Honorable Otis D. Babcock  
District Attorney of Sacramento County  
Sacramento, California

Dear Sir:

I desire to acknowledge receipt of both pages of the two-page map of your County which was sent to you in connection with the Alien Land Law survey being carried on by this office. Your courtesy and cooperation in connection with the completion and return of these maps are greatly appreciated.

As yet, Sacramento is the only City map which I have received from you. I realize that the preparation of these maps is a tedious task, but we are finding more and more use for them every day. I will greatly appreciate anything which you can do to get the maps of the other cities in your County in my hands at an early date.

I presume that there will probably be material changes in connection with the map of your County which reflects the location of Japanese thereon. If, at any time, any changes seem sufficiently important, I would appreciate it very much if you would advise me of these changes so that I can make the proper notations on the maps which I have here in this office. If you should deem it advisable I will be very glad to return to you all or a part of the maps which you previously sent in to me, and thus give you an opportunity to make any changes, corrections or additions which may be necessary.

Very truly yours,

EARL WARREN, Attorney General

SAN FRANCISCO OFFICE  
ASSIGNED TO:

Honorable Earl Warren,  
Attorney General,  
State of California,  
San Francisco, California.

Attention: Sherrill Halbert, Esq., Deputy  
Attorney General.

Dear General Warren:

On the map of the City of Sacramento which was recently sent to you, you will find that the City of North Sacramento is a part thereof. For that reason we have not thought it necessary to prepare a separate map of the latter.

We are having a map made of the only other incorporated city in the county, Isleton, which we shall send to you just as quickly as possible.

Very truly yours,

*Otis D. Babcock*

District Attorney.
