## United States Senate

COMMITTEE ON FOREIGN RELATIONS

ROBERT V. SHIRLEY, CLERK

July 20, 1944.

Lieut. Col. Hiram W. Johnson, Jr.,  
973 Green Street,  
San Francisco, California

Dear Colonel Johnson:

Under the last legislative appropriation bill passed a few months ago by Congress there is a provision allowing Members of Congress ten long distance calls each month chargeable to the Government. These calls must emanate from Washington and be only of three minutes duration. They are not cumulative, and if ten calls are not used during each month they lapse.

It is possible your Mother might call you long distance some evening just to hear your voice, or say hello, and so I wanted you to know of the recent legislation.

Our good wishes.

Sincerely yours,

*M. Connor*  
Secretary.

P:S: Another thing, if you wanted the Senator or Mrs. Johnson to call you at any time you could wire them to call at a certain time and it could be done from here under the above law.
