Dear Mr. Frankfurter:

With Shiko Munakata's emergence as an artist of international repute, I thought you might be interested in the enclosed account of my encounter with him in Japan. I was in Japan a few years ago on a Ford Foundation Fellowship, write juvenile books and am currently Bay Area Correspondent for the American Craftmens Council publication CRAFT HORIZONS.

I would be very pleased if you could use the article in your magazine.

Sincerely,

Encl:

Yoshiko Uchida

Dear Miss Uchida:

We were very much interested in your manuscript.

Unfortunately, our editorial schedule for the coming months is extremely crowded and will not permit us to include this material, which I am returning herewith.

We appreciate your thinking of Art News.

Sincerely,
