DEPARTMENT OF JUSTICE

WASHINGTON, D. C.

NOTICE OF APPROVAL OF RENUNCIATION OF UNITED STATES NATIONALITY

To: Grace Tomiko Kawasaki
(born Oct. 12, 1921, Dinuba, California)
5904-C
Tule Lake Center
Newell, California

You are hereby notified that, pursuant to Section 401(i) of the Nationality Act of 1940, as Amended, and the regulations issued pursuant thereto, your renunciation of United States nationality has been approved by the Attorney General as not contrary to the interests of national defense. Accordingly you are no longer a citizen of the United States of America nor are you entitled to any of the rights and privileges of such citizenship.

Date: March 22, 1945

Herbert Wechsler
Assistant Attorney General
War Division

Feb. 28, 1946

Mr. Wayne M. Collins
1721 Mills Tower
San Francisco, Calif.

Attention Mr. Collins:

On Feb. 12, 1946, we saw our names on the list of those who are to be sent to Japan or to be interned. We were so depressed that we didn't know what to do.

Our parents are in San Francisco now and are anxiously waiting for us to join them.

We are in your case, Mr. Collins. We'd like you to help us. There are nearly 500 persons who are on the detained list. We all are waiting for you to do something. We can not take anymore of those camp life. We want to get out.

Fight for us, do something to let us all free, immediately.

We all are waiting, Mr. Collins.

Sincerely yours,
Tomiko Kawasaki

Miss Hideko Kawasaki,
Miss Tomiko Kawasaki,
Block 1207-A,
Tule Lake Center,
Newell, California.

Dear Misses Kawasaki:

I have received your letter of February 28th. I have written Dr. Hashiba concerning your cases and assume that he probably has discussed my letters with you.

The list of names which was posted at Tule Lake on February 12th was merely a tentative list of unfavorable recommendations. The fact that your name appears on that list does not mean that you will not be released. The review board undoubtedly will review your files. I do not believe that the Attorney General will insist upon detaining all the persons whose names presently appear on that list. Mr. Clark himself will give consideration to a release of all persons who are presently detained. I do not know what his final answer on the question will be. In the event that he should insist upon detaining any person the court will determine whether or not he has the right to do so.

Neither you nor any other person on that list is now scheduled for deportation to Japan. So far the Department itself has not announced any definite policy of sending any person from the Tule Lake Center to Santa Fe or elsewhere. In the event that the Attorney General finally insists on detaining any person it is possible that such persons may be temporarily transferred to another camp. In the event that Tule Lake should be closed before the court passes on the matter, such a transfer will not endanger the rights of any such person because the government will consent to produce the person in court.

If you have not yet applied in writing for a re-hearing of your case please go immediately to the defense committee, (Mr. Iwao Shimizu, Block 3201-D) and have that application sent to Mr. Clark.

Everything that is possible to be done on your behalf is being done, consequently please do not be alarmed. I believe that you will yet be released.

Very truly yours,

Honorable Tom C. Clark
Attorney General of the United States
Department of Justice Building
Washington, D.C.

Sir:

On February, 1945, I signed an application for renunciation of United States nationality form at the W.R.A. Segregation Center situated at Tule Lake, Modoc County, California, at a perfunctory appearance before a government official, and I have received a letter dated _____, 1945, from Mr. Herbert Wechsler, Assistant General, approving the same.

I hereby repudiate, withdraw, retract, and revoke the said renunciation upon the following grounds and for the following reasons:

(1) The circumstances under which said renunciation form was signed by me did not constitute a fair and impartial hearing and was a denial of my constitutional guaranty of due process of law and of the equal protection of the laws;

(2) I was not a free agent at the time when and the place where said renunciation form was signed but was then and there held in duress and was the victim of fraud, menace and undue influence and mistake of law;

(3) I then and there was and continuously from May 10, 1942, had been detained in the said W.R.A. Segregation Center by official authority and was deprived of substantially all my constitutional rights, liberties, privileges and immunities as an American citizen by birth and by choice and was thusly discriminated against solely by reason of the Japanese nationality of my ancestors;

(4) I was intimidated, coerced, and compelled to sign the said renunciation for by displays of force and intimidation to myself made by a pressure group in said camp, and by members thereof, and I was in constant fear, that said threats would be carried into execution if I refused to sign it. I was acting under the menace and fraud of said group and its members and the undue influence exerted by them upon me and I signed said renunciation form under duress.

Because of the foregoing reasons the said renunciation and approval thereof were, and each of them is, invalid, null and void.

I am not a citizen or subject of Japan and I do not and never have owed or given that country or nation any allegiance. I am not an alien enemy. I am a native American by birth and also by choice. I recognize as my sovereign the United States of America and I give and ever have given the United States my undivided loyalty and allegiance. I have no dual citizenship through any act or acceptance upon my individual part.

Therefore I demand that you withdraw, recall, cancel, and revoke your approval of said renunciation form.

I am ready and willing to have this matter re-opened and a hearing be granted to me in order to prove that said renunciation form was signed when I was not a free agent in any sense of the words but was acting under duress and under menace, fraud and undue influence and mistake of law.

I respectfully request your immediate consideration of this urgent matter.

Very truly yours,

Tomiko Kawasaki
