Dear Mrs. Grier -

Thank you an awful lot  
for your box of candy - This prac-  
tically all gone now & we certainly  
appreciated your kind re-  
membrance. This year we  
have had to cut down on  
everything & I hope next  
Xmas will be a better one.

I hope you didn't spend a  
very lonely Xmas - It still  
seems hard to believe that  
Frank is gone - We see so  
many men in uniform here -  
I think of Frank once in a while  
when I see a man in uniform.  
We also have trucks of loaded  
wolves here in Madison -

We had quite a lonely Xmas  
this year - although the people  
we are staying with have been  
very nice. We had a big

Turkey dinner on Xmas eve  
but nothing is like Xmas at  
home. On Xmas day - we  
saw a ~~an~~ movie -

I wonder what the New Year  
will hold - Some people say

the war will last 5-10 yrs -  
Let's hope not.

Mutsubo & Isewage seem to  
be getting along fine in Washington  
D.C. - It is an overcrowded city  
there.

I received a letter from  
Jonie's boy from Lake Cal.  
I haven't heard how they have  
been. - It was signed Taniko  
& Josh. - Do Kamie out some-  
where else - do you know -

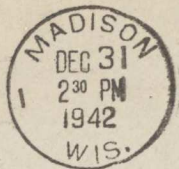

Art is working temporarily at the  
Wiley Foundation yet I hope he  
finds a good steady job soon but  
so many people are afraid of  
hiring Japanese for fear of public  
sentiment. It's so very disgusting  
at times - but we've got to be  
patient. - & something good will  
turn up soon.

This is just a short note  
to thank you -  
Will write again -

As ever
