Waegell, Mrs. H.
Elk Grove, Calif

Sacks

Farm wife much opposed to having Japanese driven from their farms. Writes that race prejudice existed long before war began. Says Warren speaking over state stirring up more. Mentions photos of gind and dynamite "captured" from Japanese farmers, says both are necessary to every farmer in that area, first to kill predatory animals, latter to blast hard pan land prevalent in Sacramento and San Joaquin Valleys.

cm

J
to President

Filstead, George
Stockton, Cal
May 10 1942

San Joaquin

"...I think our country id doing to much for the dirty japs Most of them are being treated more better than our own people and I should think there cars ought to be taken away from them I bet our boys aint being taken care of like they are the japs here so I am hopeing our County wont do much more for the japs."

JS

Jones, M. A.
Exeter, Cal.
June 11 1942

Tulane

Why give the Japanese schools and recreation in camps. They always had their own schools anyway. The American taxpayer is being bled white to pay for the "little devils our boys are fighting."
