Housing

DH May 28.

Bachelors want to move into infield. because floors have been removed & conditions are unsanitary in 14.

Families want to move for 12 & 13 because it is too cold.

Rec.

Talent show - very versatile.

Order prevailed except during J. music.

Town Hall

1st session: background material ... complaint: audience didn't have adequate chance to discuss - to "gripe"

Rec

Bridge lesson - suggests to be for the "over 20" but many small boys monopolized time of teachers.

Rumor

DH May 20.

"There is graft being used in employment"

Jobs.

DH May 20.

Going through the records, DH notes many exchanges & misclassified. Some doing clerical work or messenger work are classed skilled. Some secretaries are classed only as plain clerks. "Many who do the same type of work as others with lower ratings get higher ratings."

Wages.

DH May 25.

Peoples in hospital have worked about 2 wks. without any work order - so no pay. Typical "of unsystematized procedure here."

Educ.

(no info.)

DH May 23.

"Cheating was very pronounced. If someone didn't know the answer, his neighbors would whisper it to him."

Rec.

DH May 19.

Syngoby records at synkin hall. "For a while there were quite a few people, but later a number of them left. It shows that many people will try anything once. ... Those who left were mostly Isseis."

Health

DH May 18.

"There is one family with mumps, but they don't want the doctor to hear so they haven't reported it. Hence guests continue to come & go & the neighbors are endangered just because one family doesn't want to be quarantined."

Library

DH May 17.

Very well organized. Many
magazines & books. Lib. circuli =
350 per day (Books go out for
3 days, mags for 1).

Adm.

DH May 16.

Neighbors father died in county
hospital. In order to get out to
funeral "it took them an hour"
to get there and back.

Wages

DH

May 15.

"Everyone is complaining about the
wage scale"

Rec. - Att.

DH May 14.

Talent show was "long". The
worst part was the man who
sang a Japanese song. One could
notice the antagonism of the Nisei
to Jap. songs. . . . They make us
sing "God Bless America" each time. It
seems rather ironic. . . . We all sing it
but it doesn't really seem quite
affectionate."

Recreation

DH May 14.

"It's rather pathetic the way
the young people (under 16)
want to work for lack of
better activities. They say
that something (even menial
work) is better than just
sitting around doing nothing"

Politics - Jobs.

it doesn't seem fair, does it?

M --- was waiting for an
applicant [but] two others who
were merely introduced by a
friend of Mr. Larson were appointed to
the same position while he was not.
This shows the amount of "pull" involved."

Attitudes DH May 7.

Chubb's fellows dismissed
"injunctive" of it all & nerve
of "progressives" who want to
help others

Housing DH May 5.

Stomach around shacks " is
rather dejecting because everyone
has to sit in front of their

room inside --- seems almost like
shacks"
