July 12th

Dear Julie:

Thank you so very much for the box of candy -
We all enjoyed them very much.

I have been in Ridgewood for over a week
now - & your box of candy went to Madison but
was forwarded to me. I also received your card -
that was what I was in Madison & so I knew
about the box of candy. & I appreciate it very
much.

Art is now a manager of a coop. store here in
Ridgewood. He is very busy now - June he had
to attend a produce coop meeting in N.Y. -
We are only about 23 miles from N.Y. - & on
clear days - from our dining room we can see
the N.Y. skyline - After we get settled, I hope
to visit Putnam & Janeway in Washington D.C.
It will take 4 or 5 hours - & that isn't bad
at all.

We haven't been able to find an apt. yet.
The turnover here is very slow - At present
we are staying at a friend's home - on a 11 acre
estate - formerly owned by the Waterman fountain
pen man. This place is very much run down.
but will be a beautiful place after it's
remodeled.

It's been very sunny since last week -
How is L.A. - I really miss the Seattle

weather, it was so mild - Altho' we did
have lots of rain -

What type of work are you doing - You said
you were not feeling well - Hope you feel
much better now. I wish I could do some-
thing for you - If there's anything I can do
to help you - don't hesitate to let me know.
I'm not financially fixed but, at any rate
I'm your friend if ever you're in need.

Write to us again - wait for you - & thanks
again -

Always
Lily
