To roosevelt

Ar. Calif

"As a citizen of the State of California, I respectfully demand that ALL Japanese be removed from the State of California. In the light of recent happenings, it seems foolish-hardy to subject the hundreds of thousands of California citizens to the dangers incident to the residence of these Japanese in our State.

"It is not necessary to go into detail as to recent happenings or the risks involved--both to civilians and to our men in uniform--if present conditions are allowed to continue. You are completely aware of these things and are much better posted than are we. The Japanese are one of our paramount problems at (over)

Pz

this time and it is imperative that something be done about it immediately.

"Believing you have the best interest of all of us at heart and appreciating the many demands upon you and your time,
