Re: [illegible]

Honorable Earl Warren,
Attorney General of the
State of California,
San Francisco, California

Attention: Warren Olney,
Assistant Attorney General

Dear Sir:

I am returning herewith the maps of Plumas
County recently sent to me.

From a search of our various records, and
from such other information as we were able
to obtain, it appears that there is not any
real property of any kind in Plumas County
which is owned or leased by any Japanese.
In fact, there is no Japanese residing in
Plumas County.

Yours very truly,

Wm. M. Macmillan
District Attorney

Honorable Wm. M. Macmillan
District Attorney, County of Plumas
Quincy, California

Dear Sir:

I wish to acknowledge receipt of your letter of February 18th and the maps of your County which you sent back in accordance with our request. I wish to thank you very much for your courtesy and cooperation in connection with this matter.

While you are fortunate enough not to have any Japanese in your County, I am, none the less, glad to have the maps covering your County available. It is entirely possible that we will need these maps in connection with future defense work.

Very truly yours,

EARL WARREN, Attorney General

Honorable William Macmillan
District Attorney of Plumas County
Quincy, California

Dear Sir:

I desire to acknowledge receipt of five pages of the five-page map of your County which was sent to you in connection with the Alien Land Law survey being made by this office. Your courtesy and cooperation in connection with the completion and return of these maps are greatly appreciated. We are finding these maps generally useful in the National Defense work which is being carried on by this office.

I presume that there will probably be material changes in connection with the maps of your County which are designed to reflect the location of Japanese thereon. If, at any time in the future, any changes seem sufficiently important, I would appreciate it very much if you would advise me of these changes so that I can make the proper notations on the maps of your County which I have here in this office. If you should deem it advisable, I will be very glad to return to you all or a part of the maps which you previously sent in to me, and thus give you an opportunity to make any changes, corrections or additions which may be necessary.

Very truly yours,

EARL WARREN, Attorney General
