Honorable P. B. Lynch  
District Attorney of Solano County  
Fairfield, California

Dear Sir:

I desire to acknowledge receipt of both pages of the two-page map of your County which was sent to you in connection with the Alien Land Law survey now being made by this office. Your courtesy and cooperation in connection with the completion and return of these maps are greatly appreciated.

As yet, I have not received from you any detailed maps of the Vallejo area. I realize that the preparation of these maps is a tedious task, but we are finding more and more use for them every day. I will greatly appreciate anything which you can do to get the maps of the Vallejo area in my hands at an early date.

I presume that there will probably be material changes in connection with the maps of your County which reflect the location of Japanese thereon. If, at any time in the future, any changes seem sufficiently important to justify it, I would appreciate it very much if you would advise me of these changes so that I can make the proper notations on the maps of your County which you have sent to me. If you should deem it advisable, I will be glad to return to you all or a part of these maps, and thus enable you to make any changes, corrections or additions which may be necessary.

Very truly yours,

EARL WARREN, Attorney General
