Dear Sir:

On October 18, 1945, I was requested by Mr. Ivan Williams, Officer in Charge, Immigration and Naturalization Service, Department of Justice, to appear before their officer to register under the provisions of the Alien Registration Act.

Although I appeared before your office to comply with the provisions of the Alien Registration Act, I wish to state that said registration form was signed by myself under protest.

I am an American citizen. Although within the non-repatriation form it indicated in Question No. 2 that my nationality was Japanese, I hereby wish to protest said designation as I am not a citizen or a national of Japan, but a citizen and a national of the United States.

Therefore I shall appreciate your accepting this letter as a documentary evidence that my signature affixed on said Alien Registration form and informations furnished in Question No. 2 of the non-repatriation form was done so under protest, as I am an American citizen.

Yours very truly

Honorable Tom C. Clark
Attorney General of the United States
Department of Justice Building
Washington, D.C.

Sir:

On January , 1945, I signed an application for renunciation of United States nationality form at the W. R. A. Segregation Center situated at Tule Lake, Modoc County, California, at a perfunctory appearance before a government official, and I have received a letter dated , 1945 from Mr. Herbert Wechsler, Assistant Attorney General, approving the same.

I hereby repudiate, withdraw, retract, and revoke the said renunciation upon the following grounds and for the following reasons:

(1) The circumstances under which said renunciation form was signed by me did not constitute a fair and impartial hearing and was a denial of my constitutional guaranty of due process of law and of the equal protection of the laws;

(2) I was not a free agent at the time when and the place where said renunciation form was signed but was then and there held in duress and was the victim of fraud, menace and undue influence and mistake of law;

(3) I then and there was and continuously from April 3, , 1942, had been detained in the said W.R.A. Segregation Center by official authority and was deprived of substantially all of my constitutional rights, liberties, privileges and immunities as an American citizen by birth and by choice and was thusly discriminated against solely by reason of the Japanese nationality of my ancestors;

(4) I was intimidated, coerced, and compelled to sign the said renunciation form by displays of force and intimidation to myself made by a pressure group in said camp, and members thereof, and I was in constant fear, that said threats would be carried into execution if I refused to sign it. I was acting under the menace and fraud of said group and its members and the undue influence exerted by them upon me and I signed said renunciation form under duress.

Because of foregoing reasons the said renunciation and approval thereof were, and each of them is, invalid, void and null.

I am not a citizen or subject of Japan and I do not and never have owed or given that country or nation any allegiance. I am not an enemy alien. I am a native American by birth and also by choice. I recognize as my sovereign the United States of America and I give and ever have given the United States my undivided loyalty and allegiance. I have no dual citizenship.

Therefore I demand that you withdraw, recall, and revoke your approval of said renunciation form.

I am ready and willing to have this matter re-opened and a hearing be granted to me in order to prove that said renunciation form was signed when I was not a free agent in any sense of the words but was acting under duress and under menace, fraud and undue influence and mistake of law.

I respectfully request your immediate consideration of this urgent matter.

Very truly yours,

Oscar Chikara Fukuda
