBER OF PERSONNEL EMPLOYED:

- (a) Six.
- (b) Due to the lack of typists, the documentation staff massed their efforts to do the major portion of the copying of articles appearing in periodicals and journals in order to augment the files. Hence, the staff lost valuable time in continuing their studies.

2. PROGRESS OF CURRENT WORK:

- (a) Topaz Times and other center exchange papers were filed.
- (b) Daily log and Topaz directory brought up to date.
- (c) Chronology of Volunteer For Victory drive completed.
- (d) Attended arrival of Hawaiian evacuees.
- (e) Sent out memos to Community Services, Community Welfare, Inter-Faith, Boy Scout Committee, and Education for material needed for article on JUVENILE DELINQUENCY IN TOPAZ being prepared by the staff.
- (f) Articles pertaining to relocation and evacuation were copied by the staff and filed.
- (g) Short sketches on center life were written by members of staff.

3. CURRENT PROBLEMS:

- (a) The progress of the staff has been handicapped by the lack of typists and typewriters, lack of desks or tables, and the inadequacy of space. However, word has been received that the current shortage of space, desks and typewriters would be alleviated in the near future. The staff is eagerly looking forward to the day when individual members could stretch their legs without bumping knees.

4. FORECAST OF PROJECTED ACTIVITIES:

- (a) None.

FROM: Historical Section

SUBJECT: Weekly Report

1. NUMBER OF PERSONNEL EMPLOYED:

- (a) Five. Henry Ebihara departed for Salt Lake City.
- (b) One general office girl needed to assist in filing, typing.

2. PROGRESS OF CURRENT WORK:

- (a) Memorandums sent out from Noble's office in behalf of historical section to:

- (1) Grace Fujii, pre-school.
- (2) Mr. Nuttall, grammar school.
- (3) Dr. Woolf, high school.

- (b) Volunteer program being outlined and summarized.
- (c) Filing of all center papers continued.
- (d) Copy work proceeded.
- (e) Survey begun on skills and hobbies of the residents.
- (f) Hospital study underway.
- (g) Rumors, fears, and consequences noted.
- (h) Letters sent to furlough workers.
- (i) Ogden cannery and sugar beet <sup>REPRESENTATIVES</sup> workers interviewed.

3. ADEQUACY OF SUPPLIES AND MATERIALS:

Four chairs, three typewriters, one typewriter desk necessary.

5. RECOMMENDATIONS OR GENERAL SUGGESTIONS:

Larger quarters suggested.

6. A FORECAST OF PROJECTED ACTIVITIES:

Complete study of furlough workers.
