## LOCAL HOTEL DAMAGED BY VANDALS

Four unidentified persons, reported by police to be soldiers, broke into the Fuji hotel at 1622 Buchanan street early Saturday morning and caused considerable damages to the premises.

Entering the hotel unobserved some time before 3 a.m., they wrecked the banister of the stairway leading to the second floor and with pieces of the wreckage proceeded to break the glass of the front door before making their getaway in an automobile.

A police officer, who was in the vicinity of the hotel at the time, was unable to apprehend the fleeing soldiers.
