

## Africa 11x14 prints

---

This is a detailed inventory of Victor Jorgensen's 11x14 photographic prints of his work in Africa.

See the guide to the collection for more information:

<https://oac.cdlib.org/findaid/ark:/13030/c8dv1n5b/>

Collection is open for research.

Notice of harmful language:

This collection guide contains harmful language which was used by either the original creators or the prior stewards of the materials in this collection. Library staff made the decision to retain, repurpose, and in some instances replicate this description because it may provide important context about its creators, custodial history, and/or source. We are committed to describing materials in a manner that respects those who create, are represented in, and interact with the collections we steward, as well as preserving the original context of collection materials. Ethically managing archival description is an ongoing and iterative practice, and we welcome your feedback and questions at [speccoll@library.ucsc.edu](mailto:speccoll@library.ucsc.edu).
