Papers of Fellows and Stewart, Inc. Series 5, Part 1: Naval Architectural Drawings
Original Plans in Folders 1-8, Rolled Plans 1-18

Series 5: Part 1--- Original Naval Architectural Drawings (Ship's plans)

Most vessels in the collection are represented by incomplete plan sets. In most cases, there are individual plan drawings for one aspect or view of the vessel's design or construction. These consist of one or more of the following: lines and offsets, profiles (elevations), plan views, details, schedules, tables, and engine room diagrams or sail plans; plans are for Motor yachts, Sloops, Patrol boats, Cutters, Barkentines (movie), Submarines (movie), Powerboats, Launches, and Shipyard.

Original plans and drawings in Folders 1-8 are described below, dated 1915-1945:

Barges, cargo boat, cruisers, dingys, floats, glass-bottomed boats, houseboats, passenger taxis, sloops, runabouts, tenders, and yachts.

Fld r	Vessel type	Title Block / Lines descr.	Vessel Name	Date	Scale	Size	Creator
1	motor yacht	Deckhouse profile layout	La Serena	12/30/1946	1"=1'-0"	various	Fellows & Stewart
1	motor yacht	Schematic layout of fresh water system	La Serena	12/20/1946	none	31" x 20"	Fellows & Stewart

Rolled plans include original plans and blueprints too large to file flat. They are stored in rolls 1-18, and summarized below:

26' motor whaleboat 1945
Aircraft rescue boat 1954
Barge 1945
Cruiser 1920
Fishing launch 1920s
Landing craft 1952
Landing float 1940s
Motor yacht 1920s, 1930s
Passenger boat (taxi) 1940s
Patrol Boat 1950
Tender 1935
Torpedo receiver 1952
Utility boat, 1951
Yacht 1920s
