Container Description	Folder	Location	Creator	Date Subjects	Title
<i>22 boxes of Symphony performances on VHS, as well as one box of audiocassettes from 1993-1995 (probably duplicates of the videocassettes). Some of these have been digitally transferred, but they cannot be made public due to licensing issues for the music itself, and royalties for the performers. Researchers may listen to these recordings in-house.</i> <i>Annotated programs to accompany these recordings are available for years 1993-1995.</i>		15.N	San Jose Symphony		Performance Recordings (1985-1997)
